MOTIONS AND RESOLUTIONS.

Mr. Rauh presented

No. 969. Whereas, It is desirable on the part of Council to secure information regarding the qualities of various pavement materials for use in the improvement and maintenance of streets in the City of Pittsburgh; and

Whereas, The Council has been invited to delegate a committee to inspect the pavement known as "National Pavement" now in use the vicinity of New York, that is, in the States of New Jersey and Connecticut, where the use and construction of the same may be readily investigated; Therefore, be it

Resolved, That a committee, consisting of all the members of the Council is hereby authorized to accept the invitation of the Permanent Highways Corporation to go to New York and investigate this pavement for the purpose of determining its value for repairing and maintaining the streets of the City of Pittsburgh.

Which was read.

Mr. Rauh moved

The adoption of the resolution.

Which motion prevailed.

Also

No. 970

Whereas, Investigations in some cities have recently disclosed the facts that certain so-called brokers have induced small holders of Liberty Bonds to sell their holdings at sums far below par; and

Whereas, Brokers in some cities have been running misleading advertisements purporting that they stand ready to buy said bonds and pay cash for same; and

Whereas, Such acts on the part of said brokers is manifestly unfair, un-

American and unpatriotic at this time, and has a tendency to discredit the value of said bonds; Now, therefore, be it

Resolved, That the Department of Public Safety be requested to investigate if such advertisement are being made, and all sales of Liberty Bonds made by reason of such advertisements, and to submit a report in writing, which report shall be kept on file in the Department of Public Safety and shall be subject to public inspection and shall contain the names of the seller as well as the purchaser, and shall further contain such facts pertaining to the sale as said Department of Public Safety may be able to obtain.

Which was read.

Mr. Rauh moved

The adoption of the resolution.

Which motion prevailed.

Mr. Robertson presented

No. 971. Resolved, That the Mayor be and he is hereby requested to return to Council, without action thereon, for further consideration, Bill No. 889, Resolution relative to the Railroads granting half-rates to soldiers and sailors on furloughs.

Which was read.

Mr. Robertson moved

The adoption of the resolution.

Which motion prevailed.

And the Mayor having returned, without action thereon,

Bill No. 889

Whereas, Legions of our fellow citizens have patriotically given up civil employment at high rates of remuneration to enlist in the service of our Country, at nominal compensation, in its hour of need; and

Whereas, It is fitting and proper that in recognition of the financial sacrifices made, and what is more important, the severance of home ties and the risking of their lives that Democracy shall not perish from the earth, that every possible civilian official cognizance and aid be given to them and their necessities; and

Whereas, There has been no action on the part of the Railroad Management of the United States to assist our soldiers and sailors in the matter of reduced fare between the ports and army cantonments of the United States and the homes of these national defenders when on furlough; therefore, be it

Resolved, That we, the Council of the City of Pittsburgh, the Mayor concurring, do respectfully request the Hon. Wm. G. McAdoe, Director-General of the Railroads of the United States, to promulgate an order giving all soldiers and sailors of the United States the right to purchase railroad tickets from port or camp to their homes and return when on a properly authorized furlough, at one-half the regular rates.

and, be it further

Resolved, That a copy of this resolution, on its enactment, be forwarded to Director-General, Hon. Wm. G. McAdoo, at Washington, D. C., together with a letter from the Mayor asking for its careful consideration.

In Council, May 27, 1918, Read and adopted.

Which was read.

Mr. Robertson moved

To reconsider the vote by which the resolution was adopted.

Which motion prevailed.

And the question recurring, "Shall the resolution be adopted?"

The motion did not prevail.

Mr. Robertson moved

To lay the resolution on the table.

Which motion prevailed.

And on motion of Mr. Robertson

Council adjourned.

No. 1024

Office of the Mayor.

City of Pittsburgh, Pa., June 13, 1918.

To the Honorable, the Council
of the City of Pittsburgh,

Gentlemen—I return you herewith Bill No. 900, being a Resolution adopting certain proceedings to help increase the production of coal, without my approval, for the following reason:

First—That by the terms of the Charter Act of 1901, the initiative in the matter of emergency appropriations rests primarily with the Mayor and the City Controller, and furthermore, the language in which this resolution is couched is not appropriate to the subject.

Second—That part of the resolution referring to the presentation by the City of a petition to the Federal Fuel Administrator or to the President of the United States to set aside the City Charter and all laws governing the City is so extraordinary as to raise a grave doubt as to whether or not it is seriously meant, and certainly requires express disapproval at this or any other time.

This City, both before and since the outbreak of the War, has in every possible manner manifested its earnest and devoted loyalty to the National Government in upholding, aiding and assisting its efforts in the preparation for and conduct of the War, but there is no call for, or justification of, lawless methods in pursuing this course.

Respectfully yours,

(Sd.)

E. V. Babcock,

Mayor

Which was read.

And

Bill No. 900. Resolution for equipping and operating a coal mine on property owned by the City at Max-view.

In Council, June 10th, 1918, Rule sus-

pended, read three times and finally passed.

Which was read.

Mr. Dalley moved

That the communication and resolution be laid over for one week
Which motion prevailed.

The Chair took up

Bill No. 963

City of Pittsburgh, Penna.

June 7th, 1918.

President and Members of Council
of the City of Pittsburgh.

Gentlemen:—I herewith return Bill No. 852, without my approval. This Bill exonerates the Eighteenth Regiment Armory from a water tax of \$65.12. The item is small from a standpoint of dollars and cents, but I cannot see a sufficient reason for the exoneration. The precedent established is bad. If you recognize one claim for exoneration of this kind you should recognize all and not make fish of one and meat of another.

The National Guard and its present substitute have been appropriated city monies to a reasonable extent and, in my opinion, should pay this tax. I cannot see that the fact that the University of Pittsburgh has military students in the building has any bearing on the case.

Very respectfully yours,

E. V. BABCOCK,

Mayor.

In Council, June 10, 1918, Read, laid over for one week and a copy to be furnished each member.

Which was read, received and filed.

And

Bill No. 852. Resolution authorizing and directing the Board of Water Assessors to issue an exoneration in the sum of \$65.12, account water rents charged against the 18th Regiment Armory, Bayard and Thackeray streets, City.

In Council, June 10, 1918, Returned by the Mayor with his objections, read and laid over for one week.

Which was read.

And on the question, "Shall the resolution become a law notwithstanding the objections of the Mayor, the ayes and noes were taken agreeably to law, and were:

Also

No. 964

City of Pittsburgh, Penna.

June 7, 1918.

To the Honorable, the Council
of the City of Pittsburgh.

Gentlemen:—I return you herewith Bill No. 858, being a resolution authorizing the refunding of \$2,165.67 taxes paid by the Granite Improvement Company on property occupied by St. Peter's Roman Catholic Church, Forbes street, without my approval for the following reasons:

First. This tax was paid by the Granite Improvement Company, to which this refund is to be made, because it was an incumbrance upon the property purchased by it from St. Peter's Church. If the property was not liable for assessment of taxes, proper measures should have been taken to resist the assessment and obtain relief in the regular and proper way.

Second. As the property was sold and the ownership of the church ceased, although it continued to occupy the premises temporarily, the right of exemption from taxation ceased with the ownership, and the fact that there was an agreement between the church trustees and the purchases of said property that the church would remain liable for such taxes as might be assessed certainly does not entitle the church to exemption, nor can it legally authorize the refunding of the taxes paid by the purchases to avoid the legal penalties resulting from delay in payment.

I deem these reasons sufficient for withholding my approval of this bill.

Respectfully,

E. V. BABCOCK,

Mayor.

In Council, June 10th, 1918, Read, laid over for one week and a copy to be furnished each member.

Which was read, received and filed.

And

Bill No. 858. Resolution authorizing the issuing of a warrant in favor of Granite Improvement Company in the sum of \$2,165.67, refunding taxes paid by said Company on property occupied by St. Peter's Roman Catholic Church, Forbes street, First ward, City and charging to Appropriation No. 41, Refunding Taxes and Water Rents.

In Council, June 10, 1918, Returned by the Mayor with his objections, read and laid over for one week.

Which was read.

MAYOR'S OFFICE.

Pittsburgh, June 29, 1918.

President and Members of Council of the City of Pittsburgh.

Gentlemen:—I hereby submit the name of Tensard DeWolf for your consideration and approval as Police Magistrate, to be known as Morals Court Magistrate, in accordance with the provisions of your Ordinance No. 341, affirmatively recommended by Council and approved by the Mayor, entitled, "An Ordinance creating the position of an additional Police Magistrate in the City of Pittsburgh, fixing his compensation and providing that such magistrate shall be known as 'The Morals Court Magistrate'."

Very respectfully yours,

E. V. BABCOCK,

Mayor

Which was read

Mr. McArdle moved

That the communication be received and filed.

Which motion prevailed.

Mr. Garland moved

That the appointment by the Mayor of Mr. Tensard DeWolf as Police Magistrate of the Morals Court be approved and confirmed.

Mr. McArdle arose and said:

"Mr. President, I just want to say, in connection with this appointment, that I haven't any objections to offer to the gentleman named, although I am not sure in my mind that the Mayor has measured up to the opportunity that it seemed to me the making of appointment presented to him. And it seems to me in the presentation of the matter to the public as made on last Saturday, so far as I have been acquainted with Mr. DeWolf, the facts are misleading insofar as they designated him as a newspaper man.

"I have known Mr. DeWolf, though not intimately, for about six years. During all that time so far as I have been able to learn, his chief activity was in connection with the Voter's League, and during that time, at least, I have not known of him having any connection with the newspaper business one way or another.

"He may, and I hope he will, fill the very important function of this office in a creditable manner to himself and the administration.

"I am going to support him and trust that some misgivings I have concerning the appointment, based upon my own conception of the kind of a man of his experience who ought to fill it, will prove, as the result of Mr. DeWolf's conduct of this office, to be without foundation."

Mr. Raub arose and said:

"Mr. President, I agree with the last speaker. I have not heard for a number of years that Mr. DeWolf was connected with a newspaper in the City of Pittsburgh unless you wish to call the Voter's League Bulletin a newspaper, which is issued a few days before every election. I don't know whether he is editor of that bulletin or not. If he is this is the only newspaper that I know he has been connected with for the past number of years.

"I, however, give my approval to his appointment and trust he will conduct his office in an efficient and capable manner."

Mr. Garland arose and said:

"Mr. President, I never heard of Mr. DeWolf being a newspaper man. However, that has nothing to do with the matter under discussion.

"Mr. DeWolf has shown himself to be interested in municipal affairs. He has attended the budget hearings of Council and understands what our city needs. He is a man of more than ordinary ability. He will perform the duties of his office with brilliancy because he is a man conversant with municipal affairs. He is the kind of man needed for this position and will rise to the occasion."

And the question recurring, "Shall the appointment of the Mayor be approved and confirmed?"

The ayes and noes were taken, and being taken were:

Ayes—Messrs.

Burke
Bailey
Garland

Herron (Pres.)
McArdle
Raub
Stobertson

Ayes—7.

Noes—none.

And a majority of the votes of Council being in the affirmative the appointment of Tensard DeWolf was approved and confirmed.

Also

Bill No. 1024.

Office of the Mayor.

City of Pittsburgh, Pa., June 13, 1918.

To the Honorable, the Council
of the City of Pittsburgh,

Gentlemen—I return you herewith Bill No. 900, being a resolution adopting certain proceedings to help increase the production of coal without my approval, for the following reason:

First—That by the terms of the Charter Act of 1901, the initiative in the matter of emergency appropriations rests primarily with the Mayor and the City Controller, and furthermore, the language in which this resolution is couched is not appropriate to the subject.

Second—That part of the resolution referring to the presentation by the City of a petition to the Federal Fuel Administrator or to the President of the United States to set aside the City Charter and all laws governing the City is so extraordinary as to raise a grave doubt as to whether or not it is seriously meant, and certainly requires express disapproval at this or any other time.

This City, both before and since the outbreak of the War, has in every possible manner manifested its earnest and devoted loyalty to the National Government in upholding, aiding and assisting its efforts in the preparation for and conduct of the War, but there is no call for, or justification of, lawless methods in pursuing this course.

Respectfully yours,

(Sd.)

E. V. Babcock.

Mayor

In Council, June 24th, 1918, Read and laid over for one week.

Which was read, received and filed.

And

Bill No. 900.

Whereas, The war necessities of our National Government require increased production of bituminous coal so greatly needed by munition factories, the navy and our allies; and

Whereas, The municipal corporation of the City of Pittsburgh is the owner of a splendid coal property at Mayview, or Marshalsea, which should be opened up and coal produced at reasonable cost, thereby allowing the National Government and our allies to obtain the thousands of tons of coal the City is compelled to buy in open market; and

Whereas, The Council of the City has authorized a bond issue of \$200,000 for the purpose of obtaining funds with which to equip and operate a municipal coal mine, but is unable to sell the bonds on account of a legal opinion; therefore, be it

Resolved, That the Council of the City of Pittsburgh hereby declares its support of the National Government by the adoption of the following proceedings in order to help increase the production of coal.

1st. That the Mayor and the Controller join in asking Council to make an emergency appropriation to obtain immediately necessary funds to equip and operate a municipal coal mine and not be hampered, hindered or delayed any longer by an attorney's opinion that municipal bonds cannot be sold to obtain funds for a municipal coal mine because such authority is not expressly granted in the City Charter, or

2nd. Either the Mayor, or with Council joining therein, petition the United States Fuel Administrator or the President of the United States, if need be, to set aside any law or custom, whether expressed in the City Charter or legal barnacles of unwritten laws or opinions regarding this or any other obstruction which hampers or prevents the City of Pittsburgh from giving the National Government all the aid and assistance it can render in this time of stress.

In Council, June 24, 1918, Returned by Mayor with his objections, and laid over for one week.

Which was read.

And on the question, "Shall the resolution become a law notwithstanding the objections of the Mayor?"

The ayes and noes were taken agreeable to law, and were:

Ayes—Messrs.	
Burke	Garland
Dailey	Herron (Pres.)

Noes—Messrs.	
McArdle	Rauh
	Robertson

Ayes—4.

Noes—3.

And there not being two-thirds of the votes of Council in the affirmative, the objections of the Mayor were sustained.

MOTIONS AND RESOLUTIONS.

Mr. McArdle presented
No. 1081.

Whereas, A majority of the Receivers of the Pittsburgh Railways Company joined in a petition to the District Court of the United States for the Western District of Pennsylvania asking the Court to advise them as to whether or not they should pay certain sums which fall due upon July 1st, 1918, or shortly thereafter, which sums represent indebtedness arising under various operating agreements entered into by other companies with the Pittsburgh Railways Company; and

Whereas, Said sum involves in the aggregate a very large sum of money, reputed to reach approximately \$700,000.00; and

Whereas, The Court has advised the Receivers that the payments described in their petition should not be made for the present, and giving among other reasons, the dimness of the prospects of the Pittsburgh Railways Company performing its full measure of duty to the public in the event of such payments being made; and

Whereas, There appears to be a pressing need for the expenditure of large sums of money in the rehabilitation of the company's property in order to enable it to meet, in a larger measure, the needs of the traveling public; therefore, be it

Resolved, That the Special Assistant City Solicitors be requested to urge the Receivers to expend the moneys above referred to, together with such sums as

may be available to the end that the property may be better able to meet the demands of the traveling public and to avoid as far as possible a repetition of the extremely unsatisfactory conditions which existed during the winter of 1917-1918.

Which was read.

Mr. McArdle moved

The adoption of the resolution.
Which motion prevailed.

Mr. McArdle moved

No. 1082.

CITY OF PITTSBURGH, PENN'A.

June 25th, 1918.

President and Members of Council or
Chairman and Members of Finance
Committee of the City of Pittsburgh.

Gentlemen:—I am advised that Bill No. 804, an Ordinance increasing the wages of the Patrolmen and Sergeants in the Department of Public Safety, that was recalled from the Mayor's Office early this month, was passed again yesterday. It was my intention to appear before Council yesterday, but a large delegation of prominent citizens called at my office at 3 o'clock and claimed my attention until Council meeting was over.

I now desire to state for Council's information that I think the Ordinance in question does not produce the best results possible in the Police Department. Considering the Patrolmen and

Sergeants only is unfair to other city employes that are asking your attention. I again ask you to withdraw this Ordinance from the Mayor and recommend that in lieu of the Ordinance one be substituted making the wages from July 1st, 1918, to January 1st, 1919, as follows:

	Per Month
First Year Patrolmen.....	\$112.50
Second Year Patrolmen.....	117.50
Third Year and Over Patrolmen..	122.50
Cornermen	127.50
Sergeants	132.50

Also that the Firemen be given an increase of \$5.00 per month. Further than this I think it is the duty of Council to at least consider the other city employes who have appealed to them for an advance in their salaries or wages.

The subject is of grave importance.

Everyone knows that it is difficult for men drawing ordinary salaries or wages to eke out an existence in the unusual times we are in. It is also of grave importance to the taxpayers of Pittsburgh, who are paying so much at the present time.

My recommendation for the above wages for the Police Force is based on the following facts:

We are very short of Patrolmen and find difficulty in filling our ranks. This arrangement gives the First Year Men, who are few in number, a substantial advance and should help in securing new members. It contemplates a Patrolman becoming a full-fledged, full-paid officer at the end of two years. In my judgment if a man is ever going to be a Police Officer he will arrive at that position in two years. Again, it takes a more level-headed, even-tempered man to be a Cornerman than a Patrolman. The Cornerman's work is incessant and painstaking and I think he should be paid a little more than the ordinary Patrolman. The amount recommended for the Sergeants (\$132.50 per month) is a fair distinction between the positions below them (Cornermen and Patrolmen) and the next higher position above them (the Lieutenants). This, to my mind, is a fair and more equitable arrangement than either the present or the one covered by your Bill No. 804.

I will devote any amount of time necessary to study over this wage-scale

with Council that Council may desire, commencing today. I recommend that any changes that are made become effective July 1st, 1918.

Very respectfully yours,
E. V. BARCOCK,
Mayor.

Which was read, and on motion of Mr. McArdle, received and filed.

Mr. Dailey presented

No. 1084. Resolution requesting the Mayor to return to Council, without action thereon, Bill No. 804, an Ordinance amending Section 23, Department of Public Safety, Bureau of Police, of an ordinance entitled, "An Ordinance fixing the number of officers and employees of all departments of the City of Pittsburgh, and the rate of compensation thereof, etc." which became a law February 18th, 1918, for further consideration.

Which was read.

Mr. Dailey moved

The adoption of the resolution. Which motion prevailed.

And the Mayor having returned, without action thereon.

Bill No. 804. An Ordinance entitled, "An Ordinance amending Section 23, Department of Public Safety, Bureau of Police, of an ordinance entitled, 'An Ordinance fixing the number of officers and employees of all departments of the City of Pittsburgh, and the rate of compensation thereof, etc.' which became a law February 18th, 1918."

In Council, June 24th, 1918. Bill called up, read and agreed to on second reading, as amended, bill read a third time and finally passed.

Which was read.

Mr. Dailey moved

To reconsider the vote by which the bill was read a second and third times and finally passed.

Which motion prevailed. And the question recurring, "Shall the bill be read a second and third times and finally passed?" The motion did not prevail.

Mr. Dailey moved

To amend the bill in Section 1, page 3, item "Forty-nine Sergeants, \$1644.00," strike out "\$1644.00" and insert in lieu thereof "1590.00"; item "Six hundred and ninety-nine Patrolmen," strike out the following:

"First year \$1290.00 each per annum.

UNFINISHED BUSINESS.

Bill No. 804. An Ordinance entitled, "An Ordinance amending Section 23, Department of Public Safety, Bureau of Police, of an ordinance entitled, 'An Ordinance fixing the number of officers and employes of all departments of the City of Pittsburgh, and the rate of compensation thereof, etc.' which became a law February 18th, 1918."

In Council, July 2nd, 1918. Recalled from the Mayor without action thereon, vote reconsidered by which the bill was read a second and third times and finally passed, and bill amended in Section 1, as shown in red, and as read a second time and amended, agreed to, and laid over for reprinting.

Which was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken agreeably to law, and were:

Ayes—Messrs.

Burke	Herron (Pres.)
Dalley	McArdle
English	Rauh
Garland	Robertson

Ayes—N.

Noes—none.

And a majority of the votes of Council being in the affirmative, the bill passed finally.

REPORTS OF COMMITTEES.

Mr. Garland presented

No. 1108. Report of the Committee on Finance for July 2nd, 1918, transmitting sundry papers to Council.

Which was read, received and filed.

Also, with an affirmative recommendation.

Bill No. 806. An Ordinance entitled, "An Ordinance amending a portion of Section 24, Department of Public Safety, Bureau of Fire, of an ordinance entitled, 'An Ordinance fixing the number of officers and employees of all departments of the City of Pittsburgh, and the rate of compensation thereof, etc.' which became a law February 18th, 1918."

In Finance Committee, July 3rd, 1918, Read and amended in Section 1, as shown in red, and as amended ordered returned to Council with an affirmative recommendation.

Which was read.

Mr. McArdle moved

That the amendments of the Finance Committee be agreed to.

Which motion prevailed.

And the bill, as amended in committee and agreed to by Council, was read.

Mr. Burke arose and said:

"Mr. President, I note through the press the action of the Firemen's Protective Association in the matter of their wage increase; the membership feel that as a labor body they have been unjustly treated and insultingly ignored, and they declare their feelings in no uncertain terms; they have deemed it necessary to appeal to other branches of organized labor for moral support in their effort to obtain the desired and necessary increase. On account of the fact that the Firemen's Protective Association feel they have been insulted and slighted; that they have not had a square deal and the committee representing their membership has not been justly dealt with, I would ask that this bill be set aside until such time as the Firemen's Committee, representing the members of the Bureau of Fire of this city, and the Mayor and Council meet for a further hearing on the bill. I hope this motion will prevail."

Mr. McArdle arose and said

"Mr. President, the only thing debatable under the motion is the time as the motion to lay on the table would not be debatable; but since the question has been raised and the reasons are given why the motion is made, I want to say that no reason has been advanced why the bill should be laid over for any length of time. The reason advanced for the making of this proposal has already been done. No representations have been made to which reference has been made, if the men who speak for the firemen made them are made gratuitous and without foundation in fact.

"No body of men has ever appeared before a committee of Council to present any plan of any nature that received as full and careful consideration and hearing as did the committee that presented the claim of the firemen upon the bills that were pending.

"The members of Council, or most of them, conferred with the Mayor and

with the Controller upon the larger proposition—chiefly of the financial problems that confronted the city; and after that conference and after a full hearing (I want to emphasize that), after a full hearing, when every member of Council who availed himself of an opportunity to be present at the meeting when it was held, should have been able to grasp all the reasons that could possibly be presented by the representatives of the firemen in favor of the bill there pending. There isn't anything promised in the reasons advanced for the passage of this motion that will bring any new light to the members of Council as a guide in passing judgment upon this bill in its present or any amended form. If any member of Council fails to understand this question, or fails to understand the firemen's position or contention, I don't think it is the firemen's fault or their representatives, because I give them credit for presenting their case fully, and the members of Council acted upon the bill in committee with knowledge as to what the firemen's contentions were and are.

"The only thing that is objectionable in the whole proposition is the thought of proposing to delay consideration of a bill based upon a contention that they have not been given a fair hearing. We know they have been given a fair hearing and if they had anything further to say it is their own fault that they did not say it then. If there is any insult, real or implied, in this whole proposition, it comes from the allegations made that Council has not given this matter full and fair consideration and have not given the firemen fair opportunity to present their case.

"I have looked at this question from all angles that I have been able to, and that necessarily involves the highly important angle of the city's finances; and as the result of looking at it in that way I supported this bill in its amended form in the committee, and I see absolutely no reason why action should be delayed on it today. I think action should be taken today and no delay should occur either for a week or any other time, or that we should have a further conference with the Mayor."

Mr. English arose and said:

"Mr. President, I seconded the motion offered by Mr. Burke to lay over for a week for the reason that I received a communication from the City Firemen's Protective Association, which is signed by the President and Secretary, a similar communication having been presented to Council. The closing paragraph of that letter reads:

"Resolved, That a committee of three be appointed by the Chairman, which shall include the President of the City Firemen's Protective Association, to present in person to the Mayor and Councils of the City of Pittsburgh. This request has the carefully considered judgment and conclusion of the members of the City Firemen's Protective Association."

"I take it that this communication is a protest against the pending ordinance

and the amount of the increase proposed to be granted to the members of the Bureau, and the men desire to be given an opportunity to present their case to the Mayor and the Council before final action is taken. No doubt that was the basis for the gentleman on my right making the motion for a week's delay. He intended following up that motion with another motion that we hold a conference with the Mayor, the City Controller and the representatives of the Firemen's Protective Association. It seems to me that nothing will be hurt by delaying it a week.

"I believe their request should be granted and for that reason I seconded the motion to lay on the table for one week."

Mr. Burke moved

That the bill be laid over for one week.

Upon which motion, Mr. English demanded a call of the ayes and noes, and the demand having been sustained, the ayes and noes were ordered taken, and being taken were:

Ayes—Messrs.	
Burke	English
	Rauh
Noes—Messrs.	
Dailey	Herron (Pres.)
Garland	McArdle
	Robertson

Ayes—3.

Noes—5.

And there not being a majority of the votes in the affirmative, the motion did not prevail.

Mr. Garland moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time.

Mr. English moved

To amend the bill in Section 1 by striking out all figures shown in Italics and by inserting in lieu thereof all figures shown in brackets.

Mr. Burke arose and said:

"Mr. President, I second the motion. My reason for doing so is simply because my motion to lay it over for one week did not prevail, so that the representatives of the firemen could meet with the Council and the Mayor. I am, therefore, in favor of the original increase asked for."

Mr. English arose and said:

"Mr. President, I have made this motion with the full knowledge of what it portends. I fully realize that it increases the expenses of the City of Pittsburgh. I realize that the passage of any bill increasing the salary of any person in the employ of the City means an increase in the taxation. I also fully recognize that such action taken after the close of the budget is an increase in the millage for next

year. It will mean a deficit this year.

"This deficit, however, could be avoided this year if Council would cut out such fool things as a new automobile for the Mayor's office at a cost of \$2,500. The Mayor is reported as having spent \$500,000.00 to get his present job, part of which went to the German-American Alliance, and he can certainly afford to buy his own car if he needs a new car. He has said that he can get the money to pay the policemen's increase by joining with the Controller in declaring that an emergency exists. Why can't he declare an emergency so as to allow the firemen an advance worth while? Why make fish of one and flesh of another? If we had held the conference with the Mayor and the Directors when making the budget we could have adjusted these matters months ago. But we did not get complete co-operation from the Mayor and his Directors. I tried hard enough, and pled with Council for such co-operation, but did not get same.

"I am willing to go before the people of Pittsburgh and explain to them why I am in favor of granting an adequate increase to the compensation of the members of the Bureau of Fire. We know men are leaving the city and going into other lines, because they will not stay on the police force or the fire department when they can get higher wages from others.

"I feel sure that it is our duty to provide reasonable living conditions to enable the city employees to obtain ordinary comforts and necessities of life. This would take them out of politics, as I tried to do in a resolution on the subject a few weeks ago. If we could take the men out of politics the amount of money involved in my motion would be a very good investment for the people of Pittsburgh. I for one feel that I am able to show the people that this would be a good investment.

"I am glad I did not participate in the conferences held between the Mayor and the Council on the increase for the policemen and firemen. I know that it is the business of the Council to make the budget and they can remake it from week to week and month to month throughout the year; and if the Mayor does not want to join in an emergency because he is not satisfied with our action let the blame fall where it belongs."

Mr. Rauh arose and said:

"Mr. President, I wish to say that I would like to see this motion go through, but knowing what I know, even if it were passed here it would be vetoed by the Mayor, and the firemen would lose this additional amount that they are now going to receive. The increase is not satisfactory to them, and it is not satisfactory to me, but at the same time it is sort of a compromise. Therefore, having in view what has been said on this subject by the Mayor in conference I am going to support the bill as amended; in other words, I propose to vote for the \$5.00 increase."

Upon which motion, Mr. English de-

manded a call of the ayes and noes, and the demand having been sustained, the ayes and noes were ordered taken, and being taken were:

MOTIONS AND RESOLUTIONS.

Mr. Robertson presented

No. 1113.

Resolved, That the Mayor, the City Solicitor and the Director of the Department of Public Safety be and they are hereby requested to attend a conference with the members of Council on Wednesday, July 10th, 1918, at 10 A. M., in the Council Committee Room, for the purpose of devising a way by which any member of the Bureau of Fire, who may wish, can be transferred to the Bureau of Police without prejudice to his interest in the Firemen's Pension Fund.

Which was read.

Mr. Robertson moved

The adoption of the resolution. Which motion prevailed.

Mr. Robertson moved

That the matter be taken up with the Civil Service Commission, of increasing the age limit in the Police Bureau from 36 to 45 years.

Which motion prevailed.

The Chair presented

No. 1114.

Whereas, Numerous requests have been presented to Council for increases in salaries and wages involving large sums of money; and

Whereas, Council has already acted favorably upon ordinances increasing the compensation of men in certain bureaus to an extent involving the depletion of the appropriations before the expiration of the fiscal year; and

Whereas, As the result of the discussion of this subject with the Mayor and the Controller, it is made plain that further expenditures cannot be made without involving large deficits which could only be met by the Mayor declaring an emergency and the passage of an emergency appropriation, which would involve the necessity of levying large sums in taxes next year for the payment of this year's financial obligations; and

Whereas, It is not desirable to confront the Mayor with the necessity of declaring an emergency for such purpose, nor to impose additional obligations on next year's tax levy; therefore, be it

Resolved, That the Clerk of the Finance Committee be instructed to endorse all ordinances or petitions that are now before the Finance Committee or that may in the meantime be introduced as being referred to the Finance Committee during its meetings held for the consideration of the annual budget.

Which was read.

Mr. Dalley moved

The adoption of the resolution.

Mr. Burke arose and said:

"Mr. President, the resolution is superfluous. There cannot be any increase in salary unless there is money in some fund with which to pay same. We all know that the law says the Mayor must declare an emergency. We can pass all the ordinances we desire increasing salaries; but if there is no money there they are not legal, and on the other hand, if the Mayor believes, in his judgment, an emergency exists, he can send in an emergency appropriation ordinance. The Controller must join in this with the Mayor.

"I believe that the firemen should receive an adequate increase in compensation and that this increase should be taken care of at the end of the fiscal

year, the same as is proposed in the case of the policemen. If a deficit should result in either case an emergency appropriation should be submitted to Council jointly by the Mayor and the City Controller.

"I am not unmindful of the taxpayers in this case, however. I believe the people of Pittsburgh are loyal enough to pay their employees adequate wages.

"I believe a re-adjustment of the firemen's salary should be made before the resolution is put into effect. I am, therefore, compelled to vote against the adoption of the resolution."

Mr. English arose and said:

"Mr. President, I am opposed to the passage of this resolution. You will remember that during the making of the budget I made some mighty strenuous efforts to have conferences with the Mayor and his Directors in an effort to reach an amicable understanding on salary increases and other matters affecting the finances of the City and to ascertain whether or not the requests for appropriations submitted by the different departments were justifiable. Of course, you know the result of my efforts. We did not have many such conferences. We did have a few, such as on motor vehicles, and we reached an understanding. But the final result was a veto by the Mayor.

"I don't believe we should hide behind a resolution of this kind. It is merely hunting some kind of a protection for the Mayor. If it is the desire of the Council to increase salaries, and any such increase receives sufficient votes to do so, there is no reason why such increases should not be made. We should stand up and do what we believe is just and fair to the city employees as well as the taxpayers of Pittsburgh.

"I don't care to tie myself up by voting for this reason. This could have been avoided if the Mayor and the Directors had listened to my suggestions and motions for conferences with us during the budget making. These matters could have been adjusted in a satisfactory manner, just as the item for motor vehicles was. If we now pass this resolution we are simply locking the door after the horse has gone.

"There are a number of ordinances pending in committee which I believe have sufficient merit in them to be adopted by the Council. However, I don't care to discuss them at this time.

"I am opposed to the adoption of the resolution which could be used to

kill any worthy bills which may come before us from time to time."

Mr. Rauh arose and said:

"Mr. President, there are several ordinances pending in committee I would like to vote for, because there is merit in them. However, we must stop somewhere. We owe this to the taxpayers and the people of Pittsburgh who elected us as their representatives.

"It is only a few months until budget time and then all cases can be given careful consideration. I think at the present time it is our duty to look strongly to the taxpayers of Pittsburgh who are already overburdened with taxation. I therefore propose to vote for the resolution."

Mr. Burke moved

That the resolution be laid over for ten days.

Upon which motion, Mr. Burke demanded a call of the ayes and noes, and the demand having been sustained, the ayes and noes were taken, and being taken were:

Ayes—Messrs.	
Burke	English
Noes—Messrs.	
Dailey	McArdle
Garland	Rauh
Herron (Pres.)	Robertson

Ayes—2.

Noes—6.

And there not being a majority of the votes in the affirmative, the motion did not prevail.

And the question recurring on the adoption of the resolution, Mr. English demanded a call of the ayes and noes, and the demand having been sustained, the ayes and noes were taken, and being taken were:

Ayes—Messrs.	
Dailey	McArdle
Garland	Rauh
Herron (Pres.)	Robertson

Noes—Messrs.	
Burke	English

Ayes—4.

Noes—2.

And a majority of the votes of Council being in the affirmative, the motion prevailed.

And on motion of Mr. Dailey.

Council adjourned.

DEPARTMENT OF CITY CONTROLLER.

Pittsburgh, July 15th, 1918.

To to the Council.

Gentlemen:—I find on my file of Council for consideration today, Bill No. 1095, File No. 537, which makes provision for the decoration of the City-County Building and the North Side City Hall during the week of July 29th, for the convention of the Fraternal Order of Eagles. This is not legal, nor is it a war measure, and I put a stop to this sort of thing years ago. From the amount which we have paid to the Liberty Flag and Decorating Company and others we should have all the decorations which we need if it is the City's desire to decorate the buildings. I will not pay the bill unless otherwise instructed, as it is time that this practice stopped.

Respectfully,

E. S. MORROW,

City Controller.

Which was read, received and filed.

REPORTS OF COMMITTEES.

Mr. Garland presented

No. 1163. Report of the Committee on Finance for July 9th, 1918, transmitting sundry papers to Council.

Which was read, received and filed.

Also, with an affirmative recommendation.

Bill No. 944. Resolution authorizing the issuing of a warrant in favor of Miss Carrie Turnbull in the sum of \$250.00, in full settlement of her claim against the City of Pittsburgh for damages caused by injuries sustained on March 24th, 1918, when she fell through a defective bridge way on Gladstone street, near Windsor street, and charging the same to Code Account No. 42, Contingent Fund.

Which was read.

Mr. Garland moved

A suspension of the rule to allow the second and third readings and final passage of the resolution.

Which motion prevailed.

And the rule having been suspended, the resolution was read a second and third times, and upon final passage the ayes and noes were taken, and being taken were:

Ayes—Messrs.
Burke Herron (Pres.)
Bailey McArdle
Garland Rauh
Robertson

Ayes—7.

Noes—none.

And there being two-thirds of the votes of Council in the affirmative, the resolution passed finally.

Also

Bill No. 1082. Resolution authorizing the issuing of a warrant in favor of Mrs. Mary Sheehan for \$100.00, in full settlement of her claim for damages to her personal property and residence at No. 9 Sylvan avenue, due to the overflow of a street gutter left in an unsafe condition by the Bureau of Highways and Sewers, and charging the same to Code Account No. 42, Contingent Fund.

Which was read.

Mr. Garland moved

A suspension of the rule to allow the second and third readings and final passage of the resolution.

Which motion prevailed.

And the rule having been suspended, the resolution was read a second and third times, and upon final passage the ayes and noes were taken, and being taken were:

Ayes—Messrs.
Burke Herron (Pres.)
Bailey McArdle
Garland Rauh
Robertson

Ayes—7.

Noes—none.

And there being two-thirds of the votes of Council in the affirmative, the resolution passed finally.

Also

Bill No. 1088.

Whereas, The following bills for material and equipment were contracted for by the Department of Supplies without competitive bids, and certain requisitions presented to said Department during the week from June 29th to July 6th, 1918, to confirm purchases made by the several departments, and consequently can be paid only by authority of a resolution passed by Council in conformity with the Act of 1874, and

DEPARTMENT OF LAW,

City of Pittsburgh, Penna.,

July 15th, 1918.

Finance Committee of Council.

Gentlemen:—On Bill 1086, an ordinance prohibiting the burning and wasting of wood, etc., I beg to report:

Section 4 of said ordinance is not in proper form because of the fact that it purports to create a misdemeanor, and I recommend the following substitute for said section:

Section 4. Any violation of the provisions of the first section of this ordinance shall subject the offender to a fine of not less than \$5.00 nor more than \$25.00 for each offense in a proceeding for summary conviction before any police magistrate or alderman of the City of Pittsburgh, and in default of the payment of said fine and costs, said offender should be committed to the Allegheny County Jail for a period not to exceed ten (10) days.

Yours truly,

CHARLES A. O'BRIEN,
First Asst. City Solicitor.

Which was read, received and filed.

Mr. Garland moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time.

Mr. Burke moved

To amend the bill by striking out the following:

"Section 4. Any person, firm or corporation violating the provisions of the first section of this ordinance shall be held to be guilty of a misdemeanor, and upon conviction thereof before any police magistrate or alderman of the City of Pittsburgh, shall be subject to a fine not less than five dollars (\$5.00) nor more than twenty-five dollars (\$25.00) and in default of the payment of said fine and costs, shall be committed to the Allegheny County Jail for a period not exceeding ten (10) days for each offense."

And by inserting in lieu thereof the following:

"Section 4. Any violation of the provisions of the first section of this ordinance shall subject the offender to a fine of not less than \$5.00 nor more than \$25.00 for each offense in a proceeding for summary conviction before any police magistrate or alderman of the City of Pittsburgh, and in default of the payment of said fine and costs, said offender shall be committed to the Allegheny County Jail for a period not to exceed ten (10) days."

Which motion prevailed.

And the bill, as read a second time and amended, was agreed to.

And the bill was laid over for re-printing.

Also, with a negative recommendation,

Bill No. 514. An Ordinance entitled, "An Ordinance creating a bureau, under the direction and control of the Director of the Department of Public Safety, to be known as the Bureau of Home Defense, Department of Public Safety; providing for the employes of said bureau; fixing the salaries thereof, and fixing the duties of said bureau."

Dailey	McArdle
Garland	Rauh
	Robertson

Ayes—7.

Noes—none.

And a majority of the votes of council being in the affirmative, the bill passed finally.

MOTIONS AND RESOLUTIONS.

Mr. Rauh presented

No. 1168. Resolved, That the Mayor and the Directors of the various executive departments of the City of Pittsburgh be and they are hereby authorized to permit a two weeks' vacation, with pay, to all city employees who work on a per diem basis and who have been in the employ of the city for a period of one year, provided such vacation can be arranged for without the expenditure of additional money for substitute employees and

without reduction in the service rendered to the public by any department or division thereof affected by the provisions of this resolution.

Which was read.

Mr. Rauh moved

The adoption of the resolution.

Mr. Burke arose and said:

"Mr. President, I desire to interrogate the sponsor of the resolution?"

The Chair:

"You may."

Mr. Burke:

"Mr. Rauh, does your resolution mean that the city employees working on a per diem basis will receive a vacation if it don't require the expenditure of any money?"

Mr. Rauh:

"Yes, sir. We were told by some of the directors that it would be arranged among the men to do the work of each other while off on vacation."

Mr. Burke:

"How can you let a number of men off on vacation without the expenditure of money?"

Mr. Rauh:

"It is done in every business house in the City. One man agrees to do the work of the other while he is off on vacation. It is also done in the case of sickness. If the men on duty agree to do the work of the men absent there is no necessity for the hiring of additional employees for the period of the vacation or sickness, whichever it may be."

Mr. Burke:

"You mean, then, if a man receives a vacation that the other employee will do his work; work overtime to perform the service of the man while he is off?"

Mr. Rauh:

"Yes, he will work overtime if need be to keep up the work in his department. By this method the taxpayers of Pittsburgh will not be called upon to furnish additional money in the way of taxation, and at the same time the city employee will be given a vacation."

Mr. Burke:

"I am not talking about the taxpayers, I am asking a question directly to this resolution?"

Mr. Rauh:

"It is necessary in connection with the consideration of this matter to eliminate any expense which might fall on the taxpayers of the city who are already overburdened with taxation."

Mr. Burke:

"I asked you if under your resolution it will require men to perform the service of others; that the men who remain on duty while the others are off on vacation will perform the service of those off duty?"

Mr. Rauh:

"They should help to perform that service. I don't mean to say one man should perform the service of two or three men in his department who should happen to be off at the same time. I mean that if there were six or eight men off and six would remain on duty during the period of the vacation those six would pitch in and try to do the work of those off duty."

Mr. Burke:

"I move that this resolution lay over for one week and that each member of Council be furnished a copy."
(The motion was not seconded.)

Mr. Rauh:

"I rise to a point of order. The motion has not been seconded."

The Chair:

"I have not heard a second to the motion."

Mr. Burke arose and said:

"Mr. President, the resolution looks like a lemon to me. You are going to pretend to give the men a vacation provided it does not cost the city any money. How can you give a vacation without an additional cost, or is it the intention that men should work overtime without pay to keep up the work of the men who are off on vacation? If it is the latter, then it is ridiculous. If we are going to give them a vacation, give it to them just like any other city employee who gets a vacation. What difference is there between a man who works all year round who receives a per diem wage and the man who receives a monthly salary? If the monthly man is entitled to a vacation I believe the per diem man who works all year is entitled to one also."

"If we are going to give the men a vacation, let us give it to them without any strings attached to it. If we don't want to give the men a vacation don't fool them by passing this resolution."

Mr. Rauh arose and said:

"Mr. President, I will not attempt to answer the gentleman as to his statement about the resolution being a lemon or that we are trying to hand the per diem city employees a lemon. That is not so. This is a plain resolution requesting the Mayor and the Directors of the Departments to make arrangements to give the per diem employees a vacation. If this is done the men on duty will double up in their work and try to keep it going as nearly up to the standard as if all the men were on duty. The resolution

of course provides that a man should have been in the service for at least one year. We all recognize that it is not fair or proper for a man who has not worked a year to ask for a vacation.

"I have always tried to be fair to the taxpayers of Pittsburgh as well as the employees who work for the city. The gentleman is accusing me unjustly when he says that I am handing them a lemon. It is my duty to help relieve the taxpayers of any further increase in taxation as it is within my power to do. We all realize that the people of Pittsburgh are now overburdened with taxation. My resolution works no hardship on the per diem men, and it also adds the taxpayers."

Mr. Burke arose and said:

"If what the gentleman says is true, then why don't he make the motion to eliminate from the resolution that part which relates to the fact that vacations will be given if it don't cost the city any more money and other men will do the work. The per diem man who works all year round is entitled to a two weeks' vacation, and the poorly paid laboring man is just as much entitled to a vacation as any other city employee. If the restrictions are eliminated from the resolution I will vote for it. I would move to strike out everything that puts a string on the resolution giving the men a vacation, and I ask the author of the resolution to second my motion. This will give the man who works the entire year a two weeks' vacation if such is the purpose."

And the question recurring on the adoption of the resolution, the motion prevailed.

Mr. Robertson presented
No. 1169.

Resolved, That there shall be no regular Council or committee meetings from Friday, July 26th, 1918, to Monday, September 9th, 1918.

Which was read.

Mr. Robertson moved

The adoption of the resolution.
Upon which motion, the Chair ordered a call of the ayes and noes, and

the ayes and noes were taken, and being taken were:

Ayes—Messrs.
Dalley
Garland
McArdle

Rauh
Robertson

Noes—Messrs.
Burke Herron (Pres.)

Ayes—5.

Noes—2.

And a majority of the votes of Council being in the affirmative, the motion prevailed.

Hon. E. V. Babcock, Mayor, being given the privilege of the floor, said:

"Mr. President and Gentlemen of Council:—My reason for appearing before you at this time is to inform you that the City has a lot of liability insurance policies, two of which expire today and others expiring this year. This liability insurance covers elevators and boilers in the Diamond Market House and boilers in the various pumping stations of the Bureau of Water. The policies that expire today cover insurance on the elevators and boilers in the Diamond Market House; the premium on the elevators being \$378.00, and that on the boilers amounting to \$135.00; the period being for three years.

"I am informed that Council has not appropriated any money for this purpose and before any action is taken I would like to learn Council's attitude in regard to this matter.

"I would ask that Council, if it is its desire, give me permission to renew the policies that expire today, and at some future time, suitable to Council, the other matters affecting insurance can be discussed."

Mr. Dalley moved

That it be the sense of Council that the Mayor be authorized to renew the policies that expire today and that he have resolutions prepared and introduced in Council providing for the necessary funds.

Which motion prevailed.

And on motion of Mr. Garland
Council adjourned.

MOTIONS AND RESOLUTIONS.

The Chair presented

No. 1203

City of Pittsburgh, Penna.,

July 22nd, 1918.

President and Members of Council of the City of Pittsburgh.

Gentlemen—I would ask that the Ordinance providing for contract between the City of Pittsburgh, the West Liberty Street Railways Company, the Receivers of the Pittsburgh Railways Company, and others be recalled for amendment.

We are desirous of having this work completed during the present season if possible and I think provision should be inserted in the Ordinance requiring that the work provided for therein should be completed, if possible, during the present season and should be commenced immediately. Would therefore suggest that the Ordinance be recalled for the purpose of being so amended.

Very respectfully yours,

E. V. Babcock,

Mayor.

Which was read, received and filed.

Mr. McArdle presented

No. 1204. Resolved, That the Mayor be and he is hereby requested to return to Council, without action thereon, Bill No. 1005, An Ordinance authorizing the proper officers of the City of Pittsburgh to enter into a contract between the West Liberty Street Railway Company, Pittsburgh and Birmingham Traction Company, United Traction Company of Pittsburgh; James D. Callery, H. S. A. Stewart and Charles A. Fagan, Receivers of the Pittsburgh Railways Company, and the City of Pittsburgh; providing for the temporary abandonment and removal of railway tracks, poles and wires in that portion of Warrington avenue between Montooth street and Boggs avenue, in the Nineteenth ward of the City of Pittsburgh, for the period of twenty-five (25) years, subject to the terms and provisions of said contract, for the purpose of further consideration.

Which was read.

Mr. McArdle moved

The adoption of the resolution.

Which motion prevailed.

And the Mayor having returned, without action thereon

Bill No. 1005. An Ordinance entitled, "An Ordinance authorizing the proper officers of the City of Pittsburgh to enter into a contract be-

tween the West Liberty Street Railway Company; Pittsburgh and Birmingham Traction Company; United Traction Company of Pittsburgh; James D. Callery, H. S. A. Stewart and Charles A. Fagan, Receivers of the Pittsburgh Railways Company, and the City of Pittsburgh, providing for the temporary abandonment and removal of railway tracks, poles and wires in that portion of Warrington avenue between Montooth street and Boggs avenue, in the Nineteenth ward of the City of Pittsburgh, for the period of Twenty-five (25) years, subject to the terms and provisions of said contract."

In Council, July 15th, 1918, Committee amendments agreed to. Rule suspended, bill read three times and finally passed.

Which was read.

Mr. McArdle moved

To reconsider the vote by which the bill was read a second and third times and finally passed.

Which motion prevailed.

And the question recurring, "Shall the bill be read a second and third times and finally passed?"

The motion did not prevail.

Mr. McArdle moved

That the bill be recommitted to the Committee on Public Service and Surveys.

Which motion prevailed.

Mr. Robertson presented

No. 1205. Resolution authorizing the issuing of a warrant in favor of Chas. F. Wall for the sum of \$—, in full settlement and satisfaction of all moneys due the said

Chas. F. Wall under resolution heretofore passed by Council being No. 109, Series 1917, recorded in Volume 3, page 295. Said sum to be paid as aforesaid being the present worth of the moneys due said Mr. Wall under the terms of said resolution less a discount of ten (10) per cent, and charge the same to Appropriation No. 42, Contingent Fund.

Which was read and referred to the Committee on Finance.

The Chair presented

No. 1206.

Pittsburgh, Pa., July 22nd, 1918.

To the President and Members of Council of the City of Pittsburgh.

Gentlemen:—We herewith re-submit for further consideration of your Honorable Body copies of the demands of the City Firemen. Copy of these demands are also being furnished to the Mayor and the Director of the Department of Public Safety.

Either of the two wage scales submitted will be acceptable. We respectfully ask that you give our demands immediate consideration.

We feel it proper to again submit our demands to the Council, as there is yet sufficient time to adjust the wage controversy before the Federal War Labor Board is required to come to Pittsburgh and adjust the same.

Very respectfully,

(Sd.) JOHN T. CONLEY,

(Sd.) HERMAN J. WEIHRAUCH,

(Sd.) CORNELIUS P. HALPIN,

(Sd.) THOS. J. HOLLERAN.

Which was read and referred to the Committee on Finance.

Dear Sir—Please call a special meeting of Council for Friday, August 2nd, 1918, at 2:00 o'clock, P. M. for the purpose of taking up such business as may come before the meeting.

Yours very truly,

John S. Herron,
President of Council.

Which was read, received and filed.

Present—Messrs.

Burke	Herron (President)
Dalley	McArdle
English	Rauh
Garland	Robertson

Absent—Mr. Kerr.

The Chair stated that if there were no objections, the minutes of the meetings of Council for July 8th and 15th, 1918, would be approved.

Mr. Robertson moved

That the approval of the minutes of the meetings of Council for July 8th and 15th, 1918, be withheld for the present.

Which motion prevailed.

MAYOR'S OFFICE.

Pittsburgh, July 31st, 1918.

President and Members of Council of the City of Pittsburgh:

Gentlemen—I have approved Bill No. 1179, being a Resolution providing \$600.00 for the decoration of the City-County Building and the North Side City Hall July 29th.

In this connection I desire to state to Council that I disapprove of the method the City has in decorating its buildings and recommend that provision be made for the City to own its own decorations and that they be put up by our own employees from time to time as may be desired. This would put a stop to the eternal expense of frequently decorating the buildings as is now being done at great cost.

In the future I shall disapprove Resolutions of this kind, because there is a more economical and better way to accomplish the same purpose.

Very respectfully yours,

E. V. Babcock.

Mayor.

MAYOR'S OFFICE.

Pittsburgh, July 31st, 1918.

President and Members of Council
of the City of Pittsburgh.

Gentlemen—I herewith submit to you the original report of Director Davis of the Department of Public Health relative to the condition of the sterilizing plant and the heating plant of the Municipal Hospital and recommend, after careful study, that immediate provision be made for the improvement of these two plants, the cost of same being estimated at \$10,000.00.

Knowing that Council is planning to have no further sessions during the month of August, I would be pleased if Council would give its tentative approval for these improvements that the work may be started forthwith and that proper legislation for same follow as soon as its vacation period is over.

The sterilizing plant, necessary indeed, is entirely out of commission. The heating plant is worn out and positively must be rebuilt before cold weather sets in. Realizing the difficulties of quick action in things of this kind owing to the times we are in, I make the above request of you.

Very respectfully yours,

E. V. Babcock,

Mayor.

MAYOR'S OFFICE.

Pittsburgh, July 30th, 1918.

President and Members of Council
of the City of Pittsburgh.

Gentlemen—An Ordinance (Bill No. 1010) authorizing the leasing of a building site on City property at the corner of Water and Smithfield streets, that is now before you for your consideration, has been called to my notice.

I think you have acted wisely in holding up this proposition. First, the Art Commission is very much opposed to the City erecting temporary structures on the Monongahela wharf. I am of the opinion that as far as their judgment goes in opposing the erection of stores and fruit stands or similar things on the wharf they are right. Some movement for a large and beneficial improvement of the Monongahela Wharf faces you and faces me and any little building that might be in the way I would be very much opposed to.

The study of the improvement of the river fronts in connection with the raising and rebuilding of our bridges is now being seriously considered. I would be opposed even to a temporary lease for a part of the wharf property on account of possible legal obstacles in having it removed and very much opposed to anything like a five year lease of a brick building.

Very respectfully yours,

E. V. Babcock.

Mayor.

Mr. John S. Herron, President and Members of City Council.

Gentlemen—I desire to inform you that the money provided for the emergency dam at Aspinwall has been well spent. Had it not been for the erection of this dam there is no doubt but what the City would have been practically out of water for the last three weeks except for the small amount which we would have been able to procure from the Montrose Plant and which would have been about one-fourth our actual need.

I would also say in connection with this that this dam has probably kept the Pennsylvania Water Company in supply of water for use of all the contiguous boroughs.

U. S. A. Base Hospital No. 77,

Camp Upton, Long Island, N. Y.
August 30, 1918

To the Honorable, The President and Members of the Pittsburgh Council, Pittsburgh, Pa.

Gentlemen:

I hereby tender my resignation as a member of the Pittsburgh Council, to take effect September 15, 1918.

I am inspired to take this action because of the fact that I will be unable to give any of my time to the work of the Pittsburgh Council. I, as you know, have enlisted in the service of the Government and I find that my duties take me overseas. I am delighted to be able to render service to the Government at this time. I learned through my experience in the cantonment hospitals in this country, that there is great work to do here, and as the demands upon the surgical profession are much greater along the battle line, I feel that it is my duty, and a great privilege, to proceed to the field of greater activity. I am also extremely anxious to get to the front in the hope that I may be able to see my son, who is actively en-

gaged with the One Hundred Tenth Regiment.

It is with many regrets that I take this action at this time, and if it were not for the fact that I will not likely be able to return to my city until after the period of my tenure of office shall have expired, I should hesitate to tender my resignation. I believe, however, the people of Pittsburgh are entitled to a full representation, and that I would not be doing my duty to the citizens of Pittsburgh who in the past have placed so much confidence in me, if I did not resign in order to allow you to select my successor, who will be able to devote his time to the work of the City of Pittsburgh.

I want to take this opportunity to thank the members of the Council and the citizens of Pittsburgh for the many courtesies extended to me.

Hoping that I may soon be able to return to my country and my city, to resume my useful occupation in life. I am, most sincerely,

Your obedient servant,

JAMES P. KERR.

Which was read.

Mr. Garland moved

That the communication be received and filed, and the resignation be accepted with regrets, and that a committee of three be appointed to prepare a suitable resolution to be placed on the records of Council.

Which motion prevailed.

And the Chair appointed as members of said committee, Messrs. Garland, McArdle and English.

Mr. Garland moved

That Council send for the Mayor and go into an election of a successor to Major Kerr, to take effect Monday, September 16th.

Mr. Robertson seconded the motion.

Mr. McArdle arose to a point of order.

"As there is no vacancy at the present time, and as the vacancy does not occur until after next Sunday, September 15th, Council has no right to anticipate a vacancy which does not at present exist, and anything done now would be clearly outside the law."

The Chair ruled

The point of order "Well taken."

Mr. Garland stated

That he was perfectly satisfied with the ruling.

REPORTS OF COMMITTEES.

Mr. Garland presented

No. 1360. Report of the Committee on Finance for August 2nd, 1918, transmitting a resolution to Council.

Which was read, received and filed.

Also with an affirmative recommendation.

Bill No. 1072. Resolution authorizing the issuing of a warrant in favor of George Leeman for the sum of \$4,250.00, in full payment and compensation for all damages to his property arising out of and by reason of the slide caused by the grading and construction of Spencer street, said sum to be paid upon the execution and delivery of a deed of general warranty by the said George Leeman to the City of Pittsburgh, free and clear of all encumbrances, for the premises at 7205 Spencer street, and release of all further claim for damages resulting to him by reason of the improvement aforesaid. Said sum to be charged to Code Account No. 42 (Contingent Fund).

Which was read.

Mr. Garland moved

A suspension of Rule VIII, which provides that all bills, ordinances and resolutions, when returned from committee, shall be printed and a copy mailed to each member at least 48 hours previous to a meeting of Council.

Which motion prevailed.

Mr. Garland moved

A suspension of the rule to allow the second and third readings and final passage of the resolution.

Which motion prevailed.

And the rule having been suspended, the resolution was read a second and third times, and upon final passage the ayes and noes were taken, and being taken were:

Ayes—Messrs.

Burke	Herron (Pres.)
Dailey	McArdle
English	Rauh
Garland	Robertson

Ayes—8.

Noes—none.

And there being two-thirds of the votes of Council in the affirmative, the resolution passed finally.

REPORTS OF SPECIAL COMMITTEES.

Mr. Robertson presented

No. 1361.

Pittsburgh, August 12th, 1918.

To the President and Members of Council.

Gentlemen:—The committee, composed of the undersigned, to which was referred the question of damages to the property of Mrs. Williamson, due to the improvement of Arbor street, beg leave to report that they have carefully examined the property in company with Engineer Reed, of the Bureau of Engineering, and are of the opinion that the City should protect the property by the installation of the necessary retaining walls and steps, replacement of foundation walls and the other repairs made necessary by the

disturbances caused by the said improvement.

We are informed by Mr. Reed that these improvements can be made at a cost of approximately \$3,000.00, and we recommend that this be done, and that the Director of the Department of Public Works be directed to have the work performed at the earliest possible date.

Respectfully submitted.

P. J. McARDLE,

JOHN S. HERRON,

W. H. ROBERTSON.

Which was read, an on motion of Mr. English, received and filed, and report accepted.

MOTIONS AND RESOLUTIONS.

Mr. McArdle moved

That Bill No. 1286, entitled,

"An Ordinance providing for the appointment of twenty-two (22) additional detectives in the Bureau of Police, and fixing salaries therefor," and Bill No. 1319, entitled, "An Ordinance amending Section 65 1-2, Department of Public Works, Bureau of City Property, City-County Building, of an ordinance entitled, 'An Ordinance fixing the number of officers and employees of all departments of the City of Pittsburgh, and the rate of compensation thereof, etc.,' which became a law February 18th, 1918," be referred to the Committee on Finance and considered by said committee, and that the resolution be waived which provides for the consideration of salary bills by the Budget Committee.

Which motion prevailed.

An on motion of Mr. Dalley,

DEPARTMENT OF CITY
CONTROLLER.

Pittsburgh, September 16, 1918.

To the Council.

Gentlemen:—In answer to your request of September 11th, "That the City Controller be requested to advise Council, in writing, whether the passage of the ordinances would become a charge on the city as soon as the ordinances are passed," would say that the passage of the improvement ordinances in itself does not necessarily become a charge against the city; but if the Director of the Department of Public Works should deem it his duty to follow the instructions contained in the ordinances and advertise for bids and award a contract, then the estimated cost would be charged to the Floating Debt which is a part of the two (2) per cent (Councilmanic) debt.

The Councilmanic debt on June 30th was \$12,687,818.22. The limit is amply sufficient to allow the contracts made under these ordinances to be countersigned unless the estimates of the cost of the work would aggregate more than \$2,000,000.00.

I would, in this connection, quote from the circular issued by the Capital Issues Committee, as follows:

"II. Municipal Expenditures. — The amount of capital invested in municipal bonds every year is very large, and if this amount, or a substantial portion thereof, could be saved, the funds of investors and savings banks would be available in corresponding amounts for the use of the National Government. There are certain classes of municipal improvements and expenditures which should wholly cease, such as parks and betterments solely designed for purposes of appearance or architecture. All others should be curtailed and postponed until after the war whenever possible. This applies to public buildings, hospitals, street

and road construction, waterworks extensions, sewerage and drainage improvements, sidewalks, etc. Ordinarily only a small proportion of the improvements planned by a municipality are of such a character that they cannot be postponed for a period without endangering the health or welfare of the community."

Respectfully,

E. S. MORROW.

City Controller.

Which was read.

Mr. McArdle moved

That the communication be received and filed.

Which motion prevailed.

The Mayor, Hon. E. V. Babcock, being present

Mr. Dalley moved

That Council go into an election for the purpose of electing a member to succeed Major James P. Kerr, resigned.

Which motion prevailed.

Mr. Robertson arose and said:

"Mr. President:—It is with mingled feeling of regret, pride and pleasure that I arise to nominate Daniel Winters. But from the inception of the small Council, Dr. J. P. Kerr discharged his duties as a member of this body with a zeal and sense of civic pride unexcelled by any other member. His popularity and the voters' appreciation of his ability have been attested upon different occasions by big majorities.

"When our country entered this great war he laid aside a highly remunerative private practice as a physician, he retired from a high civil office where he had won the confidence of and the esteem of his fellow-citizens and contributed his valuable services to the Government, which has been recognized by conferring upon him the title of Major.

"So while regretting the loss this Council and myself have sustained, and been deprived of the Doctor's valuable experience, ability and congenial companionship, I am proud to have been associated with him as a fellow Councilman and that our branch of the City Government is so capably represented in the high service of our country.

"As we must turn from the past to the future, so it is with pleasure that I contemplate one who I hope will be Dr. Kerr's successor. In this city of toilers it is fitting to have a man who has worked himself up from the humblest of their ranks and helped create our city legislation. Honest application, broadness of vision and liberality of thought are most desirable requisites for this important office. My candidate had fourteen years' experience in the laborious trade of the window glass workers; won elevation by his fellow toilers electing him to

the high position of President of their National Association. For four years and nine months he performed the exacting duties of a police magistrate; for four years he held a responsible position in the Sheriff's office; for six months he has been assistant to the Director of the Department of Public Safety; and for all these years never a breath against his character, in private or public life, but always recognized as a soul of honor, clean, capable, courageous, experienced in many of the most important municipal activities; of a creative mind, ever courteous. If my candidate is chosen, as I hope and believe he will be, I am satisfied that his family, his city, this councilmanic body and his associates at the end of his term will be proud of the record, standing and achievements of Councilman Daniel Winters."

Mr. Rauh arose and said

"Mr. President:—It gives me great pleasure, indeed, to second the nomination of Mr. Daniel Winters. I am satisfied that he is an honest, capable and trustworthy young man. I am confident that he will, as he has in every past endeavor, whether in public or private, measure up to the responsibility placed upon him. His past experience in municipal affairs eminently fits him for the office of Councilman."

"Owing to the fact that Dr. Kerr is a resident of the South Side, and that portion of the City being entitled to a representative in the City Council, it is proper that this position should be filled by a South Sider."

Mr. English arose and said

"Mr. President:—The matter before us at this time, namely, the election to fill the vacancy now existing in Council, is of the greatest importance to the City of Pittsburgh."

"On several occasions in the past I have expressed the opinion that the problem of transportation, and particularly the street car transportation of the City of Pittsburgh, is the biggest problem this community has had since the Civil War. I was laughed at when two years ago, and also one year ago, I stated that we should appeal to the National Government at Washington for relief from the intolerable conditions and miserable service given the people of Pittsburgh by the Pittsburgh Railways Company."

"It is a matter of record that last week the representatives of the Army and Navy under orders from Washington did intervene on behalf of our National Government. It was explained to the Judges of the United States Court that the war necessities of our country required certain improvements and the Court very properly issued the necessary instructions."

"I still maintain that we should keep up our interest in the street car question and continue our endeavors to obtain better service and better conditions for the people of Pittsburgh in the important matter of street car transportation."

"We have had in the employ of Pittsburgh a man who has made a complete and comprehensive study of the affairs of the Pittsburgh Railways Company, and most of this study was paid for by the taxpayers of the City of Pittsburgh. But, Mr. President, and gentlemen of Council, every time the man to whom I refer has started to get results for the people some person or persons have stepped in and halted the proceedings. I need not take up your time going over the history of the various attempts which have been made to force better service from the Pittsburgh Railways Company, but I wish to remind the majority of this Council that the confirmation of Mr. Stone as City Solicitor was held up until Council was assured that he was in accord with the Council's known and recorded position in the matters at issue between the people of Pittsburgh and the Pittsburgh Railways Company. After being comfortably seated as City Solicitor the first thing Mr. Stone did was to discharge C. Elmer Bown from the position of Special Solicitor for the City in the street railway controversy. I now see an opportunity for us as representatives of the people of Pittsburgh to elect Mr. Bown a member of this Council, and make immediate use of his services in the street car affairs; at the same time we can save the City some money in the matter of cost of legal services which would not be required if we could obtain Mr. Bown's knowledge for the benefit of the taxpayers."

"I do not fear any criticism in this matter, for it is apparent to every person in Pittsburgh that if a majority of this Council was sincere in the controversy with Mr. Stone before we permitted him to be City Solicitor the public should be informed as to why we cannot continue our efforts at any and every opportunity."

"I therefore nominate C. Elmer Bown for your consideration in this election."

Mr. Garland arose and said

"Mr. President, by request I place in nomination the name of Dr. A. S. Hunter. I promised I would place his name in nomination. It is by request that I do this."

Mr. Robertson moved

That the nominations close.

Which motion prevailed.

And the Clerk was instructed to call the roll on the names placed in nomination, and the roll being called, the result of the voting was as follows:

For Daniel Winters:—Hon. E. V. Babcock, Mayor; Messrs. Burke, Dalley, Garland, Herron (President), McArdle, Rauh and Robertson.

For C. Elmer Bown:—Mr. English.

And Daniel Winters received 8 votes

And C. Elmer Bown received 1 vote.

And, Daniel Winters, having received a majority of the votes of Council, in conjunction with the Mayor, was duly elected a member thereof in accord-

ance with the provisions of an Act of Assembly, approved May 31st, 1911.

Mr. Garland moved

That Messrs. Burke, Robertson and McArdle be appointed a Committee to escort the member-elect to his seat in Council.

Which motion prevailed.

Thee Committee then retired and returned with Daniel Winters, the member-elect, who was duly sworn by the Chair.

The Mayor, Hon. E. V. Babcock, at this time arose and said

"Mr. President and Gentlemen of Council:—I learned since I came into the Council Chamber that Major Kerr arrived on the other side. I request that you send a cablegram to him, congratulating him upon his safe arrival overseas, and that Mr. Winters had been elected as his successor in Council."

Mr. Garland moved

That the President of Council send the cablegram to Major Kerr.

Which motion prevailed.

The following cablegram was sent Major Kerr:

"Heartiest congratulations safe arrival from Mayor and nine Councilmen, including Winters, your successor. All hope for safe return when victory has perched upon our banners."

Mr. Garland moved

MOTIONS AND RESOLUTIONS.

Mr. English presented

No. 1398. Resolved, That the Mayor be and he is hereby requested to make inquiry of all Department Heads of various City Departments of all the unfilled positions and furnish list of same to Council, at its next meeting, on Monday, September 23rd, 1918.

Which was read.

Mr. English moved

The adoption of the resolution.

Which motion prevailed.

Mr. Dailey moved

That the following members be excused for absence from Council and committee meetings:

Mr. Burke on July 24, 26; August 2, and September 11, 1918.

Mr. English on July 23, 24 and 26, 1918.

Mr. Garland on July 23, 24 and 26, 1918.

Mr. Kerr on July 23, 24, 26; August 2, and September 3 and 11, 1918.

Mr. Rauh on September 11, 1918.

Which motion prevailed.

Mr. Winters at this time arose and said:

"Mr. President and Members of Council:—I first want to convey my thanks to the members of Council for having elected me to this responsible position. I have a full sense of the responsibility and the honor which you have conferred upon me by electing me as a member of Council of this, the greatest city in the greatest State of the greatest Nation in all the world.

"I believe my election might have been prompted by two things—one that Dr. Kerr had asked the members of Council to elect me, believing me worthy of the place. That might have had some influence on the members of Council in casting their vote here today. However, I have known each and every one of you for many years personally, and I believe you have always had some confidence in me and my personality and in the belief that I am capable of doing things for myself, or else you would not have elected me—or really you should not have elected me to this office. This, coupled with the fact that Dr. Kerr desired me as his successor, might have been the factor in the majority of Council electing me as Dr. Kerr's successor.

"As you no doubt know, the Doctor and I have been close friends for twenty years, and nobody appreciates his worth more than I do and no one is more sorry for his having gone out of the Council, which he has graced with honor and distinction to himself and the citizens of this community, than I am. He has made mistakes, as we all do occasionally; but he was always prompted to do what he thought was right for the interest of the city and the citizens of this great city. There is no man more proud than I am of the great service he rendered Pittsburgh.

"I knew that he was very close to the other side, and now word has been received that he has landed safely in France. He will render useful service to the nation just as he rendered it here for the City of Pittsburgh. Just shortly after this great conflict started, and while the great political turmoil was on in Pittsburgh, he had decided to dedicate his service to his country, and correspondence on file at Washington will show that Dr. Kerr was willing to render what service he could.

"I am proud to be Dr. Kerr's successor and I am proud that the members of Council have seen fit to elect me, and I shall do all I can to measure up to the responsibilities of the position. I intend, however, to retain my

individuality and will not be governed by any other man's actions. I expect, while occupying this position in the Council of the City of Pittsburgh, to be Dan Winters, and will do all the things that I think should be done for the citizens of Pittsburgh. I have come in here with an open mind on all questions and will reserve the right to do what I think is right.

"I have secured, I believe, eight of the nine votes of this Council, including the vote of the Mayor of the City. I shall do all I can to help the Mayor keep his pre-election promises and give Pittsburgh a better govern-

ment, if possible, and help him do things to make Pittsburgh a better and bigger city. The Mayor shall receive my co-operation in doing this. However, I shall reserve the right to act as the circumstances arise in Council.

"With that in mind, I think there is nothing further to say, except that the people of Pittsburgh shall pass judgment on my actions in Council. I shall always strive to merit their confidence."

And, upon motion of Mr. McArdle
Council adjourned.

The Chair said:

"Mr. Winters, I have been delegated by your friends who compose the George P. Long Duckpin League to present to you at this time as a token of the esteem and affection with which they regard you, this beautiful basket of flowers. It is their earnest wish that you will continue to act in your capacity as a Councilman as you have conducted yourself as a citizen; that you carry with you the best wishes of their organization; that the public shall know that we as councilmen made no mistake in selecting you as the successor to their dear friend, Dr. James P. Kerr; and that your career as a councilman will be like these beautiful flowers—an inspiration for all who come in contact with you."

Mr. Winters arose and said

"Mr. President and Gentlemen:—I thought I had said sufficient at the last meeting as to my introduction in Council, but the presence of these friends and beautiful flowers demand that I add something to that.

"I greatly appreciate these beautiful flowers and the sentiment that prompted the presentation of them. I accept them in the spirit in which I know they are given.

"You boys of the George P. Long Duckpin League I know are among my real friends, and I cherish your friendship and its association.

"I shall try to measure up, so far as I can, to the seat in Council left vacant by the resignation of our dear friend, Major James P. Kerr, and I shall endeavor to so conduct myself that the City of Pittsburgh, its citizens and you boys of the George P. Long Duckpin League will have no reason to be ashamed of my service."

Mr. George P. Long arose and said:

"Mr. President and Gentlemen:—We are proud of your selection of Daniel Winters to fill the vacancy in Council, although we shall miss our dear friend, Dr. James P. Kerr. We know that the selection of Mr. Winters has met the approval of the people of Pittsburgh and we are sure that his actions in this body will justify our good opinion of him as a councilman. Mr. Winters is a member of the George P. Long Duckpin League and on behalf of that association I desire to thank you for allowing me to make these few remarks."

Mr. Garland presented, from the Special Committee,

No. 1438

Whereas, Because of the fact that he has placed his generally recognized ability as a physician and surgeon, his energy and his time at the disposal of his Country, and has been called across the sea where the great war for World Democracy is being fought, Surgeon-Major James P. Kerr has thought it proper to resign his seat as a member of Council; and

Whereas, In view of his fidelity as a servant of the people in this body, his loyalty and self-sacrifice in forsaking a highly remunerative practice and in relinquishing his position in order to answer the call of duty, it is fitting and proper that an appropriate minute be made of his patriotic and unselfish conduct in the records of this Council, Be it therefore,

Resolved, That in accepting the resignation of Surgeon-Major James P. Kerr, tendered for the reasons indicated, we express, on behalf of ourselves and of the people of Pittsburgh, whom we represent, and whom he served with such ability, integrity and sincerity, our keen regret that the ties of relationship with him as a municipal legislator have been broken.

As a man and as an official, he won the respect of all those who have followed his course, and the admiration and support of thousands of his fellow citizens, and in the history of the civil life of this community he has written a page for himself upon which he and his friends can look with feeling of well justified pride.

In entering this large sphere of public and patriotic effort, where he goes on a mission of mercy and reclamation

to bind up on the shell-torn battlefields the wounds of our brave boys "over there" and bring them back in strength and health to their loved ones over here, he carries with him thoughts of congratulation and commendation from a people united by universal liberty and devoted to the cause of humanity.

Resolved, That an engrossed copy be sent to Surgeon-Major James P. Kerr in France, and another to his family in Pittsburgh.

Which was read.

Mr. Robertson moved

The adoption of the resolution.

Which motion prevailed by a unanimous rising vote.

His Honor, Mayor E. V. Babcock appeared at this time and said,

"Mr. President and Members of Council:—The Director of the Department of Public Works called my attention the other day to the fact that the government engineers were interested in the improvement of West Carson street. I met one of them and had a conversation with him in relation to the improvement and I asked him to reduce his suggestions to writing, which he has done, and I will now read the letter for your benefit and will submit a copy for your records.

"The director of the Department of Public Works agrees with me that the permanent improvement should be delayed until after the war. The temporary improvement could be made and the necessary funds therefor could be transferred from other funds. I understand the Director has prepared a resolution for this purpose."

And the Chair presented
No. 1439

September 21, 1918.

Hon. E. V. Babcock, Mayor,
Pittsburgh, Pennsylvania.

Dear Sir:—The following statement in regard to the proposed improvement of West Carson street is authorized by Lieutenant Colonel R. P. Lamont of the Procurement Division of the Ordnance Department, in charge of the government ordnance plant at Neville Island, and by Mr. Otto M. Eidlitz, Director of the Bureau of Industrial Housing and Transportation, in charge of the housing and transportation facilities for the employees of that plant.

The great industrial and residential developments undertaken by the government on Neville Island and in its vicinity, make it of the utmost importance to effect a radical and complete improvement of West Carson street at the earliest possible date. The construction of the plant and the town and their subsequent operation, the plant having 17,000 employees and

the town some 50,000 population, will materially increase the travel over this notoriously inadequate and congested thoroughfare.

I regret to say, however, that an examination of the plans for the improvement submitted to me by your Department of Public Works, and a careful study upon the ground, of the construction operations necessary for carrying the plans to completion, makes it evident that to let a contract under these plans at this time would involve closing up half the width of the present utterly inadequate roadway for considerable periods, at the very time when the government construction work at Neville Island will be throwing heavy additional traffic on the street. Moreover, after paying such a price in congestion of traffic for many months, at a critical period of the government construction work, the completion of the contracts now proposed would leave more than half the distance from the Point Bridge to South Main street still so constructed that only one vehicle could get by the cars on either side.

Under the circumstances, the city is urgently requested to modify its plans and the following procedure is suggested as meeting the conditions as well as can be done under the stress of war. The only sufficient reason for not widening West Carson street at once to at least seventy feet, which would permit the permanent improvement to be made without serious interruption of travel, is that the product of the steel mills abutting on the street, must not be interrupted until after the war. It is urged, therefore, that the city immediately acquire title to the land necessary for the complete widening of West Carson street to at least 70 feet from the point Bridge to South Main street, subject however to the right of the steel mills to continue in operation undisturbed until one year after the declaration of peace; that so much of the widening as can be constructed without interruption of travel on the present roadway or car tracks be completed forthwith, namely from the Point Bridge for a distance of about 1000 feet; and that for the remainder of the distance to South Main street the present roadway be temporarily widened without destruction of buildings, and without change of grade or other interruption of travel, by removing or setting back the curbs, poles, hydrants, and other obstructions, and extending the pavement sufficiently to let motor trucks get by the street cars on each side of the tracks.

As determined by examinations on the ground, in company with your Director of Public Works and his Chief Engineer, the above result can be accomplished with only one slight modification of the car tracks and with a trifling expenditure for the temporary repair and widening of the pavement. It is essential, however, to remove the line of poles which carry the high tension wires either to a

location on the open hillside above the railroad or otherwise, and to attach the trolley span-wires to the abutting buildings where width is lacking for properly setting back the poles.

If there should be any difficulty or delay in securing prompt action by the Pittsburgh Railways Company or the Duquesne Light Company in making the change required under the above proposal, this Bureau will be glad to take the matter up.

Respectfully,

Frederick Law Olmstead,
Manager, Town Planning Division.
Which was read, received and filed.

REPORTS OF COMMITTEES.

Mr. Garland presented

No. 1440. Report of the Committee on Finance for September 18th, 1918, transmitting sundry ordinances and resolutions to council.

Which was read, received and filed.

Also, with an affirmative recommendation,

Bill No. 1367. An Ordinance entitled, "An Ordinance fixing the number of Drivers, and Hosemen and Ladder-men, in the Bureau of Fire, and the salaries therefor."

Which was read.

Mr. Garland moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time and agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken agreeably to law, and were:

Ayes—Messrs.

Burke	McArdle
Dailey	Rauh
Garland	Robertson
Herron (Pres.)	Winters

(Mr. English not voting).

Mr. Garland moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time.

Mr. Rauh arose and said

"Mr. President, I want to say that I am mighty glad this bill is about to be passed by Council. Within the past two years or more I introduced resolutions and made motions in the Budget Committee, in the Finance Committee and in Council prop-

er urging action that would give the people supplied by the South Pittsburgh Water company and other private water companies relief in the matter of water rates. I want to say that I believe these different motions received the unanimous support of all the members of Council, as near as I can recollect, and I am mighty glad that this ordinance will go through. I trust it will.

"I trust, too, that Council and the proper city officials will be able to make the same kind of a contract with the other private water companies supplying residents of Pittsburgh. If an amicable agreement cannot be made, I hope there is a way by which it can be accomplished by the Public Service Commission.

"I must reiterate again that I hope the ordinance now before us will receive all the votes of Council."

And the bill as read a second time. was agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

No. 1441

Pittsburgh, Pa., Sept. 19, 1918.

Hon. President and Members of
The Finance Committee of Council,
City of Pittsburgh.

Gentlemen:—Referring in the communication of the Clerk of your Committee of September 18th in regard to Resolution transferring \$5,000.00 to Code Account No. 1027, Supplies, Division of Motor Vehicles, from Code Account No. 1144½, I beg to report that there has been no increase in the price of gasoline or tires during the current year, the City having an annual contract for the latter, and the price of the former having remained stationary.

However, automobile parts have increased from twenty-five to fifty per cent in value, and, I find, in addition, that only \$8,000.00 was allowed for repair parts, etc., for the ten (10) patrol wagons which would be \$800.00 each; whereas, the cost for each wagon for the year 1917 was \$1,375.00, and I am sure that the repairs necessary would be more this year than last.

However, this shows a natural deficiency in the amount appropriated of \$5,750.00 under what was found to be absolutely necessary last year, and the gasoline and tire money has evidently been used to make this good, so far this year.

Up to September 1st, the Division had used 21,450 gallons of gasoline and should be able to get through the year on 10,000 gallons additional. Up to that time, they had used 204 tires with the necessary tubes amounting to \$5,601.25 and, at this ratio, should be able to get through the year on \$2,800.00 for that purpose. However, there is no objection to buying tires for from three to six months ahead, as there is no question but what they will advance in price and be hard to obtain in certain sizes. This is indicated by the fact that the U. S. Government has gone to the length of forbidding lead pencil manufacturers to manufacture their product and use a rubber tip on same.

Respectfully submitted,

F. P. Booth,

Division of Investigation.

Which was read, received and filed.

And on motion of Mr. Garland, the resolution was recommitted to the Committee on Finance.

Also, with an affirmative recommendation,

City of Pittsburgh, Pennsylvania.

City Clerk's Office,

Division of Investigation.

Pittsburgh, Pa., Sept. 25th, 1918.

Hon. Chairman and Members of the Committee on Filtration.

Gentlemen:—In response to the communication of the City Clerk, for your Committee, re bills of James H. McQuade & Sons Co., which are returned herewith, together with reports for labor performed by their force at the Filtration Plant, I beg to submit that

the Civil Service Commission has been unable to comply, in full, with the requisitions for labor for the Bureau of Water for the past two (2) years, and that the bills in question are for what is known as work on "Force Account," and were incurred with the knowledge, consent and at the direction of the Director of the Department of Public Works and the Mayor, according to statement of Managing Engineer Finley of the Bureau of Water.

The Civil Service Commission confirms Mr. Finley's report as to their inability to secure labor asked for by the Bureau of Water, they having only secured a small part of what has been called for.

Respectfully submitted,

F. P. BOOTH,

Division of Investigation.

The Chair presented

No. 1541

Public Utilities Litigation—City of Pittsburgh, Pa., October 14, 1918.

In re Granting Franchise to Duquesne Street Railway Co

Hon. John S. Herron, Pres.,
Council, City of Pittsburgh,
Pittsburgh, Pa.

Dear Sir—I have just been informed over the telephone, that the Receivers for the Pittsburgh Railways Company are sending a letter to Council which provides that the purpose of the ordinance is to improve the facilities of the crosstown line, and also stating that they will apply promptly for the necessary funds to make the improvement.

I have had up with their counsel, the question of a more comprehensive letter dealing with transfers, but they deem it unwise to commit themselves on this question because of the uncertainty of the fare situation and have stated that they would not definitely commit themselves on the subject of transfers.

Considering, however, that this is a question which can at any time be submitted to the Public Service Commission and is entirely subject to its control; considering also that the franchise is only for ten years and may be recalled under certain conditions on one year's notice, I think Council would be justified in passing the Ordinance under the assurances that are given in the letter from the Receivers

Very truly yours,

Charles K. Robinson.

Which was read, received and filed.

No. 1542

PITTSBURGH RAILWAYS COMPANY

Pittsburgh, Pa., October 14, 1918.

In re: Ordinance to Duquesne Street Railway Co. granting certain rights on Ross street:

Hon. John S. Herron,
President of Council,
City-County Bldg.,
Pittsburgh Pa.

Dear Sir—In compliance with the request received from Mr. Martin, City Clerk, we beg to state that the Pitts-

burgh Railways Company purposes to use the track authorized to be laid under this ordinance for loop operation of the Crosstown Line. This method of operation will not cause as much congestion at the corner of Sixth and Fifth avenues, as under the present operation.

If this ordinance is approved, the Company will proceed at once to submit it to the Public Service Commission for approval, and will present a petition to the Federal Court asking permission to spend the necessary funds to install the track.

Yours respectfully,

James D. Callery.

For Receivers.

Which was read, received and filed.

Mr. English moved

That the Clerk be authorized to have the files for Bill No. 1459, placed upon the desks of the members and that the Clerk be relieved, at this time, of the collection of \$100.00, for the payment of printing of said files.

Which motion prevailed.

Mr. McArdle moved

A suspension of Rule VIII, which provides that all bills, ordinances and resolutions, when returned from Committee, shall be printed, and a copy of each bill mailed to each member, at least 48 hours previous to a meeting of Council.

Which motion prevailed.

Mr. McArdle also presented with an affirmative recommendation.

Bill No. 1459. An Ordinance entitled, "An Ordinance granting unto the Duquesne Street Railway Company, its successors, lessees and assigns, the right to enter upon, use and occupy certain streets and highways in the City of Pittsburgh, subject to the terms and conditions herein provided."

In Public Service and Surveys Committee, October 9, 1918, read and amended by inserting a preamble, as shown in red, and as amended, ordered returned to Council with an affirmative recommendation.

Mr. McArdle moved

That the amendment of the Public Service and Surveys Committee be agreed to.

Which motion prevailed.

And the bill, as amended in committee and agreed to by council, was read.

Mr. McArdle moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time and agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, Shall the bill pass finally?"

The ayes and noes were taken, agreeably to law and were:

Ayes—Messrs.

Dailey	McArdle
English	Rauh
Garland	Robertson
Herron (Pres.)	Winters

When the name of Mr. Rauh was called, he arose and said:

"Mr. President, Section 2 of the Ordinance states that the term of this franchise shall be for ten years from the date of its acceptance. Owing to the conditions and congestion downtown and, in compliance with the wishes of the Public Service Commission, I am going to vote Aye on this bill, but I do so under protest, for the reason that ten years is too long a period—five years is long enough."

Ayes—8.

Noes—none.

And a majority of the votes of Council being in the affirmative, the bill passed finally.

Mr. Dailey presented

No. 1543. Report of the Public Safety Committee for October 9, 1918, transmitting a resolution to Council.

Which was read, received and filed.

Also

Bill No. 1489

Whereas, the Receivers of the Pittsburgh Railways Company desire to erect an addition to the building of said Company used for the repairs and reconstruction of armatures and coils for motors, and situated on property of said Company on Felicia Way, which addition is immediately necessary and it is found impossible to promptly secure the necessary cement, brick work and steel. Now, therefore, be it

Resolved, That the Director of the Department of Public Safety and the Superintendent of Building Inspection be and they are hereby authorized and directed to issue a permit to the Receivers of the Pittsburgh Railways Company to erect a temporary wooden frame building, 24 feet by 47 feet by 15 feet high, fronting on Felicia Way, and on the rear of a lot numbered 7237 Bennett street, owned by said Company, and adjoining the present brick building of said Company now used as its winding and coil room. Said Company shall put a concrete floor in said building and erect pipes in the ceiling, connected to its fire sprinkler system and for the purpose of fire protection by sprinkler system in the new temporary building. The permit to be issued on the approval of the plans for said building by the Superintendent of the Bureau of Building Inspection.

In Public Safety Committee, October 9, 1918.

Read and amended as suggested by the Law Department, by striking out the entire resolution and by inserting, in lieu thereof, the following:

Whereas, It has been certified in writing to Council by the Pittsburgh Railways Company that for the purpose of providing more space for repairing armatures and field coils at its Homewood Shops, it has purchased property adjoining its winding room for the purpose of erecting a brick and steel addition thereon; and,

Whereas, Owing to the present emergency, said Company is unable to secure the necessary brick and steel to erect said building at the present time; and,

Whereas, Defective armatures and coils cause a large number of interruptions and delays in the street car service and the immediate repair and reconstruction of such armatures and field coils for motors would, to a large extent, insure prompt street car service during the coming winter season; and,

Whereas, Said Railways Company proposes to erect a temporary frame structure under certain specifications and conditions, which will furnish adequate space to make the necessary repairs and reconstruction of said armatures and coils; now, therefore, be it

Resolved, That the Director of the Department of Public Safety and the Superintendent of the Bureau of Building Inspection be and they are hereby authorized and directed to issue a permit to the Receivers of the Pittsburgh Railways Company for the erection of a temporary frame building 24 feet wide, 47 feet long and 15 feet high, fronting on Felicia way and on the rear of Lot No. 7237 Bennett street, and adjoining the present brick building of said Company now used as its winding and coil room subject to the following specifications and conditions:

1. Said building shall be constructed in accordance with the plans and specifications submitted to the Superintendent of the Bureau of Building Inspection and approved by him.

2. Said building shall contain a concrete floor.

3. Said building shall be protected against fire by the construction of a sprinkler system, to be connected with the fire sprinkler system constructed in the adjoining building.

4. The said Railways Company shall remove or tear down said temporary wooden building within a period of one year after the end of the present war, and upon sixty (60) days' notice in writing by the Superintendent of the Bureau of Building Inspection and should said Railways Company fail or refuse to remove said building within sixty (60) days after written notice, the City of Pittsburgh shall have the right to enter upon the premises and remove the same, and charge the cost of such removal to the said Pittsburgh Railways Company.

5. This resolution shall not be effective unless the said Receivers of the Pittsburgh Railways Company shall file with the City Controller within thirty (30) days after approval hereof, a stipulation in writing accepting the terms, conditions and specifications of this resolution.

And as amended ordered returned to Council with an affirmative recommendation.

Which was read.

Mr. Dailey moved

That the amendment of the Finance Committee be agreed to.

Which motion prevailed.

And the resolution, as amended in Committee and agreed to by Council, was read.

Mr. Dailey moved

A suspension of the rule to allow the second and third readings and final passage of the resolution.

Which motion prevailed.

And the rule, having been suspended, the resolution was read a second and third times, and upon final passage the ayes and noes were taken, and being taken were:

Ayes—Messrs.	McArdle
Dailey	English
English	Rauh
Garland	Robertson
Herron (Pres.)	Winters

Ayes—8.

Noes—none.

And a majority of the votes of Council being in the affirmative, the resolution passed finally.

MOTIONS AND RESOLUTIONS.

Mr. Robertson presented

No. 1544

Whereas, The citizens of Pittsburgh have been called upon and have done "their bit" by doubling their purchase of the Fourth Liberty Loan, while the City of Pittsburgh, as a municipality, has only purchased \$50,000.00 of said Loan; Therefore, be it

Resolved, That a Conference be arranged by the President of Council with the Mayor, the City Controller, the City Solicitor, the Sinking Fund Commission and the members of Council for the purpose of determining the advisability and the legality of the City purchasing additional Liberty Bonds with some of the moneys now in the several Sinking Funds.

Pittsburgh, October 21st, 1918.

President John S. Herron and Members of City Council.

Dear Sirs:—I am directed by the Organization Committee of the Soldiers and Sailors' Club of Pittsburgh to acknowledge, in a spirit of patriotic appreciation, your offer to place the Public Safety Building at our disposal and to record a formal acceptance of the same. Your further agreement to provide light, heat and janitor service and to appropriate the sum of \$2,500.00 to transform the building into suitable home and club quarters for the boys who are carrying "Old Glory" forward to victory, is also acknowledged herewith.

We are pushing forward to completion a gathering place for our fighting men that will take rank with any on this continent and we feel that when the doors are thrown open, not only Councilman W. H. Robertson, who is the father of the idea locally, but each of you will be proud that you had such a prominent part in the consummation of it in that your contribution did so much to make this club possible.

You will no doubt be glad to know that the spirit you have shown is that characteristic of all our people toward this enterprise, whether as individuals or organizations. Generous and repeated tenders of help and support have come to us from all quarters. By your efforts you have helped to place another star in the sparkling crown of achievements which Pittsburgh has won for herself in war activities.

Yours for Victory,

ROY D. SCHOOLEY,

Secretary, Organization Committee of the Soldiers and Sailors' Club of Pittsburgh.

The Chair presented
No. 1565.

DEPARTMENT OF PUBLIC SAFETY.

Pittsburgh, October 18, 1918.

To the President and Members of City
Council, Pittsburgh, Pa.

Gentlemen:—I have communication
from Mr. Chas. F. Waddle, Clerk of
Finance Committee, dated the 16th inst.

Subject: Explanation desired for in-
formation of Council on Bill No. 1515.

Accordingly, I wish to advise you as
follows:—

First—Code Account No. 1132, Item
D, Materials, General Service, Depart-
ment of Public Safety, to which a
transfer of \$50.00 is requested, is prac-
tically exhausted and the Chief Engi-
neer at the Public Safety Building has
requested the purchase of certain ma-
terials for repair parts at the plant
which furnishes heat and elevator ser-
vice at the Public Safety Building and
light at the Public Safety Building and
the engine houses on Eighth street.

Second—We must purchase some
tools for the Public Safety Building
employees and some essential office sup-
plies which, according to the code
classification of the City Controller, is
known as equipment account, and will
cost about \$50.00; the present appropri-
ation for the year being practically ex-
hausted. This is part of Code Account
No. 1134.

Third—Transfer of \$500.00 to
Code Account No. 1149, Item D, Mate-
rials, Bureau of Police, is essential to
purchase paints, lumber and plumbing
supplies for repairs at the various po-
lice stations, the work being done by
the carpenters, painters and plumbers
employed by the Department.

Fourth—The sum of \$2,000.00 is to
be transferred to Code Account No.
1154, Item C, Supplies, Bureau of Fire,
to pay for natural gas used at the va-
rious engine houses for illuminating
purposes for the remaining portion of
the fiscal year, to provide gasoline for
the operation of fire apparatus and to
purchase the necessary supplies for
cleaning materials at the various en-
gine houses.

Trusting that this explanation is
fully satisfactory, and that the resolu-
tion will be duly passed, I am.

Yours very truly,

CHAS. B. PRICHARD.

Director

Which was read, received and filed.

Mr. Raub also presented

Bill No. 1491. Resolution au-
thorizing the Controller to make the
following transfers of appropriations.
to-wit:

From 1144-2, Police Reservoir Guards,

The Chair stated

That Mr. Gottschall, the Mayor's Secretary, had asked Council to remain in session, as the Mayor had an Ordinance to be presented.

The Chair requested the officer to notify the Mayor that Council was about to adjourn.

The Mayor appeared at this time and said:

"Mr. President and Gentlemen:—I am going to ask you to bear with me for a while, as I desire to submit a proclamation and an Ordinance bearing on the influenza epidemic. As you no doubt know, we have been employing persons in the fight against this disease and we are now at a stage where more money will be needed. The City Attorney is now preparing the Ordinance and will have it ready for submission to Council within a half hour. The City Controller joins with me in signing this proclamation."

MOTIONS AND RESOLUTIONS.

Mr. Rauh presented

No. 1571. Resolution asking the Director of the Department of Health to notify Council, at the earliest opportunity, the number of children at the present time enrolled in each public, parochial and private school, respectively, in Pittsburgh, and also the number of absentees recorded during the past week in each school.

Which was read and referred to the Committee on Finance.

Mr. Robertson presented

No. 1572. Whereas, It has been alleged that any number of dwellings assessed under the flat rate have made improvements in their water systems, which have not been reported to the Board of Water Assessors; and,

Whereas, It is possible that an increased assessment could be made of not less than \$50,000, and possibly \$100,000, if a new and complete assessment was made; now, therefore, be it

Resolved, That from the present city employees not less than twenty-seven men be assigned for temporary services to the Board of Water Assessors, to make a report on the Water Fixtures in use in each dwelling assessed at present under the flat rate;

Resolved, That the Mayor be requested to immediately call into conference the several directors and superintendents of the bureaus for the purpose of ascertaining what employees they may be able to designate for the service required in this resolution.

Resolved further, That the work hereby undertaken shall be and is hereby placed under the direction of the Board of Water Assessors.

Which was read.

Mr. Robertson moved

The Chair presented
No. 1574.

Pittsburgh, Pa., Oct. 21st, 1918.

To the Honorable, the Council of the
City of Pittsburgh.

Whereas, On the 4th day of October, 1918, the State Commissioner of Health of Pennsylvania proclaimed the existence throughout the State of an epidemic, and called upon the municipalities for their prompt and active cooperation in meeting and suppressing the same; and

Whereas, The City of Pittsburgh, in response to said call, through its Department of Health, has adopted most stringent and energetic measures to cope with and check the spread of said disease in this community, and said action has necessarily involved an extraordinary outlay of money far beyond the regular annual appropriations for said Department; and

Whereas, Said epidemic of disease still continues with great intensity, and requires a continuation of effort in every way and direction to prevent further disaster therefrom;

Now, therefore, Pursuant to the terms and provisions of Section 13 of the Act of May 31, 1911, relating to appropriations, we, the undersigned, the Mayor and the Controller of the City of Pittsburgh, hereby certify the existence of an emergency requiring a special appropriation in the sum of one hundred thousand (\$100,000) dollars

to meet the same, or so much thereof as may be necessary.

E. V. BABCOCK,
Mayor.
E. S. MORROW,
Controller.

Also

No. 1575. An Ordinance making an emergency appropriation in the sum of one hundred thousand dollars (\$100,000) or so much thereof as may be necessary, to the Department of Public Health to counteract the influenza epidemic.

Which were read and referred to the Committee on Finance.

The City Solicitor, Mr. Stephen Stone, being present, stated that the City Controller had suggested that as little publicity as possible be given to this Ordinance.

Mr. Garland moved

That it be the sense of Council that Bill Nos. 1574 and 1575 shall receive as little publicity as possible.

Which motion prevailed.

The Mayor, at this time, appeared before Council and stated

That he thought it would be all right to give some publicity to these bills and have the people prepared for what is to come.

And on motion of Mr. McArdle,
Council adjourned.

MAYOR'S OFFICE.

Pittsburgh, October 30th, 1918.

President and Members of Council of the City of Pittsburgh.

Dear Sirs:—I beg to transmit herewith copy of letter from and award of the National War Labor Board in the case of the City Firemen.

Very respectfully yours,

E. V. RABCOCK,

Mayor.

NATIONAL WAR LABOR BOARD.

Washington, October 28th, 1918.

The Honorable, Mayor of Pittsburgh, Pittsburgh, Penna.

Dear Sir:—I transmit herewith a certified copy of the Award of the National War Labor Board in the case of Docket No. 226, City Firemen vs. Pittsburgh Municipal Government, Pittsburgh, Pennsylvania.

I shall be glad to send you a considerable number of copies as soon as the Award is available in print.

Very truly yours,

W. JETT LAUCK,

Secretary.

NATIONAL WAR LABOR BOARD

DOCKET NO. 226.

ADVISORY AWARD.

In re

Firemen of the City of Pittsburgh
Against the Municipality of
Pittsburgh, Pa.

In this case the Firemen of the City of Pittsburgh and the Municipality of Pittsburgh, through its Mayor, have submitted to the consideration of the

National War Labor Board the issue whether the application of the Firemen for an increase of \$15.00 per month in their wages from the 1st of July, 1918, is reasonable and should be granted. Of this, five dollars per month has already been allowed and paid.

The Mayor and the Members of the City Council have agreed to give to this award, termed advisory, great consideration.

This Section, to whom the case has been referred, from the report of Messrs. Ogburn, Buck and Watts, find that the application of the Firemen, in view of the wages paid for such services in various cities and in view of the larger increase in the pay of the Policemen of Pittsburgh, is fair, and recommend to the constituted authorities of Pittsburgh that the increase of \$15.00, of which \$5.00 has been allowed and paid, be granted as of July 1st, 1918.

WM. H. TAFT,
FRANK P. WALSH.

MAYOR'S OFFICE.

Pittsburgh, October 31st, 1918.

President and Members of Council of the City of Pittsburgh.

Dear Sirs:—It affords me pleasure to transmit herewith copy of letter I have this day received from the Vice President of the Municipal Council of Paris in acknowledgement of the receipt of the City of Pittsburgh flag which was sent to the City of Paris incident to the celebration of Bastille Day.

Very respectfully yours,

E. V. BABCOCK,

Mayor.

FRENCH REPUBLIC.

Municipal Council of Paris,

Office of the President.

Paris, October 15, 1918.

Monsieur the Mayor:—I have received through the President of Council, Minister of War, the banner which the City of Pittsburgh offers to the City of Paris in commemoration of the ceremony by which your city on July 14th last joined in our National holiday.

We are touched to the bottom of our hearts by this new and eloquent evidence of American sympathy and magnificent address which accompanied your present adds still more to the

animation and depth of our grateful friendship.

We have read with glowing interest the bright and vivid recital that you have addressed to us on July 14, 1918, which, across the ocean, has resulted in a common creed, our hearts cherishing the self-same ideals.

Receive, therefore, Monsieur the Mayor, and be so kind as to transmit to the members of the City Council and to all the citizens of the City of Pittsburgh our deepest thanks. Say to them that the brotherly friendship of the United States is dearer and more precious to us than the prodigious assistance which they brought to us. Say to them that our sentiments respond to theirs, that their vows are ours and that we aspire as they do with all our strength toward a just and durable peace, a peace of Right and Liberty.

Accept, Monsieur the Mayor, the assurance of my high consideration.

Vice President of the Municipal Council.

Bill No. 1584. Whereas, The Commissioner of Health of the State of Pennsylvania has, for the purpose of better controlling and preventing the further spread of an epidemic of disease within the State, ordered the closing of certain business activities; and

Whereas, Among the businesses closed by said order are theaters and moving picture houses, the business of which is carried on under a license or permit issued by the City of Pittsburgh and for which a regulation license fee as provided for by ordinance is paid; and,

Whereas, It appears reasonable and just that said theaters and moving picture houses should be permitted to operate their businesses for the full period for which they have paid said license fees without further additional payment; therefore, be it

“Resolved, That the proper officer or officers having charge of the issuing of said permits to and the collecting of said license fees from theaters and moving picture houses are hereby ordered and directed to extend the time of all permits heretofore issued to said theatre and moving picture houses and which were in effect at the time of the issuance of the closing order by the State Commissioner of Health sufficiently to permit the operation of said businesses for the full number of months as were originally provided for in said permits, said extension of time to be made without further payment by the holder of said permits or licenses.

In Finance Committee, November 1, 1918, Read and amended by striking out all the words after the words “Therefore, be it,” and by inserting in lieu thereof the following:

“Resolved, That any person, firm or corporation operating any amusement or business under a license issued by the Department of Public Safety, pursuant to the provisions of ordinance passed February 25th, 1913, July 30th, 1917, and July 7th, 1914, respectively, at the time of the issuance of the closing order by the State Commissioner of Health, and affected by the same, who shall apply for a license for his or its respective amusement or business for the quarter beginning November 1st, 1918, as provided for by said ordi-

nances, shall be given a credit on account of the license fee for said quarter of the amount of the license fee paid by him or it for the period of the closing order, and the proper officer or officers having charge of the issuance of said permits and the collection of said license fees are hereby ordered and directed to allow the credits herein provided for,” and as amended ordered returned to Council with an affirmative recommendation.

No. 1671.

DEPARTMENT OF LAW.

City of Pittsburgh, Penna.

November 1st, 1918.

Finance Committee of Council,
Pittsburgh, Pa.

Gentlemen:—On Bill No. 1584, providing for extension of time to all licenses of theaters, moving picture houses, and all other places of amusement and business, requiring a license under the several city ordinances of February 25, 1913, July 7, 1914, and July 30, 1917, to cover the period of time during which said places were closed by order of the State Health Commissioner, and providing also a refund to all liquor licensees of a sum proportionate to the period of time of closure, I beg to report:

First as to Liquor licenses, by the terms of the Act of June 6th, 1891, it is provided that in cities of the first and second classes liquor license fees shall be the sum of \$1,000.00, payable in advance May 1st of each year, and of this sum \$100.00 is payable to the County Treasurer for the use of the

County, and the balance of \$900.00 is payable to the Treasurer of the City for its use.

By the Act of March 29, 1907, an additional sum of \$100.00 was made payable in all cities to the County Treasurer for use of the Commonwealth. By the terms of this same Act, it is made the duty of the County Treasurer to pay over all license fees collected from cities within thirty (30) days from receipt thereof.

In Pittsburgh vs. Anderson, Treasurer of Allegheny County, 194, Pa., page 172, it was decided "that these license fees when paid to the County Treasurer belong to the City and to the City alone was he accountable," and consequently the Treasurer could make no deduction for commission as state agent in collecting the same. This license money comes to the City without any restrictions or limitations on the use thereof. When it reaches the City Treasury it is there for such municipal purposes as it may be applied and appropriated for. It is annually estimated in the City Budget and appropriated with taxes and other revenue receipts.

The right of the City to refund monies, which have been paid into the City Treasury, either as taxes proper or license fees is very limited and must be exercised with great caution because of the matter of discrimination and injustice, resulting therefrom to the taxpayers generally, or to those in the same class as the parties seeking the refund. Such claim for refund must always be based on some distinct inequality, injustice or other wrong done by the municipality, showing the condition in which it would be inequitable and against conscience to retain the money. In the case of liquor licenses, the City has absolutely no control over the granting or revocation of these license fees, and receives its proportion of the license fees by direction of statute, and in the present case has appropriated and expended the same in greater part.

The act of closing the saloons in Pittsburgh in the present case is wholly the act of the State Health Department, which the City could in no wise prevent or modify. This being the case, there is in fact no equitable claim against the City arising out of these conditions.

Second, as to the proposition to extend the periods of amusement licenses, in my judgment the Council has legal power to grant these extensions. The terms of the ordinances themselves indicate that payments are to be made for period of operation; certain allowances being made therein for parts of the period.

I would suggest, however, that in deciding this question, the Council take into consideration the real conditions under which the demand for this extension is made. The State through its Health Department in the exercise of sovereign power, has arbitrarily ordered the closing of all these places and the suspension of all business until the same authority shall decree that

the ban be lifted. For this the City is in no wise responsible, and has no power to interfere.

In anticipation that your Honorable Body may decide to grant the extensions as prayed for, I beg to enclose herewith a form of amendment to the resolution, which will guide the Police Bureau in carrying out the purpose of this resolution.

Very truly yours,

STEPHEN STONE.

The Chair presented

No. 1672.

DEPARTMENT OF PUBLIC SAFETY.

City of Pittsburgh, Penna.

October 31, 1918.

To the President and Members of City Council, Pittsburgh, Pa.

Gentlemen:—The Finance Committee, at its meeting held Tuesday, October 29th, 1918, passed a resolution for the transfer of \$6,000.00 from Code Account No. 1144, Salaries Regular Employees, Bureau of Police, to Code Account No. 1147, Miscellaneous Services, Bureau of Police, and the sum of

\$1,000.00 from Code Account No. 1144 to Code Account No. 1150. Item E, Repairs, Bureau of Police, upon condition that I furnish you with certain information in writing.

Accordingly, I wish to advise you that I have consulted the bookkeeper of our department and he advised me that there is a sufficient sum of money in said Code Account No. 1144 to permit of the transfer of the said total sum of \$7,000.00 from Code Account No. 1144 to the Code Accounts above mentioned, without impairing the appropriation to said Code Account No. 1144 for the remaining portion of the fiscal year 1918, and it is very apparent, at the present time, that Code Account No. 1144 will be sufficient for the remaining portion of 1918 to meet the salaries of the employees of the Bureau of Police during the current year.

Yours very truly,

CHAS. B. PRICHARD,

Director.

Noes—Mr. English.

When the name of Mr. English was called, he arose and said:

"Mr. President and Gentlemen—I am in hearty sympathy with what this bill provides. I think if it is possible to prevent a lot of waste, oils and greases and other materials being dropped on the street it should be stopped. We should make an honest and earnest effort to prevent the discharge of any residue or waste of any kind on the public streets; but I will submit that anyone who will read this ordinance will conclude that it was drawn hastily. It does not contain any provision whereby an owner of an automobile may have an opportunity to correct a defective engine which now discharges obnoxious vapors, gas, black smoke or any offensive odors. I have in mind the many department stores of the city who have great fleets of automobiles.

"When this ordinance becomes effective you will have many of these department stores come in Council and protest against the operation of such a law. It is not fair to them because it does not give them an opportunity to correct any defects which might occur in their machines.

"I can imagine that when a policeman or some person wants to get even with another person with a smoking automobile he will have the offender brought before a magistrate. This makes the interpretation of the ordinance purely discretionary, with the Magistrate. I think the ordinance should be more specific and not allow too much discretion to any city official in such a large problem.

"I think some provision should be inserted in the ordinance whereby an owner with a smoking automobile or a defective engine which would discharge obnoxious odors or vapors

could be given some limited time in which to make adjustments. I am in favor of some plan to remedy the matters complained of, but I cannot approve this ordinance as it now stands. I therefore vote No."

Ayes—8.

Noes—1.

And a majority of the votes of Council being in the affirmative, the bill passed finally.

MOTIONS AND RESOLUTIONS

Mr. Rauh presented

No. 1678. Whereas, The Budget session for the preparation of the 1919 Budget will soon commence; therefore, be it

Resolved, That Council invite representatives from any Civic body, so desiring, to attend these sessions; the exact time when the sessions take place can be ascertained from the City Clerk or any member of Council, or through the daily papers.

Which was read.

Mr. Rauh moved

The adoption of the resolution.
Which motion prevailed.

Mr. English arose and said:

"Mr. President and Gentlemen of Council—I arise to a question of personal privilege and ask to have the following statement printed in the record."

Mr. English then presented and read

No. 1679. I most respectfully express dissent from the action taken by the Council sitting in Finance Committee in reversing the previous instructions given the City Solicitor and the Director of the Department of Public Works to proceed with as much of the improvement of Chartiers avenue in the Twentieth Ward, as is possible, regardless of the weather conditions and particularly regardless of the attitude of the Pittsburgh Railways Company.

I am sorry that the other members of Council did not agree with me in the principle which I think is involved in this situation. In justice, therefore to myself, I deem it of the highest importance that I should leave some record of my position on this question. For many years the City has been spending money for investigation, information, advise and attorneys' fees in an endeavor to force the Pittsburgh Railways Company and its underlying companies to carry out the various franchise grants which were made by the City officials years ago. A great majority of the people of Pittsburgh, I feel sure, are in sympathy with the various efforts and expenditures which have been made in the endeavor to obtain better service and better street paving from the Pittsburgh Railways Company.

In this particular matter of Chartiers avenue we had already heard

from the Special Assistant City Solicitor, Mr. Robinson, that the Honorable Judges of the United States Court, Messrs. Orr and Thompson, had stated to him in open court that the city had power over its streets, and in effect that this power of the City could be used to proceed with the changing of the grade of Chartiers avenue and, if necessary, relocating the tracks and repaving between the tracks of the Pittsburgh Railways Company by the City. The expense of such work, which might be done for the benefit of the Pittsburgh Railways Company, to be charged up to the Receivers. If the Receivers failed to recognize the bill of the City then it would be a proper matter for the Court itself to pass upon.

Mr. President and Gentlemen of Council, I was present at the session of the United States Court when this statement was first made by the Honorable Judges. After the statement was made by the Court the Special Assistant City Solicitor, Mr. Robinson, together with the Chief City Solicitor, Mr. Stone, also His Honor, Mayor Babcock, and the Director of the Department of Public Works, Mr. Swan, and the Chief Engineer of the City, Mr. Sprague, were all present at a conference with the Finance Committee of Council. At the conference a resolution was passed stating that it was the desire of the Council, sitting in committee, that the City Administration was to proceed with the improvement of Chartiers avenue along the lines suggested by the Honorable Court, and the Council would back up the City Administration in anything it might do in proceeding with the improvement. It is my profound impression that had the above-named officials proceeded promptly in awarding a contract the work would be well under way by this time and the city would be in much better position to reclaim the streets occupied by the Pittsburgh Railways Company in defiance of their franchise rights, which have in most instances been violated many, many times. The net result of such proceeding on the part of the city, which was directed by unanimous vote of the Council, sitting as committee, would have been to put the burden of proof upon the Pittsburgh Railways Company instead of allowing conditions to run on in the future as they have for many years in the past. The City Administration did not act in accordance with the expressed desire of the Council, but instead the matter was brought up again in the United States Court, and the Honorable Judges repeated the suggestions that the City had the power over its streets and could and should proceed with the improvement of Chartiers avenue; and the Court expressly stated that they hesitated issuing an order on the Receivers of the Pittsburgh Railways Company in view of the fact that the country was at war. The Court further explained that they did not deem it wise to issue any order which might be construed as making a bid for labor against the requirements of the National Government in time of stress.

but did say, positively, that if any of the work could be done at all the City had the right and power to proceed with such work.

I cannot understand why the City Administration through the attorneys and the Department of Public Works officials felt it was necessary to come back to the Council a second time in this matter. Many months of valuable time had been lost by the City Administration in attempting to make an agreement with the Railways Company officials; then with the attorneys for the Receivers, in an effort to have the Company agree that the City would temporarily finance the improvement of Chartiers avenue pending the adjustment of the Company's finances.

Out of patience with the dilatory actions of the Pittsburgh Railways Company and its various employees, including the attorneys for the Receivers, the City at last was compelled to appeal to the United States Court for relief. The City Attorneys stated to the Court that the only reason the City had not proceeded with this street improvement was fear of being cited for contempt of the Honorable Court in interfering with the Receivers. The Court then plainly stated that the City would not have been in contempt by proceeding with the improvement and would not now be considered in contempt if it starts the work. In view of this proceeding before the Court it would appear to me that some reason not now apparent has prevented action.

As far as the members of Council are concerned, I think they have been misled by a lot of apprehensions and fears thrown out by the City Administration, which future events will prove unfounded. In justice to the members of Council, under the circumstances, it should be stated that they are not wholly to blame. However, as a member of Council, I deem it my duty to say that, regardless of the City Administration's fears and apprehensions, I think I am within my rights, as a member of Council, in thus expressing criticism of their action and disagreement with them in this matter.

I am well aware that the contractor's bid for the street car company's share of the street improvement amounted to \$64,000, and that the additional \$16,000, which was added to it by the city officials, was for the purpose of odds and ends, such as a few new ties, portions of new tracks, extensions of trolley line supports, etc. Granting that this \$16,000 might be necessary, it would make a total of \$80,000 which the City would have to assume in order to prove its power and ownership over the city street. I am also aware, however, that it was never expected or contemplated that a job requiring several months of good weather to complete could be done in two or three months of winter weather, when it is almost impossible to work; consequently, the sum of \$80,000 could not have been spent on this work this winter. I feel sure that we could not have spent \$20,000, and certainly not over \$40,000, as only one track could have been improved. It is possible injunction suits

against the City might have followed, but with the Judges of the United States Court telling the City it had rights over the streets, I am satisfied that the County Court would have immediately referred the matter to the United States Court, inasmuch as the United States Court is in charge of the Pittsburgh Railways Company through the Receivers.

The construction placed upon the Borough of Sheraden franchise to the underlying company, the Pittsburgh, Crafton and Mansfield Street Railway Company, by the attorneys for the Receivers was nonsense, pure and simple. The attorneys for the Receivers stated that any changes in the grade of Chartiers avenue or the improvement thereof must be made at the expense of the borough. That position and statement is not even camouflage—it is skull-duggery of the lowest type. I have no hesitancy in predicting that when winter is over the four or five months' time will have enabled the Receivers to accumulate a lot of money. The Receivers will keep on trying to pay the bondholders their interest and will also try to pay the leases and rentals, and as the United States Court has ordered rentals paid in certain cases, naturally the Court would be expected to authorize the payments of as many debts as possible. If there is any money left the Receivers and their attorneys will withdraw their opposition to the improvement of Chartiers avenue, and the fears and apprehensions of the City Administration will then be revealed as the camouflage behind which the bond holders were hiding. I do not charge any criminal conspiracy on the part of the city officials, but I do charge that easy surrender to the position of the Pittsburgh Railways Company officials, Receivers and attorneys is not the right position for the City to take in such an important matter. The opportunity to regain the corporate power over the streets of the City is worth many times the amount of money involved in this case.

I am convinced that by backing down from the policy we had already adopted will prove disastrous to the City, not only in this case, but in all future requests for street improvements the City ever makes to the Receivers, or to the owners of the Pittsburgh Railways Company. Whereas, had we continued in the policy which we had first adopted of proceeding with the improvement we would have at least started the work, and regardless of whether we spent \$20,000, \$40,000 or \$80,000 of the City's money by the time the weather would abate, the legal fears and apprehensions would all have disappeared; but in the meantime we would have put in practical working the statement of the United States Court Judges that the City had power over its streets. If we had once established this doctrine or principle, from now on the burden of upsetting it would have been placed upon the Pittsburgh Railways Company. It seems to me that the one golden opportunity for justification of the vast

sums of money the City has spent and is spending to bring the Pittsburgh Railways Company to a realization of a proper attitude toward the people of Pittsburgh has been lost by the failure of the City to follow up a vigorous militant policy. The Council, in my opinion, were given bad advice on either one of the two occasions. If the administration had no policy then the administration had no business to ask Council to back it up in the first instance, or else the administration should not have yielded to any impulse prompted by fears and apprehensions in the second instance when they advised Council to approve the administration's change of policy and reverse the policy and plan adopted on the first occasion. Worse than that even is the ridiculous resolution adopted by the committee of Council, written by City Solicitor Stone, instructing the Director of the Department of Public Works to make Chartiers avenue safe for traffic. I emphatically dissent from such a course and hereby express my opposition to backing down one step, and particularly oppose assuming the liability and responsibility for any damages resulting from the Pittsburgh Railways Company's refusal to comply with the terms of its franchise for Chartiers avenue.

In these strenuous times, when all the world is at war, it is men of action who count in every-day life. Upwards of two millions of our soldiers have been landed in Europe for the purpose of making the world free from the autocracy of kings and princes. Right here in the City of Pittsburgh, in a free country, we have been suffering and will continue to suffer from corporation autocracy.

The statement of Mr. Bane, attorney for the Receivers of the Pittsburgh Railways Company, that there are only a few people kicking about the seven cent carfare may be true, and there may be only a handful of us who are protesting against the arbitrary and autocratic management of the Pittsburgh Railways Company. I may be alone in criticising the dilatory, supine attitude of present and past city administrations, but somewhere underlying all of this business must be a practical application of the Golden Rule. To my mind it seems incredible that in the great State of Pennsylvania and in the wonderful city of Pittsburgh we have the spectacle of an inanimate thing called a corporation; a dummy, in other words (behind which human-beings will pull strings) to carry on in such a high-handed manner that the people who permitted this dummy to be created have not only lost all the power over the creature, but the people are actually prevented from even attempting to regain their power. Mark my words, gentlemen, the day is coming in this country and in this city when men will not be permitted to exercise autocratic authority as corporations, which they would not dare exercise as individuals. In the specific case of the Pittsburgh Railways Company we had the golden opportunity

to prove this doctrine. We have lost that golden opportunity; it may never come again.

For this reason, in addition to my reasons for the benefit of the particular community involved, I deem it my duty to place in the record of the Council my opinion of this transaction. I do this without any malice toward any officials whose names I have mentioned; without any malice toward any members of Council whom I think have made a mistake in this action, and without malice toward the autocratic management of the Pittsburgh Railways Company, because I believe those men are the victims of circumstances of the past, free and easy methods of allowing public utility officials to do as they pleased with the public. For my part, instead of the city surrendering to the Pittsburgh Railways Company as has been done in the matter of Chartiers Avenue, I am for a continuous fight against this arrogant corporation now in financial difficulties until it is compelled to beg for an armistice from the sovereign people of Pittsburgh. Until the company surrenders and keeps faith with the people we cannot expect any relief from the miserable transportation system known as the Pittsburgh Railways Company.

Mr. Robertson: Didn't you vote for the second part of the resolution?

Mr. English: I did. I voted for the second clause but not for the first clause.

Mr. Garland: I don't think any member of Council has any right in Council to make such a statement when he had his chance to make his remarks in committee. He should not be allowed to place about 29 or 30 pages of a long treatise in the record. He should get it printed by the City Clerk and sent it to the Judges of the United States Court, the members of Council and all other persons mentioned in the statement. I think it is a high crime for a member to criticize his colleagues after the matter was debated and disposed of in committee. The committee has taken action.

The Chair: The committee has taken action on the matter and if Mr. English's statement goes on the record, it is no more than fair that the statements or explanations of the votes of all the other members of Council should be placed in the record. I myself believe this statement is an insinuation on the action of the other members of Council. I don't believe any member was scared into taking the action he did.

Mr. English: I would certainly apologize if in that statement I made a personal reflection upon any member of Council and questioned his honesty of action as to how he voted. I don't impugn the motive of any member of Council. I don't think any part of that statement is a reflection or an insult to any member of Council. Far be it from me to insult any member.

Mr. McArdle: May I ask for information from Mr. English as to whether this statement that he has read refers only to what he might understand by the first part of the resolution that was offered to the committee by Mr. Robertson?

Mr. English: You mean the whole statement or resolution?

Mr. McArdle: The whole statement.

Mr. English: The whole statement is based on the whole transaction running back six or seven months. Any reference I make to the resolution is the fact as I have stated it there.

Mr. McArdle: The fact I am trying to make clear is whether in the reference to a change of policy on the part of the city or the committee as it was expressed in its action the other day the gentleman is dealing with the part which has to do with certain instructions to the Department of Public Works concerning the condition of this street during the next few months, or whether it has to do with the difference between following a policy such as he outlines here should be followed and which, if I remember correctly, the committee, by vote, decided not to follow and the policy which was adopted as a part of the resolution which Mr. Robertson offered delaying this action and allowing a different course to be pursued; or in other words, the taking of the course which Mr. Robinson, Special Assistant City Solicitor, advised?

Mr. English: That is very simple. Both subjects are bound up in one, and I am protesting against the first clause of the resolution instructing the Director of the Department of Public Works to cause Chartiers Avenue to be made safe and passable for the public during the winter. I am not referring to the second clause in the resolution. At the time the resolution was presented to the committee I stated that I was opposed to it and asked for a separation of the resolution. My request was granted, and I favored the second part of it, while I voted no on the first portion of it. My whole statement refers to the policy in this instance and the whole attitude of the Pittsburgh Railways Company since the Receivers were appointed.

Mr. McArdle: I am trying to get this light because the thing in my mind is vital. The first part of that resolution which Mr. English refers to, of course, has practically little to do with the larger question of the city's policy in dealing with the Pittsburgh Railways Company or its Receivers or any of the larger aspects of that problem, and I confess that the impression made upon my mind of the reading of his statement was that his criticism was directed more to the latter part of the resolution, or the second half as it was divided then to the first half, and what I am trying to get clear is whether Mr. English is assuming a different attitude than at the time it was disposed of in the committee.

Mr. English: How does it strike you about the whole statement?

Mr. McArdle: I will have to confess that I am not able to comprehend it. I am not able to analyze its different points and for that reason I am asking the question.

Mr. English: The only reference I made to Mr. Robertson's resolution, which Mr. Stone wrote, about the Director of the Department of Public Works is, "Worse than that even is the ridiculous resolution adopted by the committee of Council, written by City Solicitor Stone, instructing the Director of the Department of Public Works to make Chartiers avenue safe for traffic." I emphatically dissent from such a course and hereby express my opposition to backing down one step and particularly oppose assuming the liability and responsibility for any damages resulting from the Pittsburgh Railways Company's refusal to comply with the terms of its franchise for Chartiers avenue.

Mr. McArdle: That is a rather lengthy statement.

Mr. English: The only thing I have in mind is if there is something in this statement which any member feels he has a personal grievance against and if it is the purpose of Council to gain time to examine my statement to see if any member is insulted or thinks any personal reflection has been made by me I will be glad to consult with the committee or any member thereof and if it can be shown me that any statement I made there is casting a reflection on any member or insulting to any member I will gladly eliminate it. What I want to do is to put in this permanent record a statement of my position in this matter. I protest against the action of the City Administration in changing its advice to Council. I believe this was a golden opportunity for the City to assert its rights over the streets of the city.

The Chair: The only thing about it, that persons who are not familiar with the facts and hearing your statement without any reasons advanced by the Law Department would get an unfavorable impression. In recognition of the rights of the other members of Council I think the statement should go to the committee.

Mr. English: On that ground I am perfectly willing to have it go to the committee and the Law Department be allowed to make a statement. I am willing to have any statements incorporated in the record that council desires. I have not transgressed any person's rights, consequently my statement as a matter of personal privilege is not and should not be subject matter for consideration by committee.

The Chair: I am only speaking for myself.

Mr. McArdle: The only point I am trying to get clear on—I am not questioning Mr. English's right to make

this statement or question his right to have it printed in the record, but I do want at some point or other to get a very definite understanding on two points. First as to how this statement may be interpreted in its relations to my actions as a member of the Council and second as to how it actually goes with Mr. English's own actions as a member of Council, on the one hand and a member of the committee on the other, when this thing was discussed. We should determine whether or not in this statement Mr. English might be understood as taking an entirely different position on the subject than he did in committee when it was discussed.

Mr. English: In answer to the gentleman. Any interpretation may be placed on it by whoever wants to interpret it. I am making public here my position so that the people may know how I stand in regard to this improvement. It is no reflection on the other members of Council, although I believe Council was given bad advice in regard to the cost of this improvement and other phases of it. They told us that it would cost \$80,000 to do the whole job. If only one track was going to be done this winter it would only cost half that amount, and by the time the legal questions were straightened out only \$40,000 of the work would have been done. However, they kept on throwing in the \$80,000 as though it would cost that much this winter to do any of the work. Through fear and apprehension an absolute face-about on the proposition by the City Administration was affected from the attitude of ten days or two weeks previous. You will all admit and acknowledge that. I can say further that something is going on underneath this question and that somebody is pulling strings. We passed a few moments ago an ordinance for the repaving of Federal street, where tracks are located and the paving done between it.

Mr. Robertson: You are wrong; there are no street car tracks on this portion of Federal street.

Mr. English: Where is this portion?

Mr. Robertson: It is Federal Street Extension.

Mr. Raub: Alongside this very statement there are a good many other statements along that line, and it seems to me a lengthy communication of this kind should be referred back to committee so that we can look it over. I so, move, Mr. Chairman.

Mr. English: I am going to second this motion for the purpose of giving the members an opportunity to go over the statement carefully to see if there is anything insulting or abusive in it. I do not yield any of my rights under personal privilege however, but as a matter of courtesy to the other members of Council I am willing to allow time for them to examine my statement. I have certain distinct rights as

a member of this Council and unless the members can show that I have transgressed on their rights or impugned their honesty the statement should be printed. If it is shown me that I have insulted any member by any statement here I will gladly cut it out. As to whether other members desire to place in the record a statement of their position on this matter, that is a personal matter and does not lie within my province.

Mr. Raub: I wish to state again that the members of Council have not been scared. Now, I want to say I have not been scared and from the looks on the faces of the other members I don't believe they have been scared. The action was taken to give the citizens of that district redress. They are going to get something this winter that they would not get until next spring. If we didn't pass the resolution as we did the people would have a terrible street again. We tried to remedy to the best of our ability this winter and after this war we are going to do what we can. My motion is that this lengthy communication be referred to the committee so that each member may have an opportunity to look it over. I want to say that I wasn't scared at anything that was done, but was scared that such a lengthy proposition like that should be printed in the record.

Mr. McArdle: I want to raise a question as to the wisdom of this action. This is not a communication; it is a statement made by a member under his rights, presuming that he is exercising his rights of personal privilege here, and I doubt the wisdom of following the course which makes the reference of the remarks made by a member of Council to a committee for the consideration of that committee. This communication, if there is no protest raised against it on the ground that it is not a question of personal privilege and the request being made at the same time that he wants it printed in the record, it ought to follow and it ought not to be sent to the committee for the purpose of deciding whether that course is going to be pursued or not. So far as the consideration of questions that may grow out of the making of this statement is another subject and leaves every member of Council free concerning his views of it either in committee or some subsequent meeting of Council if a careful reading or digesting of the matter impels him to the thought that he should do so, and I think it would be had precedent for us to take upon ourselves to take a statement for which a member of Council is responsible and send it to committee and make it a subject of discussion. We cannot force him to change the statement and we even haven't the right to ask him to change it. Here is the place where the statement should be changed if it is to be changed.

Mr. Winters: Mr. President, I regard the statement just submitted by

Mr. English concerning the action of members of Council in Committee of Public Works by voting to delay the proposed improvement of Chartiers avenue until next spring as a reflection by him on either the intelligence or integrity of the other members of this body.

I have no objection to Mr. English taking his own stand in this matter, and I am willing to allow him to make it a matter of record, and was satisfied to believe his opinion was based on honest personal convictions. I am sorry that he does not have the same opinion of the motives of the other members of Council (I believe the vote on this question was six to one, Messrs. Burke and Garland being absent).

Mr. English states that he believes the other members of Council voted as they did because they were scared and were misled by a lot of fears and apprehensions thrown out by the City Administration. He speaks of "camouflage," "Skullduggery of the lowest type," and insinuates things he appears to fear to say outright by very graciously absolving city officials (which might include members of Council) from any charge of criminal conspiracy.

Now, Mr. President, I am not making my statement for the purpose of debate, or preventing the statement of Mr. English becoming a part of the record, but to go on record with him, to set forth as clearly as I can my reasons, which I believe were also the reasons of the other members of Council for voting to delay this improvement until next spring. I was not scared of, nor scared by anybody, but acted by what I thought to be the common-sense view of the situation.

The meeting of the Public Works Committee at which this action was taken was attended by Mr. Stone, City Solicitor, Mr. Swan, Director of the Department of Public Works, Mr. Sprague, Chief Engineer of the Bureau of Engineering, and Special Attorney C. K. Robinson, who I believe is really the legal representative of the Council. I don't think I am mistaken in saying that about two years ago Council created positions of this kind, setting forth the names of C. K. Robinson and C. Elmer Bown, to fight the questions at issue between the City of Pittsburgh and the Pittsburgh Railways Company, and thereby expressed their confidence in Mr. Robinson by making him chief counsel and Mr. Bown his assistant. Now, if the members of the present Council are to believe the statements of Mr. English then I believe it would be about time to get someone else to fight the battles against the Pittsburgh Railways Company; but I have not reached the point where I want to impugn the motives or charge directly or indirectly any dishonesty of purpose on the part of Mr. Stone, Mr. Robinson, Mr. Swan, Mr. Sprague or the other six members of Council who were present at the committee meeting.

You will remember, Mr. President, that I was acting as chairman of the meeting of the Public Works Committee when this discussion and vote took place, and in answer to my question Director Swan stated that it was thought advisable to postpone action on the permanent improvement to Chartiers avenue (1st) because the Department had received orders from the government officials at Washington that no work of this kind could be done after November 1st without their permission and that he did not believe such a permit would be granted; and (2nd) that he could not get more than four or five weeks' work accomplished before winter set in; that this work would be of a preliminary character which would leave the street in a bad and unfinished condition until next spring, making conditions worse than at present, and that he would advise against commencing work at this late date. I asked Mr. Sprague to voice his sentiments and he replied that he concurred in all that Director Swan had said. I then asked Mr. C. K. Robinson, our attorney, if a delay under the circumstances stated of two or three months would prejudice the interests of the City or Council in any manner whatsoever in the questions now before the United States Court. He answered that it would not and had no reason to think otherwise, and on question, Mr. Stone, City Solicitor, concurred in Mr. Robinson's opinion.

Now, regarding the resolution introduced by Mr. Robertson, which was adopted, instructing the Director of the Department of Public Works to make Chartiers avenue safe for traffic for the winter, which Mr. English asserts was written by Mr. Stone, and which he characterizes as a ridiculous resolution and a backdown of our policy, I will say that Mr. Stone, Mr. Robinson and Director Swan stated that the resolution really meant nothing but a notice on the part of the Council to the people of the community affected that Council was recognizing their rights and wished to go on record as safeguarding their lives, and that the Department of Public Works would, as a matter of duty, have taken the course stated in the resolution whether same had been introduced or not. Mr. English seems to have forgotten that he voted for one-half of the resolution. I think the members of Council will recall that he asked for a division of the resolution so that he might vote no on one part and yes on the other.

Now, Mr. President, I am as anxious as Mr. English to give relief to the people affected by the Chartiers avenue situation and will prove it in the spring when the difficulties I have recited are adjusted. I am not making any apology for my vote on this question, but merely wish to go on record as to my reason for so voting. I believe Mr. English to be unfair in his judgment of the motives of the other members of Council, but I am perfectly willing that his statement shall go on record just as he made it, and I

shall along with the recorded words of "camouflage" and "skullduggery" make a mental record of the words "exaggerated ego."

Mr. Burke: Mr. President and Gentlemen of Council:—I am opposed to the motion to refer this matter to committee, and I am also free to state my reasons. First, it originated in Council. Mr. English was granted the privilege, under personal privilege, which he has a right or any other member of Council has the right, to state what his privilege is, and then whatever question he may bring before Council is the property of the Council, and it is up to the Council to then deal with it as in their judgment we feel we should. Mr. English has challenged Council and asked Council if there is any part of his statement they object to. If he is willing to eliminate that part if they can give reasons, I presume he would be willing to eliminate any part that casts any reflection upon them. Now to send this back to committee might at some future time when some member of Council might have something with more importance than this, and this would be establishing a precedent; and when a man had a grave question and arose to make his remarks under personal privilege and wanted them to go on record it would be brought up that as a precedent was established the matter should be referred to committee. I think it ought to be threshed out here. There was one feature here that Mr. English had stated as far as the members of Council are concerned, "I think they have been scared and misled by a lot of fears and apprehensions thrown out by the city administration." Well, as far as I am concerned, there isn't much about that.

Mr. English: Do you feel that you have been insulted by that statement?

Mr. Burke: You might have left that out. You do insinuate there—

Mr. English: I will cut that out.

Mr. Burke: I believe you ought to do that. It should have been left out in the first place. It is an insinuation on the other members of Council.

Mr. English: I will cut out the word "scared" if the gentleman objects to it. The word "scared" has been cut out.

Mr. Burke: That is what I analyzed as the whole bone of contention. I don't believe any other member of Council will object to you cutting that out. He is willing to cut that out and I think that he might just as well have left it out in the first place.

Mr. English:—Allow me to say this, please. I don't want to take up all the Council's time. When a member has something to bring before Council he should be allowed to go through with it up until the point of approving the minutes. My object in reading it here is to have it in a permanent record so that the people may know my position

in regard to the improvement of Charliers avenue. I do this now so that I may not feel accused of fixing the minutes, and I don't want to array myself against every member of Council. I think we have lost the golden opportunity to reclaim control over the streets of the city; and for that reason I dissent from this whole action of procedure. I want my remarks printed as part of the record, and the clerk can get copies ready for each member of Council for next Monday and if any member don't like the word "scared" I will cut it out. I do insist that the members of Council have been misled. As Mr. McArdle has said that is not a subject for any committee or any other member unless the rights of such member have been transgressed and my offer to allow them to go to committee was merely for the purpose and convenience of the members to go over them and point out where I have insulted them, without yielding one iota under my rights. I don't propose to be discourteous or mean to Council, but am anxious to have other members place their side of the question alongside my statement in the record if they feel so disposed. Far be it from me to deprive any member from placing his reply in the permanent record. If in the judgment of the members they believe they have been insulted by any remark I have made I will offer an apology and will gladly cut it out. My purpose in asking this to be recorded as a part of today's meeting of Council is because this is a permanent record and shows my position in regard to the Pittsburgh Railways Company.

Mr. Rauh: I arise to a point of information. When I offered the motion to refer the statement to the committee, didn't the gentleman second the motion?

Mr. English: Yes, sir. But what did I say in connection therewith?

Mr. Rauh: I cannot—

The Chair: Mr. English said that he seconded the motion to refer the statement to committee, but reserved the right to have it printed in full in today's record; that he did so for the purpose of giving the members an opportunity to consider it as to whether it was insulting or not to them. Mr. English's statement alone would look bad in the record, but after the statement made by Mr. Winters I believe it is an answer to Mr. English's statement.

Mr. Dailey: I want to say a few words—that the only time I saw the member of Council scared was six or seven months ago when he jumped up and said there was skullduggery being pulled off and that the city was getting the worst—

Mr. English: Mr. President, I ask you to confine the gentleman's remarks to the question under discussion. If he opens up a subject disposed of seven months ago I will go into that subject a little deeper.

The Chair: Are you making your remarks as a question of personal privilege?

Mr. Dailey: No, sir; I am making my remarks in so far as skullduggery is concerned and members being—

The Chair: If you confine yourself to the subject, we will be glad to hear from you.

Mr. Dailey: I want to say that he said that he would be on the job over there from eight o'clock in the morning to six o'clock in the evening—

Mr. English: Has that anything to do with this proposition? If you are going into that, we will go through with it.

The Chair: Confine yourself to the question under discussion.

Mr. English: He is attempting to tell you of my actions as a member of Council.

The Chair: He has some rights here and if he transgresses them we will call him to order. Proceed.

Mr. Dailey: He spoke, then, Mr. Chairman, about skullduggery and how he would be on the job to prevent it; and last Tuesday if he had all the information before the committee that he has in this communication, and if he is finding fault, the time was to spring it there and not here, and that was his opportunity to spring it, and he is an intelligent fellow; and if there was any skullduggery (because that is his specialty) he would have sprung it on us; and I don't know why it should go back to committee. Unfortunately I supported him last Tuesday and if I had to do it over again I would not have done so. I didn't know that the United States Government would not allow you to do any new work after November 4; and I don't believe the gentlemen who did not support him should come in for such a condemnation as this. If this gentleman was on the job and knew of this skullduggery it was his duty to tip us off. He talks about man power and different things, which to my mind has nothing to do with the improvement of this street. We are just as anxious to give the people of that district an improved thoroughfare as he is; but acting on the advice of the City Solicitor, Special Assistant City Solicitor and the Director of the Department of Public Works, the action as adopted by the committee was taken. I want to tell you, Mr. Chairman, that if this statement is printed it will make about 28 pages in the municipal record, which costs about \$3.00 or \$4.00 a page; and if he will cut this down to a page I will vote for it.

Mr. English: I am not going to waste any time trying to answer a lot of piffle. Let the gentleman point out where I charge any person with skullduggery.

Mr. Bailey: I am not saying whom you charge with skullduggery.

Mr. English: Then he is throwing his remarks into this question as a matter of piffle. I have refrained from charging any member of Council with skullduggery. Here is what I say about skullduggery. "The construction placed upon the Borough of Sheraden franchise to the underlying company, the Pittsburgh, Crafton and Mansfield Street Railway Company, by the attorneys for the Receivers was nonsense, pure and simple. The attorneys for the Receivers stated that any changes in the grade of Chartiers avenue or the improvement thereof must be made at the expense of the borough. That position and statement is not even camouflage—it is skullduggery of the lowest type." I don't charge him with skullduggery. If the gentleman is anxious to be responsible for skullduggery, I have no objection. It is thrown into this discussion by a man who is responsible for his statement. This is done for the purpose of having it printed as part of his statement. I suggest again that the proper course to pursue is to have my statement printed as part of the minutes and that each member be furnished a copy so that he will have an opportunity to analyze it and if a member finds one word in it against him I will sit down with one or all of them and expunge from that statement any remark which is considered insulting. That can easily be done. I will cut out anything that reflects upon him just as I did the word "scared" for the gentleman on my right, but the last speaker is throwing into the question a lot of piffle.

Mr. Garland: I think we can clean up this question. I will make a motion that the statement be printed in the record just as it was read, because every American citizen stands in his own shoes; and that Mr. Bane, the attorney for the Receivers, whose name is mentioned, because he is a good American citizen, be allowed to have his answer printed, and that every member of Council, whether at the next meeting or two meetings thereafter be given the same privilege as Mr. English, and that Mr. Robinson, Mr. Stone and Mr. Swan, who have been criticized, be given the same privilege of having their statements printed in full in the record. I move, Mr. President, that Mr. English be allowed the privilege of having his remarks printed in full in the record and that every man whose name is mentioned there and is accused be allowed to bring in his statement or communication and be printed in the record also.

Mr. Burke: He is asking for no more rights than any other member of Council, and he can make any kind of statement he wants. It is folly and waste of time to refer to committee. Let him put it in.

The Chair: A motion has been made by Mr. Rauh to refer this entire matter to the committee. We were discuss-

sing that. The motion of Mr. Garland is to amend by allowing all persons accused the privilege of answering Mr. English and putting their statements in the record.

Mr. McArdle: I want to say briefly that I am opposed to this motion so long as it provides for the printing of communications in the records which we have not before us. I am not concerned at this particular time about protecting the interests of anyone who may feel insulted at the statements made, and I don't want to be put in the position beforehand of assuming that these communications are forthcoming or inviting outside individuals to enter into a discussion which might be made by the suggestions made here.

Mr. Garland: I recognize just what Mr. McArdle means. I want to change my motion and the motion to refer to committee, and make it read, "that Mr. English's statement be printed in the record."

The Chair: The motion before the house is to refer the statement to committee.

Mr. Burke: I raise a point of order. The members of this Council have charge of the record.

The Chair: You are absolutely right; they can expunge from the record anything they desire by a majority vote, but they cannot make a man make a record that he does not want to make himself.

Mr. English: There is a principle involved regardless of the matter contained in my statement. I beg the President and members to look it up; that is the rules of order or anything else to see if a man has not some inherent rights which come to him as a member of the Council, and I say to you in all sincerity and earnestness that a member has a perfect right to say whatever he pleases on this floor as long as he does not insult or malign the members of Council.

The Chair: I will have to disagree with you.

Mr. English: Maybe you disagree with me, but if you will look it up—

The Chair: A member is out of order when he insults—

Mr. English: That is what I say. However, as long as a member keeps within his rights he can say whatever he desires on the question of personal privilege; but if you have the votes you can throw my remarks out of the record; but I appreciate that you are men of intelligence and you are not going to act in such a hasty manner. If Council objects to the word "scared" it can be eliminated. I will submit that the only things which should be stricken out of a member's statement are those remarks in which he insults or maligns another member. However, at the request of Mr. Burke, I have taken out the word "scared."

The Chair: Gentlemen, is it necessary to repeat the motion. We will take a vote on Mr. Rauh's motion as well as the amendment offered by Mr. Garland.

Mr. Burke: I raise a point of order on Mr. Garland's amendment. My point is that it is superfluous; it may be printed in the record as a matter of personal privilege.

The Chair: Your point is well taken. If Mr. Garland's last motion is adopted it is printed right away without any further motion.

Mr. Burke: I think the whole procedure is out of order. As far as the motion to refer a personal right of any member of this Council to committee; and I further want to state while I am on the floor, that by giving a member the floor on a personal privilege, I don't believe the Chair has any right to interrupt. He is given that right unless he becomes so offensive, which has not been proven in this case; and the sponsor of his own remarks invites any member of this Council to point out in his statement any place where it reflects on this Council, and if it does he will withdraw that remark. On one occasion he has done this. All of this action happened at the Finance Committee. Unfortunately, I was not present. I was absent on account of sickness. That particular condition appealed to me. It kind of struck me that he criticized the members of Council; that is his privilege. I repeat that when a member of Council is granted the floor and demands it under his rights of personal privilege on any question he should be given the privilege; but so soon as he becomes abusive and obnoxious he should be interrupted by the Chair or anybody else. When he is granted the floor on personal privilege in this body when a quorum is present, no matter what he says, it becomes a record of this Council, and when the minutes came before Council for approval then it is time for Council to strike out all or a portion which does not suit a majority of the Council. I say again that the motion to refer his remarks on personal privilege to committee is out of order, and the amendment is out of order and is superfluous, and my remarks are matter of record.

The Chair: The amendment offered by Mr. Garland will be voted on first. That the statement be printed as read.

Mr. Garland moved

That the statement be printed in full in the record.

Upon which motion, Mr. Burke demanded a call of the ayes and noes, and the demand having been sustained, the ayes and noes were ordered taken, and being taken were:

Dailey	Rauh
Garland	Robertson
Herron (Pres.)	Winters
McArdle	

Noes—Mr. Burke.

(Mr. English not voting.)

Ayes—7.

Noes—1.

And a majority of the votes being in the affirmative, the motion prevailed.

Mr. McArdle moved

That the resolution be waived and the following bill be considered by the Committee on Finance:

Bill No. 1618. An Ordinance entitled, "An Ordinance amending Section 117, Bureau of Recreation, Department of Public Works, of an ordinance entitled, 'An Ordinance fixing the number of officers and employees of all departments of the City of Pittsburgh, and the rate of compensation thereof, etc.,' which became a law February 18th, 1918."

Which motion prevailed.

Mr. McArdle moved

That Mr. C. K. Robinson, Special Assistant City Solicitor, be requested to furnish Council a written statement setting forth his reason for advising the Committee on Public Works to adopt the second part of the resolution presented to the committee at its meeting on October 29th, 1918, which reads as follows:

Resolved, That the Department of Public Works cause Chartiers avenue to be made safe and passable for the public during the coming winter; and be it further

Resolved, That the Department of Law be instructed to take the necessary action in court and otherwise as may be necessary to compel the completion of the improvement by the Pittsburgh Railways Company or some predecessor in title at its or their expense.

Which motion prevailed.

And on motion of Mr. Dailey,
Council adjourned.

"Mr. President and Gentlemen of Council:—I am requested by Mr. Van, Assistant City Solicitor, to ask Council to grant a hearing to Emmett J. Scott, special assistant to the Secretary of War, on the work he did as an assistant to the Secretary of War. Mr. Van thinks with a little encouragement on the part of Council a meeting could be arranged some time on Tuesday whereby the people of Pittsburgh could learn of the work this distinguished gentleman has rendered during this war. An address by Mr. Scott would be beneficial to a great number of citizens of this city. He is perhaps the most conspicuous man in America today, and it would be a credit to our city if it would arrange a meeting when our people could hear Mr. Scott. Mr. Scott, I might say further, was formerly Secretary to Booker T. Washington. He is not a politician, but a man big enough for the job which he filled as assistant to the Secretary of War. I hope Council will arrange a hearing for Mr. Scott."

Mr. Winters arose and said:

"Mr. President, I understood that Mr. Scott was in the city and for that reason I have had prepared a resolution which I will present at this time if there are no objections."

Mr. Winters presented

No. 1680. Whereas, The Hon. Emmett J. Scott, Special Assistant to the Secretary of War, is now in the City of Pittsburgh; and

Whereas, His appointment by the President of the United States as Special Assistant to the Secretary of War has put him in immediate touch with the operations of the War Department at Washington, as well as furnished him an extended acquaintance with the movements and activities of our troops at home and overseas; and

Whereas, It is the sense of this body that Mr. Scott be invited by Council to speak to the Council and the general public on the subject of his special appointment; therefore, be it

Resolved, That Council adjourn all committees at 4 o'clock on the 19th day of November and extend an invitation to Mr. Scott to address this body and that the public be invited, on the subject of his "Special Appointment and Work as Special Assistant to the Secretary of War."

Which was read.

Mr. Winters moved

The adoption of the resolution.

Which motion prevailed.

PUBLIC UTILITIES LITIGATION.

Pittsburgh, November 9, 1918.

Members of Council,
City of Pittsburgh.

Gentlemen:—In reply to the inquiry of Council of November 4th, with reference to the action taken by the Committee on Public Works, relative to Chartiers avenue, I have to report that the facts with respect to the matters contained in the second part of the resolution, in accordance with the recollection of the writer, are as follows:

At a prior meeting of the committee, the situation then existing in the United States District Court, and certain remarks made by the judges, was laid before the committee and it was explained that it would be impossible to secure a final decision of the Court relating to Chartiers avenue in time to permit any work to be carried forward by the Railways Company or the City, before the winter season. It was also stated that the Court informally suggested that the City might itself proceed with all the work, including the part within the railway area, without thereby being in contempt of Court. It was suggested under the circumstances, that the Department of Public Works and the Law Department be instructed and authorized to immediately take up with the contractor, the question of the possibility of making substantial progress with the work, including the street railway company area, and the cost thereof. I am informed that the Department of Public Works proceeded forthwith to secure bids from the contractor for the cost of the work within the railway area; made investigations of the possible use of old materials and the securing of new materials, and promptly reported the result of their inquiries to the Law Department. It was then arranged that representatives of the Department of Public Works and Law Department should appear before Council and lay the whole situation before Council so that it might arrive at a definite conclusion whether the City should immediately proceed with all the work, or whether the question of actually proceeding with the physical work should be postponed until spring. It was the intention of the writer to lay all these matters before the committee without recommendation, since the questions involved were essentially practical rather than legal; in other words, the primary question for decision was whether under the circumstances sufficient progress could be made to render the highway in better condition for general public use, including the street railway area, before winter would stop the work, or whether it was liable to leave the highway in such unfinished state as to render it less adaptable to public use during the winter. So far as the writer can recall, no opinion or recommendation

was expressed respecting this matter until after the resolution had been adopted, when the writer expressed the judgment that in view of the statements made by the Department of Public Works respecting the possibilities of progress, that the action of the committee seemed to be warranted under the circumstances.

I cannot see how the adoption of the resolution modifies in the slightest degree any legal rights of the City or in any way compromises any position heretofore taken. It does, however, afford the Department of Law the opportunity to press certain matters for the immediate consideration of the Court, which may make it unnecessary for the City to advance the moneys involved and to run the risk of securing their recovery from the Receivers of the Railways Company or from the underlying street railway companies. It may also result in having the Court definitely determine that the Railways Company is responsible in the matter of making the improvement and also that the Court has jurisdiction and power to order the Company to carry forward its part of the work. If such results may be obtained before spring, it will be a most valuable decision for the City, not only because it will determine the City's rights in the premises, but because it will establish a precedent which will enable the City to secure reasonable and prompt cooperation on the part of the Railways Company without compelling the City to finance the improvements required of the Railways Company, and at the same time jeopardize the moneys which would be expended by the City on account thereof.

Respectfully yours,

CHAS. K. ROBINSON.

Special Asst. City Solicitor

MOTIONS AND RESOLUTIONS.

Mr. McArdle presented

No. 1734. Whereas, In a number of public parades that have been recently held in Pittsburgh for the purpose of promoting some cause iden-

tified with the prosecution of the war, or in celebration of some event in connection therewith, the Mothers of Democracy, an organization made up of the mothers of soldiers and sailors in the service of the Government, have been given positions in the ranks which seems to be entirely out of keeping with the sacrificial contribution which they have made to the cause; and

Whereas, Future events of a similar nature will likely be held under public auspices; Therefore, be it

Resolved, That, in the event of future public parades, the arrangements for which public officials will be responsible, it be recommended to them that the mothers of soldiers and sailors in the service of the Government who may participate in such parades be given a place of honor in the line of march in keeping with what they have contributed to the success of the great cause.

Which was read.

Mr. McArdle moved

The adoption of the resolution.

Which motion prevailed.

Also

No. 1735. Whereas, The victorious American Army, which has been so heroically fighting the struggle for supremacy between military autocracy and world democracy on the battle fields of Europe, will soon be sending its boys back to America and to their homes and friends; and

Whereas, It will be the duty as well as the inexpressable pleasure of the citizens of Pittsburgh to give to our boys on their return home an expression of our glad welcome and of our heartfelt gratitude to them for their magnificent service and sacrifice in our behalf and of all humanity; Therefore be it

Resolved, That the Director of the Department of Public Works cause to be designed by the City Architects, in conjunction with the Art Commission together with an estimate of the cost thereof, a triumphal arch, so located as to make it available for use in future receptions in honor of our returning soldiers and sailors. Said design and estimate to be furnished to Council at the earliest possible date.

Which was read.

Mr. McArdle moved

The adoption of the resolution.

Which motion prevailed.

Mr. Robertson moved

That the Minutes of October 28th, 1918, be approved.

Which motion prevailed.

Mr. McArdle moved

That the clerk be directed to correct the Minutes of November 4th, 1918, in conformity with the stenographer's notes of the meeting, allowing everything to appear that appears in

his notes, which brings the matter back to council to decide whether all or part of the remarks become a part of the permanent record.

Which motion prevailed.

Mr. McArdle moved

That the minutes of this meeting be prepared in accordance with the notes of the clerk as shown by his own record on the bills as they have been introduced and passed, and by the notes as kept by the stenographer.

Mr. English moved

To amend the motion by adding that the clerk furnish each member of the Council with a typewritten copy of today's proceedings.

Which motion did not prevail.

And the question recurring on the original motion as offered by Mr. McArdle, the ayes and noes were ordered taken, and being taken were:

Ayes—Messrs.
English

McArdle
Rauh

Noes—Messrs.
Burke
Dailey
Herron (Pres.)

Robertson
Winters

Ayes—3.

Noes—5

The motion did not prevail.

And on motion of Mr. Dailey

Council adjourned.

CITY OF PITTSBURGH, PENN'A.

November 25th, 1918.

To the Council.

Gentlemen:—Whereas, In passing the ordinance making appropriations for the fiscal year 1918, sufficient money was not appropriated for meeting certain expenses in the Bureau of Water

and in the Bureau of Highways and Sewers; and

Whereas, At the present writing there is no appropriation from which the amounts required for the conduct of the City's business in these bureaus can be transferred; and

Whereas, It is necessary that amounts should be provided sufficient to take care of the rolls which will be sent for payment shortly; and

Whereas, Said deficiencies are as follows: Bureau of Water, net deficiencies, \$189,975.00; Bureau of Highways and Sewers, net deficiencies, \$38,000.00; and

Whereas, The carrying on of the work of these bureaus is absolutely necessary for the comfort and convenience of the citizens of Pittsburgh, and we believe there has arisen a financial emergency which is covered by the Charter Act.

In view of the foregoing facts, we herewith submit an ordinance making additional appropriation for the year 1918, providing the funds necessary for the continuance of the work and ask its passage.

Respectfully submitted,

E. V. BABCOCK,
Mayor.

E. S. MORROW,
City Controller.

DEPARTMENT OF PUBLIC HEALTH.

Pittsburgh, December 2, 1918.

To the Council,

City of Pittsburgh

Gentlemen: — Enclosed herewith please find a copy of the proposed specifications covering the collection of garbage and a copy of the proposed specifications covering the collection of rubbish for the year 1919.

In the garbage specifications I have included in paragraph ten a provision

for two collections per week from private houses during certain portions of the year and also a provision for one collection per week from private houses. This gives bidders an opportunity to submit proposals under either plan, which I understand is the desire of Council.

To the thirty-third paragraph of the garbage specifications and to the twenty-eighth paragraph of the rubbish specifications a proviso that the signed card of the householder must be verified by the Department of Public Health has been added.

Yours very respectfully,

WM. H. DAVIS,

Director

An Ordinance entitled, "An Ordinance making emergency appropriations for the use of the Bureau of Water and Highways and Sewers in the Department of Public Works for the purpose of providing sufficient funds for the operating expenses of the Bureaus of Water and Highways and Sewers for the remainder of the fiscal year ending December 31, 1918."

In Finance Committee, November 27, 1918, read and amended by inserting a new preamble immediately after the title, and as amended ordered returned to Council with an affirmative recommendation.

Which was read.

Mr. Garland moved

That the amendment of the Finance Committee be agreed to.

Which motion prevailed.

And the bill, as amended in committee and agreed to by Council, was read.

Mr. Garland moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time.

Mr. English arose and said:

"Mr. President, I wish to have placed in the record that I am opposed to the passage of Bill No. 1762, being an emergency appropriation for \$227,975.00, for several reasons.

"In the first place, I am not satisfied that these items are proper emergency items as contemplated by the Act of Assembly which permits of emergency appropriations to be made upon certificate signed by the Mayor and the City Controller.

"In the second place, we are now faced with the result of the failure of the Mayor and his administration to act on the request of Council contained in Bill No. 900, which was adopted on June 10, which resolution reads as follows:

"That the Mayor and Controller join in asking Council to make an emergency appropriation to obtain immediately necessary funds to equip and operate a municipal coal mine and not be hampered, hindered or delayed any longer by an attorney's opinion that municipal bonds cannot be sold to obtain funds for a municipal coal mine because such authority is not expressly granted in the City Charter;"

"and the second part of the resolution reads:

"Either the Mayor, or with Council joining therein, petition the United States Fuel Administrator or the President of the United States, if need be, to set aside any law or custom, whether expressed in the City Charter or legal barnacles of unwritten laws or opinions regarding this or any other obstruction which hampers or prevents the City of Pittsburgh from giving the National Government all the aid and assistance it can render in this time of stress."

"I regret to say that under date of June 13 the Mayor sent a veto message to Council on this resolution, in which he says, 'That by the terms of the Charter Act of 1901, the initiative in the matter of emergency appropriations rests primarily with the Mayor and the City Controller, and furthermore, the language in which this resolution is couched is not appropriate to the subject.' At that time I refrained from criticising the Mayor because the country was at war and I did not deem it proper for any of us to bring about dissension that would attract or detract our attention from the big job of winning the war. I maintained in my resolution, as I maintain now, that if the Mayor had listened to the suggestion of this resolution that he and the Controller join in signing a certificate for an emergency appropriation under the emergency appropriation clause of the Charter Act sufficient money could have been appropriated at that time to operate the coal mine at Mayview. If that had been done there would have been sufficient coal secured to properly handle the Filtration Plant, which now requires over \$100,000 to make up the apparent deficit.

"Now is the time that I can criticise the Mayor for his action in vetoing the resolution and for the second part of his letter in which he flatly disagrees with Council's view that the matter should have been taken up with the Federal Fuel Administrator or the President of the United States. If he had complied with our request we could have had the matter up with the Fuel Administrator or the President of the United States to set aside any laws or customs which interfered with the production of coal when the nation was at war. In the last six months we could have materially helped the city by mining city coal and saving money for the city instead of now making an emergency appropriation to buy coal. In addition we would have released thousands of tons of coal to other, including the Government, and thus could have directly helped in winning the war.

"The last clause of the Mayor's message says, 'This City both before and since the outbreak of the war, has in every possible manner manifested its earnest and devoted loyalty to the National Government in upholding, aiding and assisting its efforts in the preparation for and conduct of the war, but there is no call for, or justification of, lawless methods in pursuing this course.' I would like to put in the record the Mayor's personal record of

actually adopting lawless methods himself. This record is disagreeable when we compare it with the respectful and respectable suggestions contained in Council's resolution No. 900, of June 10, 1918, to provide money to mine the city's coal property. The good people of Pittsburgh have not yet recovered from the action of Mayor Babcock in defying the health authorities of the State of Pennsylvania in lifting the influenza ban. More recently is the opening of the War Exposition on Sunday in defiance of the laws of the State. I am not raising the question of Sunday opening or closing, but I cannot help pointing to these flagrant violations of law by the Mayor of this city. I do this to call attention to his actual disregard of law and then his ridiculous action in calling our Resolution No. 900 a proposal to adopt lawless methods. In June he resented our suggestion that he and the Controller join in asking Council for an emergency appropriation to get coal for the City. Now in November he comes in and says an emergency exists and he wants an appropriation to buy coal from outside parties at higher prices. I cannot stretch my conscience to call this present bill an emergency.

"My third reason is that if proper quarterly reports were rendered by the various departments it could have been seen that the Bureau of Water and the Bureau of Highways and Sewers were running behind in the matter of appropriations. We are told that there are not sufficient funds to carry on these two important bureaus. I don't believe such statements. There is nothing on record which any member of Council can point to that that is the case. The item of \$50.00—the very first item on the list—is not an emergency item as contemplated by the Act of Assembly.

"My suggestion is that when we come to the point of making the budget by adding one-third of a mill to these bureaus on account of the passage of this bill Council should give serious consideration to this matter, to prevent any recurrence of this type of lax business methods by the City administration. If the quarterly reports are submitted as directed by the ordinance Council will be in better position to check the amounts appropriated and expended.

"My final reason for opposition to this ordinance is the fact that I think it is a travesty on the Council to ask it to pass such a bill because a deficit exists. If a deficit really exists some official in the department is guilty of authorizing payment of bills for salaries and supplies for which no appropriation was made. However, I don't believe that this is true.

"For the reasons stated I am compelled to vote No on the ordinance."

And the bill as read a second time was agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken agreeably to law, and were:

Ayes—Messrs.
Dailey Rauh
Garland Robertson
Herron (Pres.) Winters
McArdle

Noes—Mr. English.

Ayes—7.

No. 1809. Resolved, That the President of Council appoint a committee of at least five members for the purpose of considering the advisability of submitting to the voters a bond issue for public improvements and for considering the question as to whether, in the event of the submission of a bond issue to the people, it should be done at a special or regular election, and for the purpose of submitting to Council a bond budget which it would consider expedient to submit to the

people, providing it recommends such action. Said committee to have authority to confer with the Mayor, the Controller, the Directors of the several departments of the City Government, and such other persons or organizations as may be interested in the subject-matter receiving its consideration.

Which was read.

Mr. McArdle moved

The adoption of the resolution.

Which motion prevailed.

Mr. Robertson moved

That the Clerk be instructed to send a suitable floral tribute to the residence of Mr. Burke, on account of the death of Mr. Burke's daughter.

Which motion prevailed.

Mr. Winters presented

No. 1810. Resolved, That the Council, through the President, John S. Herron, confer with His Honor, the Mayor, on the matter of ticket scalping at the War Exhibition at the Exposition Building last Sunday, and enlist his support and sympathy to eliminate this practice the coming Sunday.

Which was read.

Mr. Winters moved

The adoption of the resolution.

Mr. English arose and said:

"Mr. President, I am opposed to the passage of this resolution, inasmuch as the Council has not been consulted in securing this exposition for the City. There was nothing about the tickets or their distribution mentioned to the Council: the Council did not participate in any conference with the ministers or others regarding Sunday closing or not closing; in fact, the matter having been entirely handled by the Mayor from its inception to the present moment, it seems to me common prudence would dictate that the Council permit the Mayor to continue the handling of this exposition. If this question is opened at all it might develop into a complete investigation of the whole proposition which I don't think is wise at this time. It is my opinion that we would only stir up additional trouble unless we go into the whole subject, which, of course, you cannot do under this resolution.

"For the reasons stated I am compelled to vote against the resolution."

And the question recurring on the adoption of the resolution, Mr. English demanded a call of the ayes and noes, and the demand having been sustained, the ayes and noes were ordered taken, and being taken were:

Ayes—Messrs.

Dailey	Rauh
Garland	Robertson
Herron (Pres.)	Winters
McArdle	

Noes—Mr. English.

Ayes—7.

Noes—1.

And a majority of the votes of Council being in the affirmative, the motion prevailed.

Mr. Robertson moved

That the Minutes of the meet-

ings of Council held on November 4th, 11th and 18th, 1918, be approved as printed.

Which motion prevailed.

(Messrs. Dailey and Herron (President) voting No.)

And on motion of Mr. Garland,

Council adjourned.

PRESENTATIONS.

Mr. E. S. Morrow, City Controller, through the Chair, presented

No. 1811.

DEPARTMENT OF CITY CONTROLLER.

Pittsburgh, Pa., December 3rd, 1918.

IN RE FLOATING DEBT DUE OR OVERDUE.

To the Council,

City of Pittsburgh.

Gentlemen:—In preparing estimates for this department for the fiscal year,

1919, there was originally included an item of \$998,986.58 representing amounts that are now due, or will during 1919 be due, street contractors for improvements payable from special assessments, as well as an item of \$165,714.24 damages, representing unappealed damages open on September 30th, 1918, and LEGALLY PAYABLE FORTHWITH.

At the request of the Mayor, and because of the fact that for years past no provision for such payments has been made from the tax levy in the annual appropriation ordinances, these amounts have been eliminated from the printed estimates furnished your body for the fiscal year 1919, but THIS IN NO WAY DISPOSES OF THE NECESSITY OF PROVISION BEING MADE FOR PAYMENT IN ONE MANNER OR ANOTHER.

A few days ago I submitted to you a statement showing that there was due, or would be due during 1919, approximately \$999,000 contractors' claims, and \$166,000 unappealed damages, a total of \$1,165,000, and it was proposed that Council consider the issuance of funding bonds for this amount.

With reference to the necessity of provision for the payment of this amount, I would say that the greater part of the contractors' claims are now due; the balance of the amounts shown will become due (that is, two years old) during the fiscal year 1919, and at any time after two years from the date of the final estimate on any given improvement, the contractor can obtain judgment and require payment of the amount due him. In this connection, I might say that one contractor has reduced to judgment approximately \$400,000 of claims and demands that the City make some provision for payment of this amount forthwith. This procedure can of course be followed by the contractors for the balance of the amounts due that are now two years old, and judgments can be obtained on all claims as rapidly as they become two years old. The unappealed damages of course are in the nature of judgments and payment of these can be demanded at once and should be provided for.

As a matter of pure business policy, the City should not allow these claims to remain in the form they are—that

is, assignments to various contractors and damages which they in turn have deposited in banks and upon which the City has to pay 6 per cent interest—while a funding issue of 4 1-2 per cent could probably at the present time be floated on something like a 4 1-2 per cent basis, thus saving the City 1 3-4 per cent on this amount, or something like \$15,000 a year.

In addition to the above saving that would be accomplished by the funding of the amounts now due, there is the further consideration that if such a course is not pursued, the contractor holding these judgments and who wishes his money may by proper legal procedure require Council to make provision for this amount in the 1919 appropriation ordinance, thus requiring the raising of the amount all in one year instead of spreading it over fifteen to twenty years, as would be done by making provision through funding bonds.

Respectfully submitted,
E. S. MORROW,
City Controller.

CITY OF PITTSBURGH.
Department of City Controller.
December 3, 1918

To the Council,
City of Pittsburgh, Pa.

Gentlemen:—Your attention is respectfully called to the amounts for salaries and wages carried in the Mayor's Budget.

In the ordinance fixing the salaries of employes, many of the positions are carried at "not exceeding current Union Wages." It is the prevalent custom to allow the wages fixed by the Union.

The Union has the power to increase the wage scale at any time during the year and (under a decision) the new wage scale is allowed. This increases the amounts payable for salaries; and transfers must be made to meet the increases.

I know of one Union by which three increases were made during the present fiscal year (1918) and there was nothing to prevent the remainder of the Unions following the example.

I would suggest that Council follow the example of other employers and have the several Unions fix rates of wages for the next fiscal year for all Union men in the employ of the City and then fix that rate in the budget. In the appropriation and salary ordinances for the year 1919, with the definite understanding that the amount shall be not subject to change during that period.

This method, I believe, can be satisfactorily arranged.

Respectfully submitted,
E. S. MORROW,
City Controller.

Which were read and referred to the Committee on Finance.

Mr. McArdle arose and said:

Mr. President, while the subject is fresh in our minds, I want to say the Controller is absolutely erroneous in his assumption of what the facts are so far as the City is concerned in the matter of payment of current Union wages to certain classes of city employes. The City is not at the mercy of the Unions unless it be the will of some responsible official of the city to permit the City to be at the mercy of the Unions.

The theory of the current union wage is to commit the City to the payment of the wages that are paid generally by employers employing that particular class of labor, and it is on the assumption, I take it, that this wage is determined not by an arbitrary action of the Union, but as the result of many very long drawn out and repeated conferences between the representatives of the Union on the one side and the representatives of the employer on the other, and as a consequence by such a procedure a wage is established, which is recognized as being reasonable and fair and agreed to by both parties, and because it is the prevalent wage in the City for that particular class of labor. Now, I concede that perhaps in the City force there has grown up out of that condition an abuse which I contend it has always been and is yet within the power of some City functionary to control or protect the City against. For example, if the plumbers and bricklayers and painters and so on that are engaged in the building trades present to a department head employing any of that particular class of labor or to the Controller the statement that so and so is the current union wage for a given time, it is clearly within the right, and part of the duty of the department head and the Controller, to determine whether or not that is the wage that exists and is recognized throughout the City as current union wage for that particular labor. That is all susceptible of proof either in the form of a signed written agreement by the union dealing with the particular crafts involved and the employers, or by some sort of investigation in the absence of such an arrangement between the employe and the employer where it can be determined, just as other things can be determined by investigation, whether these are the facts underlying each particular case.

Now, the suggestion in addition to that, I may say before proceeding to the other, that there may be conditions where there are unions established who have no other employer than the City of Pittsburgh and it may have been the practice to permit these unions to go out and agree among themselves as to what is to be the current union wage for their particular class of employment and come in and demand the payment of the scale of wage fixed by them. As long as that is done and is permitted to be done the City will be subject to the condi-

tion of which the Controller complains.

The thing I want to make my contention clear on is that there isn't any abuse in that particular line that is not susceptible of remedy and control by the City itself if the proper means are applied."

The Chair presented

No. 1813.

December 4th, 1918.

President and Members of Council of
the City of Pittsburgh,
Pittsburgh, Pa.

Gentlemen:—I transmit herewith the Departmental Estimates for the Budget of 1919 (Sections 1 and 2), with the exception of the Departments of Public Safety, Public Health, a portion of Public Works and a few of the smaller Departments, which should be in your hands on or before Tuesday next.

There is also transmitted a budget showing the estimated financial condition of the City at December 31st, which figures have been compiled by the City Controller. This statement shows an estimated cash balance at the end of the year of \$985,000, with estimated appropriation balances to be carried to the year 1919 of \$585,000, or a free cash surplus of \$400,000.

The estimated cash receipts of 1919, exclusive of the current tax levy, amount to \$5,400,000, making an estimated total of \$5,800,000 available for the expenditures of 1919.

The Departmental Estimates for the expenditures of 1919 as transmitted to you amount to \$17,380,468.52, leaving a total to raise by tax levy of \$11,580,468.52.

Based upon 85 per cent of the current tax levy being collected by the City Treasurer during the year, a millage of 19.23 on land and 70 per cent of this, or 13.46 mills on buildings would be required to raise the above amount.

The levy on land in 1918 was 14.5 mills and on buildings 11.6 mills, an average of 13.34 mills. The average of 19.23 mills on land and 13.46 mills on buildings, required by the estimates as presented to you, is 16.91 mills, or an increase over the average millage of 1918 of 3.57 mills. This millage can be further reduced as the result of information received since the budget was printed; I mention the item of coal, on page 169, which I find upon investigation can be reduced over \$115,000, or two-tenths (.2) of a mill. Another item in the estimates as presented to you is for improvements at Diamond Market, amounting to approximately \$42,000, which are properly a subject for bond issue; the elimination of this item from the estimates would result in a further reduction of the estimated millage by almost one-tenth (.1) of a mill.

I also transmit a summary showing comparative increases and decreases between 1918 appropriations and the estimates for 1919, classified by objects of expenditure. The tabulation below covers the totals of this summary, although not in as great detail as the statement itself:

Classification	1918 Appropriation	1919 Estimate	Increase	Decrease

Gentlemen:—With further reference to the coal estimate for the year 1919, shown on Page 169 of the Departmental Estimates, I beg to say that after consultation with the Director of the Department of Supplies this morning we have determined that it will be possible to obtain coal for the Pumping Stations next year at \$4.00 per ton, and for that reason a further reduction in the estimates can be made of approximately \$36,000.00.

Together with the possible reductions already submitted to you this will permit of the reduction of the estimated millage by over three-tenths (.3) of a mill, making the increase over the average millage of 1918 approximately 3.25 mills.

CITIZENS COMMITTEE ON CITY PLAN
OF PITTSBURGH.

Pittsburgh, November 30, 1918

Hon. John S. Herron, President,
and Members of City Council,
Pittsburgh, Pa.

Gentlemen:—I beg to inform you of the organization, on November 27th, of the Citizens Committee on City Plan of Pittsburgh.

The object of this organization is the creation of a City Plan and the furtherance of city planning in all its aspects in the Pittsburgh district. Its work will, we believe, in no way conflict with that of the Municipal City Planning Commission.

Please be assured of this Committee's desire for harmonious co-operation with the Municipality.

Very truly yours,

J. D. Hallman, Secretary.

Which was read.

Mr. Garland moved

That the communication be received and filed, and the organization be notified that it will have the hearty co-operation of Council.

Which motion prevailed.

The Chair said:

"Gentlemen, the Mayor is here and wants to say a few words in regard to the budget. We will hear from him at this time."

Hon. E. V. Babcock arose and said:

"I want to thank you Mr. President for this opportunity to say a word to Council. The only things, however, that I want to touch upon this morning are few in number and don't require much of a statement by me. I want to corroborate what the Controller said about the contractors' claims. These claims are legitimate and are legal obligations for which the City is responsible. I believe this debt should be wiped out, thus saving the six per cent that the city is compelled to pay annually. I therefore trust that the Council will give serious consideration to the communication of the City Controller in which your attention is called to this matter. I might say that I have refrained from adding the amount necessary to wipe out this debt in the departmental estimates just submitted to you, and I take this opportunity to thank the Controller for his thoughtfulness in calling the matter to your attention. My sole purpose in leaving it out the budget was because I did not think it was a proper item to be included in same.

"The second subject I have in mind is the matter of the millage. It has been stated in some of the newspapers that there would be an increase of approximately six mills in the 1919 taxes. Now any kind of an increase in the taxes is an unpleasant proposition for you and me. There is no question that every sensible person would like to see the millage reduced. However, under the conditions it must be raised now if the city is to move ahead and be more progressive. Right now you are facing the highest living conditions that you have seen during the war. We are now at the apex of our living cost and such a condition may continue for six months or more and we must be prepared to meet it.

"I want to emphasize the fact that the statement that there would be an increase of six mills in the tax rate for 1919 did not emanate from my office. As I have figured it the increase will amount to about three and a quarter mills; that is, the bud-

get means an increase of three and a quarter mills over this year when you start to consider it

"I ask you to give it your careful consideration, the important consideration that the taxpayer and the pay-roller and yourselves as public officials demand, should be given the estimates. I will be glad to co-operate with you. There are some things which have been submitted to you which are not final. For example, the matter of the cost of coal for which I submitted to you a supplemental estimate this morning. There may be other items which can be reduced in the same manner. The government, as you no doubt know, released the price on coal, hence the reduction in the estimate for that commodity. The price on coal as submitted to you is \$4.00 per ton based upon the bid of three firms who are well able to furnish the city with all the coal it needs. This price is also brought about by the fact that it will not be necessary to load the coal in box cars (for which the city was put to an expense of 50c a ton for unloading). The coal dealers will be able to secure hopper cars which can dump the coal at the proper places. The things we had to contend with this year will be eliminated. The railroads will be able to furnish the proper kind of equipment in which to haul the coal.

"I want to say further that if the newspapers will mention that there is an increase of three and a quarter mills over last year as the basis of starting the consideration of the budget items I will be very grateful to them. If the contractors' claims, which the Controller spoke about, are included in the budget estimates it will probably mean an increase of six mills.

"Another little thing I want to call your attention to and that is the matter of a possible strife between the Mayor and the Council. That statement did not come from the Mayor's office and I don't want Council to think that I was a party to such a statement.

"I submit the budget to you with the best information I could get in these busy times. I have gone over the figures that came to me and reviewed them carefully, and I submit them to you as our best thought for your careful consideration."

Mr. English arose and said:

"Mr. President, I rise to a question of personal privilege. I am not pleased with the late hour at which this budget comes to us. The gentlemen of Council may smile if they will, but I want to say that it is not good business. The delay is unwarranted. I protested against this kind of procedure last year and shall continue to do so until the estimates are submitted to us at the proper time. Every year it gets worse, because the Council refuses to exercise its prerogatives and insist that the administration get down to the city's business.

If I am alive and not ripped out of office next year I am going to insist that the budget be ready for us about October. The delay is unwarranted and very unbusinesslike."

Mayor **Habcock** arose and said:

"Mr. President, I don't want to start any row this morning. My best efforts have been rendered the City of Pittsburgh since I have been Mayor. I have worked on an average of 12 hours every day. My actions have not been unwarranted or unbusinesslike, and I resent the remarks. I must despair of ever being able to please Mr. English. I cannot stand before him and let him say those things. I have not been idle since I have been Mayor of this city. I have attended to the city's business and I have attended to it in a businesslike way to the best of my knowledge."

Mr. **English** arose and said:

"Mr. President, The Mayor has seen fit to make a personal attack on me, hence I must reply at once to his challenge. I repeat my charge that bringing in an incomplete budget on December 5th is decidedly unbusinesslike, and I want to hurl the statement back in his teeth. To give the nine members of Council the extremely short time of three weeks to consider this important matter is wrong. Why should we be forced to a three weeks' examination of matter which has taken the city administration five months to prepare? This council did not abolish a single job of a clerk or bookkeeper and dozens of them make up this budget for the Mayor. Now, why has it taken him five months to prepare it for council? I say that is very poor business for any mayor."

"I want the city business done in a businesslike manner and the Council some time ago passed a resolution asking the Mayor to submit his estimates in October. The Mayor did not heed Council's request and I took the matter up personally with him and he laughed at me. He said that he did not want to submit the estimates until after the election. I said alright, but for goodness sake submit them to Council immediately after the election. If this were done the budget could have been prepared and probably by this time it could have been put in ordinance form, passed by Council and transmitted to the Mayor for his approval or disapproval. If such a course were pursued the taxpayers of Pittsburgh would have had thirty days in which to prepare for the payment of their taxes."

"I say the action of the Mayor is not business-like. The fiscal year of the city ends June 30th and the Mayor has had five months time in which to prepare this budget. The tax levy should have been fixed before this. However, I disclaim any responsibility if the millage is not fixed in time for the starting of the collection of the annual tax on January 1st, 1919."

Gentlemen:— Enclosed herewith please find a copy of the proposed specifications covering the collection of garbage and a copy of the proposed specifications covering the collection of rubbish for the year 1919.

In the garbage specifications I have included in paragraph ten a provision for two collections per week from private houses during certain portions of the year and also a provision for one collection per week from private houses. This gives bidders an opportunity to submit proposals under either plan, which I understand is the desire of Council.

To the thirty-third paragraph of the garbage specifications and to the twenty-eighth paragraph of rubbish specifications a proviso that the signed card of the householder must be verified by the Department of Public Health has been added.

No. 1847.

December 9th, 1918.

President and Members of Council of
the City of Pittsburgh,
Pittsburgh, Pa.

Gentlemen:—I transmit herewith the Departmental Estimates for the Budget of 1919 and the Mayor's Exhibit accompanying same. Sections 1 and 2 of the Departmental Estimates previously transmitted to you did not contain the Estimates of the Department of Public Health, Department of Public Safety, City Controller, Mayor's Office and other small Departments.

Estimates for the Department of Public Safety, Bureau of Police, provide for 100 additional Patrolmen, 50 of which are required for additional beats and 50 more men needed to keep our present complement of beats patrolled on account of the two monthly pass

days for 820 men. During the last few years it has not been possible to secure the number of men authorized in the Salary Ordinance and the amount of money appropriated for salaries has covered this item; hence such a provision as this has not been required and has not been set up in the Estimates for previous years. It is my belief that with the change of our salary rate from 5 to 3 years that we will have no difficulty in securing a high type of men for this branch of the service. It seems to me that we should be able to get men for our Police Force who will return shortly from overseas and that the military bearing and training of these men will have a salutary effect on the morale of our entire Force.

In the estimates of the Bureau of Fire provision is made for an addition of 100 men to our present force. This is the number that should be added in order to bring our force up to the requirements, as set out by the Department head. Also included in the item of Equipment on Page 267 is an estimate of \$98,100.00 for 5 new Fire Engines, 2 new Aerial Trucks, 7 Motor Fuel Wagons, etc. This estimate represents the amount of such equipment needed to bring our present equipment up to modern standards.

Included in the estimates of the Mayor's Office is an item of \$30,000.00 for an appraisal of the water works system. My thought is that the City should engage a qualified consulting engineer to appraise the plan and establish rates that would yield a 1 1-2 per cent depreciation fund and a 4 per cent surplus fund on the value of the plant, in addition to the present operating and maintenance charges. The money which would accrue from the 1 1-2 per cent depreciation fund should be set aside for repairs and renewals to the plant and the 4 per cent surplus fund used only for extensions and improvements, the metering of the system, etc., thus eliminating future bond issues. If this policy had been adopted in the past it would not be necessary to take money for repairs to breaks in mains, dams, etc., from bond funds. When once the value of the plant is established this value will be written up in the books and an exact account of additions and deductions to plant kept, so that this valuation will

always be up to date. The State Public Service Commission has issued an order requiring all water works systems in the State to install balance sheet accounts as of January 1st, 1919, and the actual value of the plant should be shown on the asset side of this balance sheet. My understanding is that a small appropriation for this purpose has been made at various times but because no one took the responsibility of initiating the work of appraisal these appropriations were dissipated by transfer to other funds. For this reason the request has been set up in the Mayor's Office rather than elsewhere.

Also included in the estimates for the Mayor's Office is an item of \$100,000.00 for the Mayor's Civic and War Committee. My thought in this matter is to have established a permanent committee, representative of the best in Pittsburgh. The functions of this committee will be to receive soldiers who will shortly return from overseas, official commissions of any kind from other localities who may happen to visit Pittsburgh, etc.

In the estimates for the Division of Motor Vehicles you will note that the estimated amount for supplies, materials and repairs for cars attached to City Council, Department of Public Safety, Department of Public Health, and certain cars in the Department of Public Works have been set up in the estimates for these Departments or Bureaus, but the personnel of the force at the Wylie Avenue Garage remains the same. It was our thought that these appropriations should be made to the various Department interested and when supplies, materials or repairs are needed the Department would issue an order on their own appropriation account and have such material delivered to the Motor Vehicles Garage, where it would be installed by the Motor Vehicle force. It is felt that this procedure will eliminate a great many complaints which have arisen because the Division of Motor Vehicles did not have the material on hand for certain cars, or the money available to obtain such material. Our lease on the Wylie Avenue Garage expires October 1st, 1919, and before that time we expect to consummate plans for the consolidation of the South Side Machine Shop and the Division of Motor Vehicles under one head. It was thought best to let the force at both places retain their present organization until this can be effected.

The Mayor's Exhibit accompanying the Departmental Estimates for the Budget of 1919 presents in the same form as last year the General Fund Receipts and Expenditures from 1912 to date.

The estimated amount to be received from business licenses in 1919 is \$87,708.00, which is only a small increase over that of prior years. This increase represents the result of increases in the amount of business done by the community rather than any increase in the rates charged for licenses. I am attaching a copy of a table showing the various kinds of business licenses and the rates charged for the same by the 13 largest cities, as of possible interest in this connection.

The estimated amount set up in the Budget for the dependents of City employees in the United States Military and Naval Service is \$160,848.00. This is based on a schedule of payments to such dependents for the entire year of 1919. The total amount expended for this purpose from January 1st to October 31st, 1918, was \$90,793.70. Considering that a large portion of these men will arrive home within the next few months, it seems reasonable to cut down the estimated amount for this purpose to \$100,000.00.

Very respectfully yours,

E. V. BABCOCK,

Mayor.

No. 1886. Whereas, The Board of County Commissioners of Allegheny County has expressed a desire to reconstruct a bridge across the Allegheny River at 16th Street; and

Whereas, The public interests require the completion of this project at the earliest possible date; and,

Whereas, The building of said bridge will entail certain changes in the grades of certain streets of the City of Pittsburgh and certain other legislation on the part of the City of Pittsburgh, which may entail certain financial obligations upon the City of Pittsburgh; therefore, be it

Resolved, That the Council of the City of Pittsburgh hereby expresses its desire to co-operate with the County of Allegheny in the execution of this much desired public improvement to whatever extent the circumstances would seem to warrant, and that the Director of the Department of Public Works be requested to confer with the Commissioners of Allegheny County and their engineers; to examine their plans; to make such surveys as may be required and report to Council at the earliest possible date what legislation is necessary; what would be a fair proportion of the expense to be charged to the City, together with an estimate of the cost thereof, and to prepare for presentation and the consideration of Council such legislation as the circumstances require; and be it further

Resolved, That the said Director be requested to report upon the question as to whether the execution of this

improvement involves the interests of any of the public utility companies to an extent that they might reasonably be expected to share in the expense of this improvement, and if so, to inquire from them what their attitude would be towards entering into an agreement looking to the payment of such share as might be by negotiation agreed upon.

APPENDIX

No. 1

AN ORDINANCE—Authorizing and directing the issuance and sale of bonds of the City of Pittsburgh in the principal amount of seven hundred thousand dollars (\$700,000.00), for the purpose of providing funds for the payment of the current ordinary expenses of conducting the public business of said City, and providing for the redemption of said bonds and the payment of interest thereon, and appropriating the proceeds thereof.

Whereas, in order to provide ready money to meet the current obligations of the City it is necessary to anticipate the uncollected revenues by issuing short term bonds, for the payment of which the uncollected revenues shall be pledged; now, therefore

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same,* That bonds of the City of Pittsburgh in the principal amount of seven hundred thousand dollars (\$700,000.00) be issued for the purpose of providing funds for the payment of the current ordinary expenses of conducting the public business of the City, which bonds shall be coupon bonds, with interest coupons attached, payable semi-annually, with the privilege of exchanging such coupon bond or bonds for a registered bond or bonds of the same maturity as and of any denomination not exceeding the aggregate principal amount of the coupon bond or bonds surrendered in exchange therefor, by surrendering such coupon bond or bonds, with all coupons not then due, at the office of the City Controller; and the City Controller is hereby authorized and directed to cause such coupon and registered bonds to be printed, and to issue the same in the name of the City of Pittsburgh, the expense thereof to be charged to Appropriation No. 42, Contingent Fund.

Section 2. Said bonds shall be issued in denominations of one hundred dollars (\$100.00), or multiples thereof, shall be dated as of the first day of January, 1918, and shall be payable on the first day of January, 1919, with the option of the City to redeem all or any part of said bonds at any time or times

prior to the maturity thereof, by the payment of the principal amount of the bonds so called for payment and interest thereon to the date on which the same shall be called for payment. Notice of the call of any or all of the said bonds for payment prior to maturity shall be given either by a single publication in each of the official newspapers authorized to do city printing, or by a written notice to the holders of said bonds at least fourteen days prior to the date for which they shall be called for redemption; and in the event that less than all of the bonds outstanding shall be called for payment at any time, the City Controller shall draw by lot from out of the numbers of the then outstanding bonds the numbers of the bonds which are to be redeemed. Interest on bonds so called for redemption before maturity shall cease on the date for which they shall be called for redemption.

Said bonds shall bear interest at the rate of four per centum per annum, payable semi-annually at the office of the City Treasurer on the first day of July, 1918, and January, 1919, and the principal thereof shall be payable at maturity at the same place. The said bonds shall be signed by the Mayor, countersigned by the Controller and sealed with the corporate seal of said City, and the coupons shall be authenticated with the lithographed fac-simile signature of the City Controller.

Said bonds shall be sold by the Mayor and the City Controller at not less than par and accrued interest, at public or private sale, on the most advantageous terms obtainable, provided, however, that such uninvested balances in the Sinking Funds as may be available for the purpose, shall be invested in the same without public notice by advertising or otherwise. And the proceeds of such sales or so much thereof as shall be necessary, shall be and are hereby appropriated, and set aside and applied to the purposes set forth in this ordinance, and to no other purpose whatsoever. Each of the said bonds shall be known and designated as "Current Expense Bonds, 1918."

Section 3. The current uncollected taxes and other revenues of the fiscal year 1918 are hereby pledged for the payment of the principal and interest of said bonds; and there is hereby lev-

ied and assessed for the fiscal year 1918 upon all subjects now by law liable, or hereafter to be made liable, to assessment for taxation for City purposes a tax sufficient to pay the interest on said bonds as the same shall accrue and become payable, and also a tax equal to one hundred per centum of the total principal amount of said bonds, to be applied to, and set apart as a sinking fund for the payment of said bonds as they become due and payable according to their terms; and the same are hereby appropriated out of the revenues of the said city for the payment and redemption aforesaid.

Section 4. All registered bonds issued in exchange for coupon bonds, as provided in Section 1 of this Ordinance, shall be registered with the City Treasurer of said City and be transferrable only on the books of the said City Treasurer.

Section 5. That any Ordinance or part of Ordinance conflicting with the provisions of this Ordinance be and the same is hereby repealed, so far as the same affects this Ordinance.

Passed January 12, 1918.

Approved January 15, 1918.

No. 2

AN ORDINANCE—Fixing the number of Police Magistrates after the first Monday in January, 1918.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That after the first Monday in January, 1918, the number of Police Magistrates in the City of Pittsburgh shall be and is hereby fixed at five.*

Section 2. That any Ordinance or part of Ordinance conflicting with the provisions of this Ordinance be and the same is hereby repealed, so far as the same affects this Ordinance.

Passed January 14, 1918.

Pittsburgh, January 21, 1918.

I do hereby certify that the foregoing Ordinance, which has been disapproved by the Mayor, and returned with his objections to the Council, was passed by a two-thirds vote of said Council, this 21st day of January, A. D. 1918.

E. J. MARTIN.

Clerk of Council.

No. 3

AN ORDINANCE—Validating certain contracts of the Mannella Construction Company for the construction of 15-inch T. C. Pipe sewer on Wealth street from Ulp street to existing sewer on Gittens street, and the

laying of 4-inch and 6-inch water pipe lines in various sections of the City.

Whereas, in the preparation of an Ordinance No. 549 validating certain street and sewer and other contracts where the work was commenced prior to the countersigning by the City Controller, the contract for the Wealth street sewer and the laying of 4-inch and 6-inch water pipe lines were omitted in the list of contracts; now, therefore

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That for the reasons set forth in Ordinance No. 549, approved by the Mayor December 27, 1917, validating certain street, sewer and other contracts where the work was commenced prior to the countersigning of the contracts by the City Controller, the contract for the 15-inch T. C. Pipe sewer on Wealth street, from Ulp street to existing sewer on Gittens street, and a contract for the laying of 4-inch and 6-inch water pipe lines in various districts of the City which were omitted from the list furnished heretofore and made part of Ordinance No. 549, which the Controller has refused to countersign, is hereby approved and the final estimates issued to the Mannella Construction Company by the Department of Public Works is made valid and binding, the same as if the contract had been countersigned by the City Controller; provided, however, that all other requirements of the law concerning said contract has been complied with.*

Section 2. That any Ordinance or part of Ordinance conflicting with the provisions of this Ordinance be and the same is hereby repealed, so far as the same affects this Ordinance.

Passed January 22, 1918.

Approved January 25, 1918.

No. 7

AN ORDINANCE—Carrying into effect the Dog Law of 1917, fixing the amount of dog and kennel licenses, providing for the duties of the City Treasurer in connection with the collection thereof, creating the position of Dog License Collector and fixing his duties and compensation.

Whereas, The Legislature of the Commonwealth of Pennsylvania passed an Act, known as the "Dog Law of 1917," which was approved July 11, 1917;

Whereas, Section 39 of said Act of Assembly provides that: "In cities of the first and second class, the power and duty to fix and collect the license fees provided in Section 4 of this Act, and issue license tags and otherwise perform and carry out the provisions of this Act within the limits of such cities shall be and are hereby given to and imposed upon the Council or Councils of each of said cities respectively."

Nor, therefore, in order to carry the said Act of Assembly into effect within the limits of the City of Pittsburgh.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That on or before the 15th day of February, 1918, and on or before the 15th day of January of each year hereafter, the owner of any dog six months old or over shall apply to the City Treasurer, orally or in writing, for a license for each such dog owned or kept by him. Such application shall state the breed, sex, age, color and markings of such dog, and the name and address of the last pre-*

vious owner, and shall be accompanied by a fee of one (\$1.00) dollar for each male dog and each spayed female dog and by a fee of three (\$3.00) dollars for each unspayed female dog.

Section 2.—Any person who keeps or operates a kennel within the limits of the City of Pittsburgh may, in lieu of a license for each dog acquired by this ordinance, apply to the City Treasurer for a kennel license, entitling him to keep or operate such kennel. Such license shall be issued by the City Treasurer, and a form prepared by him, and shall entitle the licensee to keep any number of dogs, six months old or over, not at any time exceeding a certain number to be specified in the license. The fee to be paid for each kennel license shall be five (\$5.00) dollars for ten (10) dogs or less, and ten (\$10.00) dollars for more than ten (10) dogs, permitted to be kept under the kennel licenses. With each kennel license the City Treasurer shall issue a number of metal tags equal to the number of dogs authorized to be kept in the kennel. All such tags shall bear the name of the City, the number of the kennel license, and shall be readily distinguishable from the individual license tags for the same year.

Section 3. All licenses issued as aforesaid shall be void upon the 15th day of January of the following year. The City Treasurer shall also furnish and issue with each license a metal tag.

Section 4. The licenses and license tags issued by the City Treasurer as aforesaid shall in all particulars conform with the specifications provided for in Sections 5 and 6 of said Dog Law of 1917.

Section 5. The transfer of licenses and license tags issued by the City Treasurer as aforesaid shall be governed by Sections 8, 9, 11 and 12 of said Dog Law of 1917.

Section 6. The duties imposed upon Assessors in Section 16 of said Dog Law of 1917 are hereby imposed upon the City Assessors, and the report therein provided for shall be made to the City Treasurer.

Section 7. The duties imposed upon the County Treasurer by the provisions of said Dog Law of 1917 are hereby imposed upon the City Treasurer, insofar as the operation of said Act pertains to the City of Pittsburgh.

Section 8. That the position of Dog License Collector be and is hereby created and established in the Department of the City Treasurer. Said Dog License Collector shall be paid a monthly salary of one hundred (\$100.00) dollars, and in addition at the end of the fiscal year shall receive as commission ten (10) per cent of the gross receipts from Dog Licenses in excess of ten thousand (\$10,000.00) dollars.

Section 9. Said Dog License Collector shall give bond in the sum of five hundred (\$500.00) dollars, and shall be sworn in as a Special Police Officer. He shall be supplied with licenses and metal license tags, issued by the City Treasurer as aforesaid.

Section 10. It shall be the duty of

said Dog License Collector to visit the various districts and sections of the City of Pittsburgh to ascertain and acquaint himself with the owners, keepers, maintainers and harborers of unlicensed dogs, and issue licenses and license tags to the owner or owners of such, upon receipt of the license fees hereinbefore provided. He shall also perform all the duties imposed upon Police Officers by said Dog Law of 1917.

Section 11. Said Dog License Collector shall once in every week deliver all moneys collected to the City Treasurer, and shall give a satisfactory account of the number of licenses and metal tags issued.

AN ORDINANCE — Authorizing The Pennsylvania Railroad Company, its successors and assigns, to re-locate, construct, maintain and operate certain railroad tracks across Fifty-sixth street, between Harrison street and the right-of-way of the Allegheny Valley

Railroad, and across the twenty-foot alley immediately east of Fifty-sixth street.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That the said The Pennsylvania Railroad Company, its successors and assigns, may remove two tracks which now cross Fifty-sixth street, with their center lines respectively 34 feet and 41 feet from the Northwest corner of Fifty-sixth street and Harrison street, measured Northwardly along the West-erly side of Fifty-sixth street, and in their place construct, maintain and operate a track across Fifty-sixth street, the center line of which will be 40 feet North from the Northwest corner of Fifty-sixth street and Harrison street, measured along the West-erly line of Fifty-sixth street, and 42 feet North from the Northeast corner of Fifty-sixth street and Harrison street, measured along the Easterly line of Fifty-sixth street, and to re-locate, maintain and operate the ex-isting track across Fifty-sixth street, the center line of which is 18 feet North from the Northwest corner of Fifty-sixth street and Harrison street, measured along the West-erly line of Fifty-sixth street, so that the center line of said track shall be 8 feet North from the Northwest corner of Fifty-sixth street and Harrison street, measured along the West-erly line of Fifty-sixth street, and 8 feet North from the Northeast corner of Fifty-sixth street and Harrison street, measured along the Easterly line of Fifty-sixth street; and to construct, main-tain and operate a track across Fifty-sixth street, the center line of which shall be 23 feet North from the North-west corner of Fifty-sixth street and Harrison street, measured along the West-erly line of Fifty-sixth street, and 24 feet North from the Northeast cor-ner of Fifty-sixth street and Harrison street, measured along the Easterly line of Fifty-sixth street and to con-struct, maintain and operate a track across the said twenty-foot alley, the center line of which shall be 108 feet North from the Northwest corner of said alley and Harrison street, meas-ured along the West-erly line of said alley, and 115 feet North from the Northeast corner of said alley and Harrison street, measured along the Easterly line of said alley. The said track shall be constructed in accord-ance with the provisions of this Ordi-nance and in accordance with the plan hereto attached.*

Section 2. The said The Pennsylva-nia Railroad Company, prior to begin-ning the construction of the said track, shall submit to the Director of Public Works of the said City, a com-plete set of plans in triplicate, showing the location and all details of con-struction of the said track, and said plans and the construction of the said track shall be subject to the approval and supervision of the said Director.

Section 3. The rights and privileges herein granted shall be subject and

subordinate to the rights of the City of Pittsburgh and its power over City streets and to the Ordinance of the City of Pittsburgh relating thereto, and to the provisions of any general Ordinance which may hereafter be passed relating to the construction, maintenance and use of tracks on City streets, and compensation for the same.

Section 4. The said grantee shall bear the full cost and expense of the repaving and repair of the street pavement damaged, repair of sewers, water lines and other surface and sub-surface structures which may be in any way damaged or disturbed by reason of the construction, maintenance and use of the said track. All of the said work, including the repaving of the street damaged, shall be done in the manner and at such times as the Director may order, and shall be subject to his approval and supervision.

Section 5. The rights and privileges granted by this Ordinance are granted upon the express condition that the City of Pittsburgh without liability reserves the right to cause the removal of said tracks upon giving one (1) year's notice through the proper officers pursuant to resolution or Ordinance of Council to the said The Pennsylvania Railroad Company, its successors and assigns, to that effect; and that the said grantee when so notified shall, at the expiration of said one year, forthwith remove the said track and replace the street to its original condition at its own cost and expense.

Section 6. The said grantee shall assume any liability of the City of Pittsburgh for damages to persons or property, including the street and sub-surface structures therein, by reason of the construction, maintenance and use of the said track, and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

Section 7. The foregoing rights and privileges are granted subject to the following condition, to-wit: This Ordinance shall become null and void unless within sixty (60) days after the passage and approval of this Ordinance, The Pennsylvania Railroad Company shall file with the City Controller, its certificates of acceptance of this Ordinance, said certificate of acceptance to be executed by the President and Secretary and The Pennsylvania Railroad Company with its corporate seal attached.

Section 8. It is hereby understood and agreed that neither the purpose, nor the intent, nor the obligation of this Ordinance, if and when approved by the Public Service Commission of the Commonwealth of Pennsylvania, is such as to impair or in anywise affect the exercise by said Commission of any of the powers vested in said Commission by the Public Service Company Law, approved July 26, 1913.

Section 9. That any Ordinance or part of Ordinance conflicting with the provisions of this Ordinance be and the

same is hereby repealed, so far as the same affects this Ordinance.

No. 18

AN ORDINANCE—Authorizing and directing an increase of the indebtedness of the City of Pittsburgh in the sum of one hundred fifty thousand (\$150,000.00) dollars, and providing for the issue and sale of bonds of said City in said amount, to provide funds for the improvement and extension of the water system; the acquiring of equipment, the erection and equipment of structures and buildings; the construction, remodeling and equipment of pumping stations; the extension and improvement of the pipe line system; the improvement and equipment of reservoirs, and the acquiring of real estate, and providing for the redemption of said bonds and the payment of interest thereon.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same,* That the indebtedness of the City of Pittsburgh be increased by the amount of one hundred fifty thousand (\$150,000.00) dollars to provide funds for the improvement and extension of the water system; the acquiring of equipment, the erection and equipment of structures and building, the construction, remodeling and equipment of pumping stations; the extension and improvement of the pipe line system; the improvement and equipment of reservoirs, and the acquiring of real estate.

Section 2. That bonds of the City of Pittsburgh in the aggregate principal amount of one hundred fifty thousand (\$150,000.00) dollars be issued for the purpose aforesaid, with interest coupons attached, payable semi-annually, with the privilege of exchanging such coupon bond or bonds for a registered bond or bonds of the same maturity as, and of any denomination not exceeding the aggregate principal amount of the coupon bond or bonds surrendered in exchange therefor, by surrendering such coupon bond or bonds, with all coupons not then due, at the office of the City Controller; and the City Controller is hereby authorized and directed to cause such coupon and registered bonds to be engraved, and to issue the same in the name of the City of Pittsburgh, the expense thereof to be charged to Appropriation No. 12, Contingent Fund.

Section 3. Said bonds shall be issued in denominations of one hundred dollars, or multiples thereof, shall be dated the 1st day of January, A. D. 1918, and shall be payable in twenty equal annual installments, as follows:

Bonds to the aggregate amount of seven thousand five hundred (\$7,500.00) shall be issued on the 1st day of January, A. D. 1918, and shall be payable in twenty equal annual installments, as follows:

500.00) dollars shall be payable on the 1st day of January in each and every year, beginning with the year one thousand nine hundred and nineteen and ending with the year one thousand nine hundred and thirty-eight.

Said bonds shall bear interest at the rate of four and one-half (4½) per centum per annum, payable semi-annually at the office of the City Treasurer of said City on the first day of July and January of each year, without deduction for any taxes which may be levied thereon by the State of Pennsylvania pursuant to any present or future law, the payment of which is hereby assumed by the City of Pittsburgh, and the principal thereof shall be payable at maturity at the same place. The said bonds shall be signed by the Mayor, countersigned by the City Controller, and sealed with the corporate seal of said city, and the coupons shall be authenticated with the lithographed fac-simile signature of the City Controller.

Said bonds shall be sold by the Mayor and the City Controller at not less than par and accrued interest, on the most advantageous terms obtainable, after five (5) days' public notice in the official newspapers of the City of Pittsburgh. And the proceeds of such sales, or so much thereof as shall be necessary, shall, if specifically appropriated by Ordinance, therein fixing the amounts and conditions of expenditure, be applied to the purposes set forth in this Ordinance and to no other purpose whatsoever. Each of said bonds shall be known and designated as "Water Bonds, Series A, 1918."

Section 4. Until said bonds, issued as herein provided, shall be fully paid, there is hereby levied and assessed annually upon all subjects now by law liable or hereafter to be made liable to assessment for taxation for city purposes, an annual tax, commencing the year after said bonds have been issued, sufficient to pay the interest on said bonds as the same shall accrue and become payable; and also an annual tax equal to five per centum of the total amount of said bonds hereby authorized, to be applied to and set apart as a Sinking Fund for the payment of the principal and redemption of said bonds as they become due and payable according to their terms, and the same are hereby appropriated out of the revenues of said city for the payment and redemption aforesaid.

Section 5. All registered bonds issued in exchange for coupon bonds, as provided in Section 2 of this Ordinance, shall be registered with the City Treasurer of said City and be transferable only on the books of said City Treasurer.

Section 6. All bonds issued by the authority of this Ordinance and the Acts of Assembly authorizing the same shall be and become part of the funded debt of the City of Pittsburgh, and shall be entitled to all the rights, privileges and immunities thereof; and shall be free from taxation, as aforesaid, and for the payment of the prin-

cipal of said bonds, and the interest thereon semi-annually, as aforesaid, as the same shall mature and become payable, the faith, honor, credit and property of said city are hereby pledged.

Section 7. Said bonds shall be coupon bonds, exchangeable for registered bonds, and shall be substantially in the following form, to-wit:

levied hereon by the State of Pennsylvania pursuant to any present or future law, the payment of which is hereby assumed by the City of Pittsburgh. And for the true and faithful payment of the principal of this bond and the semi-annual interest thereon, as aforesaid, the faith, honor, credit and property of the said City of Pittsburgh are hereby pledged.

This bond is one of a series of bonds, amounting in the aggregate to issued by the City of Pittsburgh for valid municipal purposes, by virtue and in pursuance of an Act of the General Assembly of the Commonwealth of Pennsylvania, entitled "An Act to regulate the manner of increasing the indebtedness of municipalities, to provide for the redemption of the same, and to impose penalties for the illegal increase thereof," approved April 20, 1874, and the several supplements and amendments thereof; and an Act of the General Assembly of the Commonwealth of Pennsylvania, entitled "An Act for the government of cities of the second class," approved March 7, 1901, and the supplements and amendments thereof; and an Act of the General Assembly of the Commonwealth of Pennsylvania, entitled "An Act to authorize the registry or transfer of certain bonds," approved May 1, 1873; and by virtue of an Ordinance of the City of Pittsburgh, entitled "An Ordinance authorizing and directing an increase of the indebtedness of the City of Pittsburgh in the sum of and providing for the issue and sale of bonds of said city in said amount to provide and providing for the redemption of said bonds and the payment of interest thereon," duly enacted by the Council thereof, and approved by the Mayor thereof, and duly recorded and published in the manner provided by law, authorizing and directing the same.

It is hereby certified that every requirement of law affecting the issue hereof has been duly complied with; that provision has been made for the collection of an annual tax sufficient to pay the interest and also the principal hereof at maturity; that the total amount of indebtedness of the City of Pittsburgh, created without the consent of the electors thereof, including the entire issue of the above mentioned bonds, aggregating of which this bond is one, is less than two per centum of the last preceding assessed valuation of the taxable property therein; and the entire indebtedness of the City of Pittsburgh, including the entire issue of the above mentioned bonds, of which this bond is one, is less than seven per centum of the last preceding assessed valuation of the taxable property therein; and that this bond and the debt created thereby are within every debt and other limit prescribed by the Constitution and laws of the Commonwealth of Pennsylvania.

No. 19

AN ORDINANCE—Approving a Plan
of Lots, in the Twenty-seventh
ward of the City of Pittsburgh, laid out
for John R. Henricks Estate, accepting
the dedication of Shadeland avenue and
Highwood street, as shown thereon, for
public use for highway purposes, open-
ing and naming the same and establish-
ing the grades on Shadeland avenue
and Highwood street.

Whereas, J. A. Langfitt, C. C. Mullen
and C. C. Mullen, Attorney in fact for
Mary A. Henricks executors of the Es-
tate of John R. Henricks, deceased, the
owner of certain property, in the Twen-
ty-seventh ward of the City of Pitts-
burgh, laid out in a Plan of Lots, has
located certain highways thereon and
executed a deed of dedication, on said
plan, of all the ground covered by
said highways to the City of Pitts-
burgh, for public use for highway pur-
poses and has released the said City
from any liability for or by reason of
the physical grading of said public
highways to the grades hereinafter es-
tablished; therefore,

Section 1. *Be it ordained and enacted
by the City of Pittsburgh, in Council
assembled, and it is hereby ordained and
enacted by the authority of the same,* That
the Plan of Lots situate in the Twenty-
seventh ward of the City of Pittsburgh,
laid out for John R. Henricks Estate,
September, 1917, be and the same is
hereby approved, and Shadeland ave-
nue and Highwood street, as located
and dedicated in said plan, are hereby
accepted.

Section 2. The streets, as aforesaid,
dedicated to said City for public high-
way purposes, shall be and the same
are hereby appropriated and opened as
public highways and named Shadeland
avenue and Highwood street.

Section 3. The grades of Shadeland
avenue and Highwood street, laid out
and dedicated in said Plan of Lots, are
hereby established as described in Or-
dinance No. 531, approved December 13,
1917, and recorded in Ordinance Book,
Vol. 29, page 185.

Section 4. The Department of Public
Works is hereby authorized and di-
rected to enter upon, take possession
of and appropriate the said Shadeland
avenue and Highwood street for public
highways, in conformity with the pro-
visions of this Ordinance.

Section 5. That any Ordinance or
part of Ordinance conflicting with the
provisions of this Ordinance be and the
same is hereby repealed, so far as the
same affects this Ordinance.

No. 20

AN ORDINANCE—Authorizing the ex-
tension of the lease heretofore en-
tered into between Mathilda M. Coch-
rane and Anna B. Dietrich, executrices
and devisees under the last will of Con-
rad Dietrich, and the City of Pittsburgh
for premises in the Twenty-seventh
ward of the City of Pittsburgh used
as a branch station of the Allegheny
Carnegie Library for a term of three
years from July 1, 1919, and providing
for the payment of the consideration
thereof.

Whereas, The City of Pittsburgh,
pursuant to the authority of Ordi-
nances duly passed and approved March
8, 1916, and April 19, 1916, respectively,
entered into a written lease with Ma-
thilda M. Cochrane and Anna B. Die-
trich, executrices and devisees under
the will of Conrad Dietrich, deceased,
for premises situate in Brighton road,
in the Twenty-seventh ward of the
City of Pittsburgh, and which are be-
ing used and occupied as a branch sta-
tion of the Allegheny Carnegie Library;
and

Whereas, In order to properly heat
said building, it was necessary to in-
stall a coal furnace at a cost to the
lessors of the sum of \$230.00; and

Whereas, The said lessors have of-
fered to extend the term of said lease
for a period of three years from July
1, 1919, in consideration of the payment
to them of one-half the cost of said
coal furnace, or \$115.00, at the rental
and under the conditions set forth in
said lease; now, therefore

Section 1. *Be it ordained and enacted
by the City of Pittsburgh, in Council
assembled, and it is hereby ordained and
enacted by the authority of the same,* That
the Mayor be and he is hereby author-
ized to enter into an agreement with
Mathilda M. Cochrane and Anna B. Die-
trich, executrices and devisees, under
the will of Conrad Dietrich, deceased,
for an extension of the lease above re-
ferred to for the term of three years

from July 1, 1919, for the rental and under the conditions therein set forth.

Section 2. That the Mayor be and he is hereby authorized to issue and the Controller to countersign a warrant in favor of Mathilda M. Cochrane and Anna B. Dietrich, executrices and devisees, under the will of Conrad Dietrich, deceased, in the sum of \$115.00, being the consideration for the extension of the lease above referred to, and charge the same to Code Account No. 1356.

Section 3. That any Ordinance or part of Ordinance conflicting with the provisions of this Ordinance be and the same is hereby repealed, so far as the same affects this Ordinance.

Passed February 11, 1918.

Approved February 13, 1918.

AN ORDINANCE—Validating certain contracts for the completion of the City-County Building, and upon which the work was started prior to the countersigning of the said contracts by the City Controller.

Whereas, In pursuance to authority granted by proper legislation, the City of Pittsburgh and the County of Allegheny awarded contracts jointly on August 22, 1917, to the H. W. Johns-Manville Co. for acoustical work in the amount of \$13,112.00; and on August 26th, 1917, to the Joseph Horne Company, for decorative painting in the amount of \$14,800.00; and

Whereas, The said contracts were not countersigned by the City Controller until December 6th, 1917; and

Whereas, In the interest of public economy and efficiency, the contractors were ordered to proceed with the prosecution of the said contracts prior to the countersigning of same by the City Controller; and

Whereas, The City Controller has refused to honor the payrolls issued by the Department of Public Works and in favor of the said contractors, for the reasons cited above; now, therefore,

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same,* That for the reasons set forth above by this Ordinance, the said contracts for the acoustical work and decorative painting for the completion of the City-County Building are hereby approved and the estimates and payrolls issued by the Constructing Engineer and the Director of the Department of Public Works, respectively, are hereby made valid and binding for all work executed prior to the countersigning of the said contracts by the City Controller.

Section 2. That any Ordinance or part of Ordinance conflicting with the provisions of this Ordinance be and the

same is hereby repealed, so far as the same affects this Ordinance.

EXONERATIONS.

FOR VACANCIES.—Where the premises is vacant and the entire supply of water shall, at the owner's written notice served on the Board of Water Assessors, be turned off by their direction by the Bureau of Water, and such water shall be turned on only by the Bureau of Water, at the owner's written notice to the Board of Water Assessors, exoneration of ninety (90) per cent. for the flat assessment for the period during which the water is shut off shall be issued; provided, that the period during which the water is shut off is greater than sixty (60) days consecutively.

All requests for exoneration for excessive assessments must be made during the current year in which the assessments are made, or during twelve (12) months after the termination of said year, and no exoneration shall be granted after said period has expired.

FOR CHANGES IN WATER USES.—Where fixtures are removed and water uses discontinued, exoneration will be issued covering the discontinued use from the date of approval of a contract

covering the revised water uses. In case any owner of any premises shall cause or allow water to be used for any purpose or in any fixture for which there is no approved water contract on file in the office of the Bureau of Water, the rate for such usage or fixture shall be at the rate specified in the foregoing schedule, and shall date from the preceding January 1st, and the water for the entire premises shall be shut off until an approved contract for such additional water uses or fixtures has been signed and placed on file in the office of the Bureau of Water.

All fixtures on any premises, whether used or not, will be assessed as long as they remain in position.

WATER FOR FIRE PURPOSES.

No charge shall be made for water used during fires. All water used through fire system, except during fires, shall be charged for at metered rates. All fire systems shall be metered, excepting sprinkler head systems, and the minimum charge for each quarter year shall be as follows:

2-in. and 3-in. meters. \$2.00 per quarter
4-in. meters 3.00 per quarter
6-in. meters and over. 4.50 per quarter

EXPLANATION OF FOREGOING SCHEDULE.

In the foregoing schedule of rates, in cases where both flat and metered rates are specified, such flat rates shall govern until a meter or meters, controlling the entire supply of water, shall have been furnished by the City of Pittsburgh and installed, when the metered water rates, rules and regulations shall govern. In the foregoing schedule of rates, in cases where metered rates only are specified and the meter or meters are not in service or approved service during any portion of the water rent period, the registration for the portion of the water rent period during which the meter or meters are in approved service, or the registration during the preceding water rent period, shall be applied pro rata to the period during which the meter or meters are not in approved service. All water supplied at metered rates shall be at the following rates per quarter year:

METERED WATER RATES.

First 250,000 gallons or less, 18c per 1,000 gallons;

Second 250,000 gallons or less, 16c per 1,000 gallons;

Third 250,000 gallons or less, 14c per 1,000 gallons;

Fourth 250,000 gallons or more, 12c per 1,000 gallons.

Hospitals, dispensaries, and such other charities as are supported by public and private contributions, shall be charged at the rate of seven (7) cents per thousand gallons.

All hospitals or charitable institutions operating and maintaining laundries for commercial purposes, or maintaining and operating hydraulic power producing machinery, shall pay the usual and fixed rate for all water used for such purposes.

All hospitals and charitable institutions within the City of Pittsburgh which operate and maintain laundries for commercial purposes, or operate hydraulic power producing machinery, shall maintain separate water lines for such laundries or hydraulic power producing machinery, and all water used for such purposes shall be separately and specially metered.

For all water taken, the rate for which is not specifically provided and which is not measured by meter, the quantities shall be estimated and charged for at the above metered rates; and provided, further, that in no case where metered water rates are in force shall the charge for each premises for each quarter be less than the amount specified in the following schedule:

Section 141. All increases in salaries or wages made in this ordinance in positions for which the compensation was fifteen hundred dollars or less on June 7, 1917, and which were not in excess thereof on January 1, 1918, are hereby declared to have been made in conformity to the Act of Assembly, approved June 7, 1917, entitled "An Act requiring cities of the second class to give an increase of at least one hundred and fifty dollars per year to all employees now drawing a salary of fifteen hundred dollars per annum or less, and providing a method to enforce the provisions of this act."

Section 142. All positions herein designated, not heretofore existing, shall be and the same are hereby created and established at the salaries or wages herein prescribed, and the proper City officers are hereby authorized to fill such positions in the manner prescribed by law.

Section 143. All ordinances creating positions or fixing salaries other than those herein enumerated are hereby repealed.

Section 144. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance, with the exception of Ordinance No. 48, approved February 7th, 1917, and recorded in Ordinance Book, Volume 28, Page 328.

Passed February 11, 1918.

Pittsburgh, February 18th, 1918.

I do hereby certify that the foregoing Ordinance, which has been disapproved by the Mayor, and returned with his objections to the Council, was

passed by a two-thirds vote of said Council, this 18th day of February, A. D. 1918.

E. J. MARTIN,
Clerk of Council.

Ordinance Book 29, page 255.

No. 25

AN ORDINANCE—Making appropriations to pay the expenses of conducting the public business of the City of Pittsburgh and for meeting the debt charges thereof for the fiscal year beginning January 1st, 1918, and ending December 31st, 1918.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That the revenues of said City derived from taxes and other sources during the fiscal year beginning January 1st, 1918, and ending December 31st, 1918, and also all unencumbered balances of appropriations of prior years as at said date, are hereby appropriated in the sum of \$14,816,234.27 to pay the expenses of conducting the public business of the City of Pittsburgh and meeting the debt charges thereof during said fiscal year beginning January 1st, 1918, and ending December 31st, 1918.*

Section 2. No liability shall be incurred against any appropriation item in excess of the unencumbered balance thereof, and said appropriation items shall be administered subject to and in conformity with the following terms and conditions:

(a) The heads of the several departments shall prepare their several payrolls for audit by the Controller in accordance with the items of the ordinance establishing the respective positions and rates of compensation, and no payroll shall be approved by the Controller unless the incumbents and the rates of compensation agree with the items of said ordinance.

(b) There shall be affixed to all payrolls a certificate made by the person preparing such payrolls to the effect that there is a time record on file in said department, certified to by a person or persons having knowledge of the facts, showing the character of services and the exact time of employment of each person named in the payroll, and that the distribution of the time as shown on the payroll is in accordance with such time records.

(c) No transfer shall be made from one appropriation item to another except by resolution of Council, and such resolution shall in each case set forth the reasons for such request, and be accompanied by a certification from the Controller stating that there is a sufficient balance unencumbered and available in the appropriation item from which the transfer is to be made.

(d) All appropriations herein other than for personal service are made under the following conditions:

(1) In so far as practicable, all contracts and open market orders for purchases to be charged against such ap-

propriations shall be based upon specifications which are definite and certain as to character and quality and which conform with such standard specifications as may be established by Council.

(2) In so far as such standard specifications may be established by Council, the Controller at the time of certification of contracts shall also certify that the specifications therefor are in conformity with those previously adopted as standard.

(3) All open market orders issued for supplies, materials, equipment or machinery for which standard specifications shall have been prescribed, shall contain a description of what is ordered which conforms with such standard specifications.

Section 3. The director of the Department of Supplies is hereby authorized and directed to provide upon requisition by the head of any department, all necessary supplies, materials, equipment and machinery for such department; provided, however, that no requisition of any department shall be filed by the Director of the Department of Supplies in excess of the unencumbered balance of the appropriation properly chargeable. Payments on account of direct purchases shall be made from the amounts herein appropriated therefor respectively. Purchases made by the Director of the Department of Supplies to go into stores shall be paid for from the fund provided for such purpose, and when and as directed by the Controller said fund shall be reimbursed from other appropriations to the extent of deliveries made from stores.

Section 4. The head of each department is hereby directed to furnish Council, within fifteen days after the close of each quarter, the following statements, which shall be made on forms to be prescribed by the Controller:

(a) Work accomplished or services rendered during the quarter and the cost thereof, on a consumption basis, classified according to the standard budget titles.

(b) Number of units of work or services in all cases where work or services can be measured in units, and the average cost per unit on a consumption basis.

(c) Inventory of supplies, materials and equipment:

(1) On hand at beginning of quarter.

(2) Purchased or received from general stores during quarter.

(3) Consumed or used during quarter.

(4) On hand at end of quarter.

Section 5. For purposes of administration and accounting control, the code symbols indicated herein shall be considered as part of the appropriation titles:

Passed February 11, 1918.

City of Pittsburgh, Pennsylvania,

February 14, 1918.

To the Honorable, the Council of the City of Pittsburgh:

Gentlemen:—In pursuance of Section 10 of the Act approved May 31, 1911, I am returning herewith Bill No. 11, an Ordinance making appropriations to pay the expenses of conducting the public business of the City of Pittsburgh and for meeting the debt charges thereof for the fiscal year beginning January 1, 1918, and ending December 31, 1918, with my disapproval of the following items and parts of items, to-wit:

1010 A 1, Salaries, regular employees, Division of Investigation, Council and City Clerk, \$9,510.00. I object to \$6,000.00 of this item providing salary for an Investigator, for the reason that the position is unnecessary.

1014 A 1, Salaries, regular employees, Mayor's Office, \$28,710.00. I object to \$1,350.00 of this item providing salary for a Messenger, for the reason that the position is unnecessary.

1038 A 1, Salaries, regular employees, City Architect, \$9,010.00. I object to appropriation of \$7,060.00 of this item providing salary for City Architect, Chief Draftsman and Stenographer for the following reason: I find the City has two architects, one in the Department of Public Works and a general City Architect, with insufficient work at the present time for them both to do and am of the opinion that the Architect and staff in the Department of Public Works can do all of the City's work for this year.

1041 A 1, Salaries, regular employees, Transit Commission, \$21,700.00.

1042 B, Miscellaneous services, Transit Commission, \$100.00.

1043 C, Supplies, Transit Commission, \$3,000.00.

1044 F, Equipment and Machinery, Transit Commission, \$200.00.

These items are disapproved for the reason that this unit has been in existence for one and one-half years and it has completed its report, which report has been reduced to typewritten form. I am opposed to this and similar commissions being needlessly continued forever. I find that the City has another activity with an appropriation of \$75,000.00 to carry on the work of regulating transportation conditions and other public utilities.

1073 A 1, Salaries, regular employees, Department of Law, \$51,380.00. I object to \$1,110.00 of this amount which is set up for the salary of a Messenger, for the reason that the position is unnecessary.

1126 A 1, Salaries, regular employees, Department of Public Safety, General Office, \$36,240.00. I object to \$2,220.00 of this item providing salary for two (2) Social Workers, for the reason that the positions are unnecessary and can be dispensed with. The positions never have been filled and other Social Workers are ready and anxious to perform this work without cost to the City.

1389 N, Maintenance Fund, Flood Commission, \$5,000.00. I object to \$2,500.00 of this item for the following reason: I am informed that it will be impossible for the Flood Commission to carry on its usual work owing to the unusual times we are in and for other reasons and that the amount remaining will keep it in existence until a more propitious time arrives for it to extend its work.

42 D M, National Guard Contingent Fund, Contingent Funds, \$11,500.00. I object to \$8,000.00 of this item for the reason that the National Guard are to the front doing war duty and will probably not be home for the balance of this year. The only other military activity that this can be applied to is the Pennsylvania Militia Reserve and some similar organizations, and the amount reserved is sufficient for their needs.

All items in said Bill not disapproved are hereby approved.

All of which is respectively submitted.

E. V. BABCOCK,

Mayor.

Pittsburgh, February 25, 1918.

I do hereby certify that the foregoing items, or parts of items, of the above Ordinance, which have been disapproved by the Mayor and returned with his objections to the Council, were passed by a two-thirds vote of said Council, this 25th day of February, 1918, and that all other items or parts of said Ordinance, which the Mayor has not approved or disapproved within the ten (10) days prescribed by law, have become a law without his approval, under the provisions of the Act of Assembly in such case made and provided.

E. J. MARTIN,

Clerk of Council.

No. 29

AN ORDINANCE—Granting unto the T. H. Nevin Company, its successors and assigns, the right to construct, maintain and use a railroad siding on and across Orbit street, in the Twenty-seventh Ward, City of Pittsburgh, said track to be located at a point approximately one hundred and five (105) feet south of Island avenue, for the purpose of conveying materials, etc., to the buildings of the T. H.

Nevin Company, situated on property bounded by Island avenue and Orbit street.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That the T. H. Nevin Company, its successors and assigns, be and are hereby given the right and authority, at its own cost and expense, to construct, maintain and use a railroad siding on and across Orbit street, in the Twenty-seventh Ward, City of Pittsburgh, said track to be located at a point approximately one hundred and five (105) feet south of Island avenue, for the purpose of conveying materials, etc., to the buildings of the T. H. Nevin Company, situated on property bounded by Island avenue and Orbit street. The said track shall be constructed in accordance with the provisions of this ordinance, and in accordance with the plan hereto attached and identified as Accession No. GL-270, Folder No. G-26, in the files of the Bureau of Engineering, Department of Public Works, entitled, "Proposed Siding for T. H. Nevin Company crossing Orbit Street, Pittsburgh, Pa."*

Section 2. The said Company, prior to beginning the construction of the said track, shall submit to the Director of the Department of Public Works of the said City, a complete set of plans in triplicate showing the location and all details for the construction of the said track, and said plans and the construction of the said track shall be subject to the approval and supervision of the said Director.

Section 3. The rights and privileges herein granted shall be subject and subordinate to the rights of the City of Pittsburgh and its powers over City streets, and to the ordinances of the City of Pittsburgh relating thereto, and to the provisions of any general ordinance which may hereafter be passed relating to the construction, maintenance and use of tracks on City streets and compensation for same.

Section 4. The said grantee shall bear the full cost and expense of the repaving and repair of the street pavement damaged, repair of sewers, water lines and other surface and subsurface structures which may be in any way damaged or disturbed by reason of the construction, maintenance and use of the said track. All of the said work, including the repaving of the street damaged, shall be done in the manner and at such times as the Director may order, and shall be subject to his approval and supervision.

Section 5. The rights and privileges granted by this ordinance are granted upon the express condition that the City of Pittsburgh without liability reserves the right to cause the removal of the said track upon giving six (6) months' notice through the proper officers pursuant to resolution or ordinance of Council to the said T. H. Nevin Company, its successors and assigns, to that effect; and that the said grantee when so notified shall, at the

expiration of said six months, forthwith remove the said track and replace the street to its original condition at its own cost and expense.

Section 6. The said grantee shall assume any liability of the City of Pittsburgh for damages to persons or property, including the street and subsurface structures therein, by reason of the construction, maintenance and use of the said track, and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

Section 7. The foregoing rights and privileges are granted subject to the following condition, to-wit: This ordinance shall become null and void unless within thirty (30) days after the passage and approval of this ordinance, the T. H. Nevin Company shall file with the City Controller, its certificate of acceptance of this ordinance, said certificate of acceptance to be executed by the President and Secretary of the Company with its corporate seal attached.

Section 8. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed, so far as the same affects this Ordinance.

AN ORDINANCE—Providing for the payment to dependent relatives of all appointed officers or employees of the City of Pittsburgh who have heretofore enlisted or been drafted into the Military or Naval Service of the United States or any branch or unit thereof, in time of war or contemplated war, of one-half their salary or wages, not to exceed two thousand (\$2,000.00) dollars per annum, and providing for the method of payment thereof.

Whereas, Council, by Ordinance 321, Series of 1917, approved August 2nd, 1917, and recorded in Ordinance Book Vol. 28, page 621, made provision under the Act of Assembly, "Providing that

appointive officers and employees, employed by the Commonwealth of Pennsylvania in its civil service, or by any department, bureau, commission, or office thereof, or by any county, municipality, township, or school district, shall not be deemed or held to have resigned or abandoned their offices or employments by reason of enlistment, enrollment, or draft in the military or naval service of the United States or any branch or unit thereof, in time of war or contemplated war; prohibiting the removal from their offices or employments of such officers and employees during the period of their service in the Army or Navy; directing that one-half of the salaries or wages of such officers or employees as have dependent wives, children, or parents, and not exceeding two thousand dollars per annum, be paid during the term of their service in the Army or Navy to such dependents; authorizing the employment during said term of substitutes to perform the duties theretofore performed by such officers or employees, respectively, and providing for the compensation of such substitutes," approved the 7th day of June, A. D. 1917, provided for the payment of dependent wives, children or parents in conformity with the said Act of Assembly, and omitted sisters, and

Whereas, By an Act (No. 320) approved the 16th day of July, A. D. 1917, the Legislature provided that it shall be lawful for the city council of any city of the second class to provide, by ordinance, for the payment of the salaries of all city employees who enlist in the Army or Navy or are called into the service of the United States during the present war with the government of Germany; and

Whereas, Dependent sisters were omitted from the ordinance carrying into effect the provisions of the Act approved the 7th day of June, 1917, as above recited, and as in many cases the sisters of employees enlisted or drafted are dependent, entirely or in a large measure upon them.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That* in accordance with the provisions of said Act No. 320 an allowance to an amount not exceeding one-half the salary received by any enlisted or drafted man shall be allowed and paid to a relative dependent on him.

Section 2. That said allowance and payment shall be made in conformity with the regulations prescribed in Ordinance No. 321, approved August 2nd, 1917, and shall not in any case exceed the annual sum of \$2,000.00 per year.

Section 3. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed, so far as the same affects this Ordinance.

No. 60

AN ORDINANCE — Authorizing the Mayor and the Director of the Department of Public Works to enter into an agreement with the Pittsburgh and Lake Erie Railroad Company authorizing the said Railroad Company to enter upon Water Street between Seventeenth Street and property of Ormsby Land Company in the Seventeenth Ward, for the purpose of laying temporary tracks and sidings, pending the final determination of a suit in the Court of Common Pleas of Allegheny County, brought by the City to

establish the said street and the public rights therein, and providing the conditions thereof.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same,* That the Mayor and the Director of the Department of Public Works be and they are hereby authorized to enter into the following agreement with the Pittsburgh and Lake Erie Railroad Company, to-wit:

Made this.....day of..... 1918, between the City of Pittsburgh and the Pittsburgh and Lake Erie Railroad Company.

Whereas, The Pittsburgh and Lake Erie Railroad Company claims to be in possession of certain property in the Seventeenth Ward, South Side of the City of Pittsburgh, lying outside of its right of way as granted under certain ordinances of the City of Pittsburgh; and

Whereas, A Bill in Equity has been filed by the said City against the Pittsburgh and Lake Erie Railroad Company and other persons and corporations at No. 2045 January Term, 1917, in the Court of Common Pleas of Allegheny County, in which it is alleged that the property so occupied by the defendants is within the limits of a certain public highway known as Water street, in which the City seeks to eject the defendants from the occupation of the same; and

Whereas, Under the present traffic emergency it will be helpful to the successful prosecution of the war to allow the Pittsburgh and Lake Erie Railroad Company to construct tracks upon said property and the City of Pittsburgh is willing that said tracks should be constructed thereon, provided the same shall be without prejudice to the rights of the said City in the suit now pending.

Now, therefore, It is agreed that the Pittsburgh and Lake Erie Railroad Company may construct said tracks upon said property provided its occupation and use of the same shall be without prejudice to the rights of either party as the same shall be determined in the suit now pending, and provided further that in the event of the city being successful in said suit, the said tracks shall be removed immediately from the premises by the Pittsburgh and Lake Erie Railroad Company upon demand of the City of Pittsburgh. In case the said Railroad Company shall fail to immediately comply with the demand of the City of Pittsburgh for the removal of said tracks, the City of Pittsburgh may remove the said tracks or any other structures of the Railroad Company from the said Water street at the cost of the said Railroad Company, which cost the Railroad Company hereby agrees to pay.

It is distinctly understood and agreed to, that this agreement shall confer no rights whatever upon the Railroad Company to the use and occupation of said street except a mere temporary license until the final determination of the said suit now pending in the Court of Com-

mon Pleas. In case the city be successful in the suit aforesaid now pending, this agreement shall be of no force and effect, and the rights or license hereby granted shall immediately thereupon cease and determine.

It is further agreed that the Pittsburgh and Lake Erie Railroad Company shall continue, pending the decision in said case, to pay the taxes assessed upon said property and that such payment by it and acceptance of said taxes by the city, shall be without prejudice to the rights of either of the parties.

It is further agreed that in no event shall this agreement have any force or effect whatever after January 1, 1919, and upon said date the license granted to the Railroad Company hereunder, shall cease and determine unless by the terms hereof it shall have expired prior thereto.

There is attached hereto and made part of this agreement a plot or draft showing the particular portion of Water Street upon which the Railroad Company may enter under this agreement.

Witness the due execution hereof the day and year aforesaid.

Section 2. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed, so far as the same affects this Ordinance.

No. 61

AN ORDINANCE—Granting unto Riverside Eastern Oil Company, a corporation, its successors and assigns, the right to construct, maintain and use two (2) 3-inch air pipe lines and two (2) 2-inch pipe lines for the carrying and transportation of gasoline or other petroleum products (both of said gasoline lines being enclosed throughout their entire length within the said 3-inch air pipe lines) under and along Deldorf (formerly Delaware) street in the 21st Ward, City of Pittsburgh, from a point in the Northernly street line of Deldorf street distant 210 feet from the Westerly street line of Pfeble avenue, thence by described directions a distance of 133 feet more or less, under and along Deldorf street to the low water mark of the Ohio River.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same,* That Riverside Eastern Oil Company, a corporation created and existing under the laws of the State of Delaware, and doing business in the State of Pennsylvania, its successors and assigns, be and are hereby granted the right and authority, at their own cost and expense, to construct, maintain and use two (2) 3-

inch air pipe lines, and two (2) 2-inch pipe lines for the carrying and transportation of gasoline, or other petroleum products (both of said gasoline lines, for greater safety, being placed and enclosed throughout their entire length within the two (2) aforesaid 3-inch air pipe lines), under and along Deldorf (formerly Delaware) street in the Twenty-first Ward, City of Pittsburgh, at a depth of four (4) feet below street elevation, beginning at a point in the Northerly street line of said Deldorf street, distant two hundred and ten feet (210 ft.) west of the westerly street line of Preble avenue, thence south by a line at right angles to said northerly street line of Deldorf street, a distance of ten feet (10 ft.) to a point, thence west by a line parallel to said northerly street line of Deldorf street, a distance of one hundred and twenty-three feet (123 ft.), more or less to the low water line of the Ohio River. The said pipe shall be constructed in accordance with the provisions of this Ordinance, and in accordance with the plan hereto attached and identified as Accession No. GL275, Folder No. G27, in the files of the Bureau of Engineering, Department of Public Works, entitled "Plan of Air and Gasoline Lines Along Deldorf Street for Riverside Eastern Oil Company."

Section 2. The said Riverside Eastern Oil Company, prior to beginning the construction of the said pipes, shall submit to the Director of Public Works of the said City, a complete set of plans in triplicate showing the location and all details of construction of the said pipes, and said plans and the construction of the said pipes shall be subject to the approval and supervision of the said director.

Section 3. The rights and privileges herein granted shall be subject and subordinate to the rights of the City of Pittsburgh and its powers over City streets and to the ordinances of the City of Pittsburgh relating thereto, and to the provisions of any general ordinance which may hereafter be passed relating to the construction, maintenance and use of pipes on City streets, and compensation for same.

Section 4. The said grantee shall bear the full cost and expense of the replacement and repair of the street pavement, sewers, water lines and other surface and subsurface structures which may be in any way damaged or disturbed by reason of the construction, maintenance and use of the said pipes. All of the said work shall be done in the manner and at such times as the Director may order, and, shall be subject to his approval and supervision.

Section 5. The rights and privileges granted by this ordinance are granted upon the express condition that the City of Pittsburgh without liability reserves the right to cause the removal of said pipes upon giving six (6) months' notice through the proper officers or by resolution or ordinance of Council to the said Riverside Eastern Oil Company, its successors and assigns, to that effect; and that the said grantee shall, when so notified, remove the said pipes and re-

place the street to its original condition at its own cost and expense.

Section 6. The said grantee shall be liable for all damages to persons or property, including the street and subsurface structures therein, by reason of the construction, maintenance and use of the said pipes, and it is a condition of this consent that the City of Pittsburgh assumes no liability to either persons or property on account of this consent.

Section 7. The foregoing rights and privileges are granted subject to the following condition, to-wit: This ordinance shall become null and void unless within thirty (30) days after the passage and approval of this ordinance, Riverside Eastern Oil Company shall file with the City Controller, its certificate of acceptance of this ordinance, said certificate of acceptance to be executed by the president and secretary of the company with its corporate seal attached.

Section 8. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed, so far as the same affects this Ordinance.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same,* That Riverside Eastern Oil Company, a corporation created and existing under the laws of the State of Delaware, and doing business in the State of Pennsylvania, its successors and assigns, be and are hereby granted the right and authority, at their own cost and expense, to construct, maintain and use, a single track railroad siding, over, upon and across Deldorf (formerly Delaware) street in the Twenty-first (21st) Ward, City of Pittsburgh, along a curving center line intersecting the center line of Deldorf street at a point approximately two hundred and eighty-one feet (281 ft.) west of the westerly street line of Preble avenue. Being part of a private railroad siding proposed to be constructed from the Baltimore and Ohio Railroad to property abutting upon said Deldorf street, and now owned or about to be purchased by Riverside Eastern Oil Company aforesaid. The said siding track shall be constructed in accordance with the provisions of this Ordinance, and in accordance with the

plan hereto attached and identified as Accession No. GL275, Folder No. G27, in the files of the Bureau of Engineering, Department of Public Works, entitled "Plan of Proposed Private Siding over Deldorf Street for Riverside Eastern Oil Company."

Section 2. The said Riverside Eastern Oil Company, prior to beginning the construction of the said siding track, shall submit to the Director of Public Works of the said City, a complete set of plans in triplicate showing the location and all details of construction of the said siding track, and said plans and the construction of the said siding track shall be subject to the approval and supervision of the said Director.

Section 3. The rights and privileges herein granted shall be subject and subordinate to the rights of the City of Pittsburgh and its powers over City streets and to the ordinances of the City of Pittsburgh relating thereto, and to the provisions of any general ordinance which may hereafter be passed relating to the construction, maintenance and use of the siding track on city streets, and compensation for same.

Section 4. The said grantee shall bear the full cost and expense of the replacement and repair of the street pavement, sewers, water lines and other surface and subsurface structures which may be in any way damaged or disturbed by reason of the construction, maintenance and use of the said siding track. All of the said work shall be done in the manner and at such time as the Director may order, and, shall be subject to his approval and supervision.

Section 5. The rights and privileges granted by this ordinance are granted upon the express condition that the City of Pittsburgh without liability reserves the right to cause the removal of said siding track upon giving six (6) months' notice through the proper officers or by resolution or ordinance of Council to the said Riverside Eastern Oil Company, its successors and assigns, to that effect; and that the said grantee shall, when so notified remove the said siding track and replace the street to its original condition at its own cost and expense.

Section 6. The said grantee shall be liable for all damages to persons or property, including the street and subsurface structures therein, by reason of the construction, maintenance and use of the said siding track, and it is a condition of this consent that the City of Pittsburgh assumes no liability to either persons or property on account of this consent.

Section 7. The foregoing rights and privileges are granted subject to the following condition, to-wit: This ordinance shall become null and void unless within thirty (30) days after the passage and approval of this ordinance, Riverside Eastern Oil Company shall file with the City Controller, its certificate of acceptance of this ordinance, said certificate of acceptance to be executed by the president and secretary of the company with its corporate seal attached.

Section 8. That any Ordinance or par

of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed, so far as the same affects this Ordinance.

No. 63

AN ORDINANCE—Authorizing and directing an increase of the indebtedness of the City of Pittsburgh in the sum of twenty-seven thousand dollars (\$27,000.00) and providing for the issue and sale of bonds of said city in said amount, to provide funds for the purchase of property in the Fifth Ward for playground purposes, and providing for the redemption of said bonds and the payment of interest thereon.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same,* That the indebtedness of the City of Pittsburgh be increased by the amount of twenty-seven thousand dollars (\$27,000) to provide funds for the purchase of property in the Fifth Ward for playground purposes.

Section 2. That bonds of the City of Pittsburgh in the aggregate principal amount of twenty-seven thousand dollars (\$27,000.00) be issued for the purpose aforesaid, with interest coupons attached, payable semi-annually, with the privilege of exchanging such coupon bond or bonds for a registered bond or bonds of the same maturity as, and of any denomination not exceeding the aggregate principal amount of the coupon bond or bonds surrendered in exchange therefor, by surrendering such coupon bond or bonds, with all coupons not then due, at the office of the City Controller; and the City Controller is hereby authorized and directed to cause such coupon and registered bonds to be engraved, and to issue the same in the name of the City of Pittsburgh, the expense thereof to be charged to Appropriation No. 42, Contingent Fund.

Section 3. Said bonds shall be issued in denominations of one hundred dollars, or multiples thereof, shall be dated as of the first day of March, A. D. 1918, and shall be payable in thirty (30) equal annual installments, as follows:

Bonds to the aggregate amount of nine hundred dollars (\$900.00) shall be payable on the first day of March in each and every year, beginning with the year one thousand nine hundred and nineteen and ending with the year one thousand nine hundred and forty-eight.

Said bonds shall bear interest at the rate of four and one-half (4½) per centum per annum, payable semi-annually at the office of the City Treasurer of said City on the first day of September and March of each year, without deduction for any taxes which may be levied thereon by the State of Pennsylvania pursuant to any present or future law, the payment of

which is hereby assumed by the City of Pittsburgh, and the principal thereof shall be payable at maturity at the same place. The said bonds shall be signed by the Mayor, countersigned by the City Controller, and sealed with the corporate seal of said city, and the coupons shall be authenticated with the lithographed fac-simile signature of the City Controller.

Said bonds shall be sold by the Mayor and the City Controller at not less than par and accrued interest, on the most advantageous terms obtainable, after five (5) days' public notice in the official newspapers of the City of Pittsburgh. And the proceeds of such sales shall be applied to the purposes set forth in this ordinance and to no other purpose whatsoever. Each of said bonds shall be known and designated as "Playground Bonds, Series A, 1918."

Section 4. Until said bonds, issued as herein provided, shall be fully paid, there is hereby levied and assessed annually upon all subjects now by law liable or hereafter to be made liable to assessment for taxation for city purposes, an annual tax, commencing the year after said bonds have been issued, sufficient to pay the interest on said bonds as the same shall accrue and become payable; and also an annual tax equal to 3.33½ per centum of the total amount of said bonds hereby authorized, to be applied to and set apart as a Sinking Fund for the payment of the principal and redemption of said bonds as they become due and payable according to their terms, and the same are hereby appropriated out of the revenues of said city for the payment and redemption aforesaid.

Section 5. All registered bonds issued in exchange for coupons bonds, as provided in Section 2 of this Ordinance, shall be registered with the City Treasurer of said City and be transferable only on the books of said City Treasurer.

Section 6. All bonds issued by the authority of this Ordinance and the Acts of Assembly authorizing the same shall be and become part of the funded debt of the City of Pittsburgh, and shall be entitled to all the rights, privileges and immunities thereof; and shall be free from taxation, as aforesaid, and for the payment of the principal of said bonds, and the interest thereon semi-annually, as aforesaid, as the same shall mature and become payable, the faith, honor, credit and property of said city are hereby pledged.

Section 7. That any Ordinance or part of Ordinance conflicting with the provisions of this Ordinance be and the same is hereby repealed, so far as the same affects this Ordinance.

No. 67

AN ORDINANCE—Authorizing and directing an increase of the indebtedness of the City of Pittsburgh in the sum of fifty thousand dollars (\$50,000.00), and providing for the issue and sale of bonds of said city in said amount, to provide funds for the completion of the new City-County Building on Grant street in said city, and providing for the redemption of said bonds and the payment of interest thereon.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That the indebtedness of the City of Pittsburgh be increased by the amount of fifty thousand dollars (\$50,000.00), for the purpose of providing funds for the completion of the new City-County Building on Grant street in said city.*

Section 2. That bonds of the City of Pittsburgh in the aggregate principal amount of fifty thousand dollars (\$50,000.00) be issued for the purpose aforesaid, with interest coupons attached, payable semi-annually, with the privilege of exchanging such coupon bond or bonds for a registered bond or bonds of the same maturity as, and of any denomination not exceeding the aggregate principal amount of the coupon bond or bonds surrendered in exchange therefor, by surrendering such coupon bond or bonds, with all coupons not then due, at the office of the City Controller; and the City Controller is hereby authorized and directed to cause such coupon and registered bonds to be engraved, and to issue the same in the name of the City of Pittsburgh, the expense thereof to be charged to Appropriation No. 42, Contingent Fund.

Section 3. Said bonds shall be issued in denominations of one hundred dollars, or multiples thereof, shall be dated as of the first day of March, A. D. 1918, and shall be payable in twenty-five (25) equal annual installments, as follows: Bonds to the aggregate amount of two thousand (\$2,000.00) dollars shall be payable on the first day of March in each and every year, beginning with the year one thousand nine hundred and nineteen and ending with the year one thousand nine hundred and forty-three.

Said bonds shall bear interest at the rate of four and one-half (4½) per

centum per annum, payable semi-annually at the office of the City Treasurer of said city on the first day of September and March, of each year, without deduction for any taxes which may be levied thereon by the State of Pennsylvania pursuant to any present or future law, the payment of which is hereby assumed by the City of Pittsburgh, and the principal thereof shall be payable at maturity at the same place. The said bonds shall be signed by the Mayor, countersigned by the City Controller, and sealed with the corporate seal of said city, and the coupons shall be authenticated with the lithographical fac-simile signature of the City Controller.

Said bonds shall be sold by the Mayor and the City Controller at not less than par and accrued interest, on the most advantageous terms obtainable, after five (5) days' public notice in the official newspapers of the City of Pittsburgh. And the proceeds of such sales, or so much thereof as shall be necessary, shall be applied to the purposes set forth in this ordinance and to no other purpose whatsoever. Each of said bonds shall be known and designated as "City Hall Bonds, Series A, 1918."

Section 4. Until said bonds, issued as herein provided, shall be fully paid, there is hereby levied and assessed annually upon all subjects now by law liable or hereafter to be made liable to assessment for taxation for city purposes, an annual tax, commencing the year after said bonds have been issued, sufficient to pay the interest on said bonds as the same shall accrue and become payable; and also an annual tax equal to four (4) per centum of the total amount of said bonds hereby authorized, to be applied to and set apart as a sinking fund for the payment of the principal and redemption of said bonds as they become due and payable according to their terms, and the same are hereby appropriated out of the revenues of said city for the payment and redemption aforesaid.

Section 5. All registered bonds issued in exchange for coupon bonds, as provided in Section 2 of this ordinance, shall be registered with the City Treasurer of said city, and be transferable only on the books of said City Treasurer.

Section 6. All bonds issued by the authority of this ordinance and the Acts of Assembly authorizing the same shall be and become part of the funded debt of the City of Pittsburgh, and shall be entitled to all the rights, privileges and immunities thereof; and shall be free from taxation, as aforesaid, and for the payment of the principal of said bonds, and the interest thereon semi-annually, as aforesaid, as the same shall mature and become payable, the faith, honor, credit and property of said city are hereby pledged.

Section 7. That any ordinance or part of ordinance, conflicting with the provisions of this ordinance, be and the same

is hereby repealed, so far as the same affects this ordinance.

AN ORDINANCE—Authorizing and directing the construction of a public sewer on the northeast sidewalk of Midletown road, on Ashtola way, Horne street, private property of C. J. Holleman, Ancora way and Eliska street, from a point about one hundred (100) feet southeast of Evanston street to the existing sewer on Ashtola way, with branch sewers on Kedzie street, Evanston street and Horne street, and providing that the costs, damages and expenses of the same be assessed against and collected from property specially benefited thereby.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same,* That a public sewer be constructed on the northeast sidewalk of Middletown road, on Ashtola way, Horne street, private property of C. J. Holleman, Ancora way and Eliska street, from a point about one hundred (100) feet southeast of Evanston street to the existing sewer on Ashtola way.

Commencing on the northeast sidewalk of Middletown road, at a point about one hundred (100) feet southeast of Evanston street; thence northwestwardly along the northeast sidewalk of Middletown road to Ashtola way. Said sewer to be terra cotta pipe and fifteen (15) inches in diameter. Thence northeastwardly along Ashtola way to Horne street; thence southeastwardly along Horne street to private property of C. J. Holleman, opposite Evanston street; thence northeastwardly on, over, across and through said private property of C. J. Holleman to Thayer place; thence continuing northeastwardly across Thayer place and along Ancora way to Eliska street; thence northwardly along Eliska street to the existing sewer on Ashtola way. Said sewer to be terra cotta pipe and twenty-four (24) inches in diameter.

With a branch sewer on Kedzie street. Commencing on Kedzie street at a point about thirty (30) feet northwest of Evanston street; thence northwestwardly along Kedzie street to the sewer on Ashtola way.

With a branch sewer on Evanston street. Commencing on Evanston street, at a point about one hundred (100) feet northeast of Middletown road. Thence northeastwardly along Evanston street to the sewer on Horne street.

With a branch sewer on Horne street. Commencing on Horne street, at a point about seventy (70) feet southeast of Evanston street; thence northwestwardly along Horne street to the sewer on Evanston street.

Said branch sewer to be terra cotta pipe and fifteen (15) inches in diameter.

Said sewer on Horne street and said branch sewers on Kedzie street, Evanston street and Horne street to have nine (9) inch lateral sewers extending from the main sewers to a point one (1) foot inside the curb lines.

Said sewer to be constructed in accordance with Plan D-2804, on file in the office of the Bureau of Engineering, Department of Public Works.

Section 2. The Mayor and the Director of the Department of Public Works are hereby authorized and directed to advertise, in accordance with the Act of Assembly of the Commonwealth of Pennsylvania and the ordinances of the said City of Pittsburgh relating thereto and regulating the same, for proposals for the construction of a public sewer as provided in Section 1 of this ordinance; the contract or contracts therefor to be let in the manner directed by the said Acts of Assembly and ordinances; and the contract price or contract prices not to ex-

ceed the total sum of twenty-two thousand dollars (\$22,000.00), which is the estimate of the whole cost as furnished by the Department of Public Works.

Section 3. The cost, damages and expense of the same shall be assessed against and collected from properties specially benefited thereby, in accordance with the provisions of the Acts of Assembly of the Commonwealth of Pennsylvania relating thereto and regulating the same.

Section 4. That any ordinance or part of ordinance, conflicting with the provisions of this ordinance, be and the same is hereby repealed, so far as the same affects this ordinance.

AN ORDINANCE—Authorizing and directing the grading, paving and curbing of Middletown road, that portion now in the City of Pittsburgh, from Ashtola way to Ladoga street, and providing that the costs, damages and expenses of the same be assessed against and collected from property specially benefited thereby.

Whereas, It appears by the petition and affidavit on file in the office of the City Clerk that a majority of property owners in interest and number abutting upon the line of Middletown road, that portion now in the City of Pittsburgh, between Ashtola way and Ladoga street, have petitioned the Council of the City of Pittsburgh to enact an ordinance for the grading, paving and curbing of the same, therefore,

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same,* That Middletown road, that portion now in the City of Pittsburgh, from Ashtola way to Ladoga street, be graded, paved and curbed.

Section 2. The Mayor and the Director of the Department of Public Works are hereby authorized and directed to advertise, in accordance with the Acts of Assembly of the Commonwealth of Pennsylvania, and the Ordinances of the said City of Pittsburgh relating thereto and regulating the same, for proposals for the grading, paving and curbing of said street between said points; the contract or contracts therefor to be let in the manner directed by the said Acts of Assembly and Ordinances; and the contract price or contract prices, if let in separate contracts, not to exceed the total sum of twenty-one thousand dollars (\$21,000.00), which is the estimate of the whole cost as furnished by the Department of Public Works.

Section 3. The cost, damages and expense of the same shall be assessed against and collected from properties specially benefited thereby, in accordance with the provisions of the Acts of As-

sembly of the Commonwealth of Pennsylvania relating thereto and regulating the same.

Section 4. That any ordinance or part of ordinance, conflicting with the provisions of this ordinance, be and the same is hereby repealed so far as the same affects this ordinance, with especial reference to Ordinance No. 158, approved April 18, 1917.
